

CUSTER AND THE LITTLE BIG HORN

A Psychobiographical Inquiry

by CHARLES K. HOFLING

Custer And The Little Big Horn A Psychobiographical Inquiry

Thom Hatch

Custer And The Little Big Horn A Psychobiographical Inquiry:

Custer and the Little Big Horn Charles K. Hofling, 1989-10 In this book Hofling turns his attention to the psychological context in which Custer operated in order to understand the decisions which produced his final disaster Few American battles have been the object of as much discussion and popular fascination as the Battle of the Little Big Horn Yet after more than a century a great number of questions remain unanswered Many are destined to remain so No white man survived to tell the tale Indian accounts are inconsistent and contemporary reports are distorted by political considerations Charles K Hofling however provides fresh insight to the events of June 1876 by exploring them from a unique perspective Concluding that discussions of military tactics and strategy are not sufficient in themselves to explain Little Big Horn Hofling turns his attention to the psychological context in which Custer operated in order to understand the decisions which produced his final disaster Examining Custer s personal and military life Hofling isolates those episodes of psychological significance which suggest personality traits which would account for Custer s behavior before and during the battle *The Last Stand* Nathaniel Philbrick, 2023-01-03 An engrossing and tautly written account of a critical chapter in American history Los Angeles Times Nathaniel Philbrick author of *In the Hurricane s Eye* Pulitzer Prize finalist *Mayflower* and *Valiant Ambition* is a historian with a unique ability to bring history to life *The Last Stand* is Philbrick s monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer s Last Stand Bringing a wealth of new information to his subject as well as his characteristic literary flair Philbrick details the collision between two American icons George Armstrong Custer and Sitting Bull that both parties wished to avoid and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth *Son of the Morning Star* Evan S. Connell, 2011-04-01 *Son of the Morning Star* is the nonfiction account of General Custer from the great American novelist Evan S Connell Custer s Last Stand is among the most enduring events in American history more than one hundred years after the fact books continue to be written and people continue to argue about even the most basic details surrounding the Little Bighorn Evan S Connell whom Joyce Carol Oates has described as one of our most interesting and intelligent American writers wrote what continues to be the most reliable and compulsively readable account of the subject Connell makes good use of his meticulous research and novelist s eye for the story and detail to re create the heroism foolishness and savagery of this crucial chapter in the history of the West *The Biography Book* Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and

offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals Last Stands from the Alamo to Benghazi Frank Wetta,Martin Novelli,2016-12-08 Last Stands from the Alamo to Benghazi examines how filmmakers teach Americans about the country s military past Examining twenty three representative war films and locating them in their cultural and military landscape the authors argue that Hollywood s view of American military history has evolved in two phases The first phase extending from the very beginnings of filmmaking to the Korean War projected an essential patriotic triumphalism The second phase from the Korean and Vietnam Wars to the present reflects a retreat from consensus and reflexive patriotism In describing these phases the authors address recurring themes such as the experience of war and combat the image of the American war hero race gender national myths and more With helpful film commentaries that extend the discussion through popular movie narratives this book is essential for anyone interested in American military and film history **The Army Lawyer** ,2011-05

The Last Days of George Armstrong Custer Thom Hatch,2015-02-03 Subtitle from jacket subtitle on title page repeats the main title Custer's Last Stand: Portraits in Time Charles A. Mills,2014-09-18 Since his death along the bluffs overlooking the Little Bighorn River in Montana on June 25 1876 over five hundred books have been written about the life and career of George Armstrong Custer Views of Custer have changed over succeeding generations Custer has been portrayed as a callous egotist a bungling egomaniac a genocidal war criminal and the puppet of faceless forces For almost one hundred and fifty years Custer has been a Rorschach test of American social and personal values Whatever else George Armstrong Custer may or may not have been even in the twenty first century he remains the great lightning rod of American history This book presents portraits of Custer and the Battle of the Little Bighorn as they have appeared in print over successive decades and in the process demonstrates the evolution of American values and priorities Inventing Custer Edward Caudill,Paul Ashdown,2015-09-03 Custer s Last Stand remains one of the most iconic events in American history and culture Had Custer prevailed at the Little Bighorn the victory would have been noteworthy at the moment worthy of a few newspaper headlines In defeat however tactically inconsequential in the larger conflict Custer became legend In Inventing Custer The Making of an American Legend Edward Caudill and Paul Ashdown bridge the gap between the Custer who lived and the one we immortalized and mythologized into legend While too many books about Custer treat the Civil War period only as a prelude to the Little Bighorn Caudill and Ashdown present him as a product of the Civil War Reconstruction Era and the Plains Indian Wars They explain how Custer became mythic shaped by the press and changing sentiments toward American Indians and show the many ways the myth has evolved and will continue to evolve as the United States continues to change Custer's Road to Disaster Kevin Sullivan,2013-06-25 The death of George Armstrong Custer ended the life of one of the most flamboyant brave careless and fascinating characters to ever wear a United States military uniform His dramatic rise during the Civil War to the brevet rank of brigadier general at twenty three and his uncanny ability to stay alive regardless of how

recklessly he flung himself at the enemy gave rise to his image as an almost mythical figure His life was filled with such good fortune that the term Custer's Luck was used to refer to an unusually fortuitous event Road to Disaster examines Custer's unusual mental and emotional make up which played out in his military career his relationship with his wife and in the death he and many of his men found at the end of their march into Montana A clearer picture of the man appears providing answers as to why military success followed him to the top of his career and why the Battle of the Little Bighorn became such a shocking disaster in the summer of 1876 **Archaeology, History, and Custer's Last Battle** Richard A. Fox,2015-02-16

On the afternoon of June 25 1867 an overwhelming force of Sioux and Cheyenne Indians quickly mounted a savage onslaught against General George Armstrong Custer's battalion driving the doomed troopers of the U S Seventh Cavalry to a small hill overlooking the Little Bighorn River where Custer and his men bravely erected their heroic last stand So goes the myth of the Battle of the Little Bighorn a myth perpetuated and reinforced for over 100 years In truth however Custer's Last Stand was neither the last of the fighting nor a stand Using innovative and standard archaeological techniques combined with historical documents and Indian eyewitness accounts Richard Allan Fox Jr vividly replays this battle in astonishing detail Through bullets spent cartridges and other material data Fox identifies combat positions and tracks soldiers and Indians across the Battlefield Guided by the history beneath our feet and listening to the previously ignored Indian testimonies Fox reveals scenes of panic and collapse and ultimately a story of the Custer battle quite different from the fatalistic versions of history According to the author the five companies of the Seventh Cavalry entered the fray in good order following planned strategies and displaying tactical stability It was the sudden disintegration of this cohesion that caused the troopers' defeat The end came quickly unexpectedly and largely amid terror and disarray Archaeological evidences show that there was no determined fighting and little firearm resistance The last soldiers to be killed had rushed from Custer Hill *Custer and the Little Bighorn* Jim Donovan,2011-02 This is the first major illustrated book to examine the life and death of General Custer

From Chivalry to Terrorism Leo Braudy,2010-12-08 Manliness has always been linked to physical prowess and to war indeed the warrior has been the archetypal man across countless cultures throughout time In this magisterial excursion through literature history warfare and sociology one of our most prominent scholars tracks the complex relationship between the changing methods and goals of warfare and shifting models of manhood This journey takes us from the citizen soldiers of ancient Greece to the medieval knights to the misogynistic terrorists of Al Qaeda As he chronicles these transformations Leo Braudy weighs the significance of everything from weapon technology to the hairstyles favored during different eras He offers fresh insights on codes of war and codes of racial purity and on cultural and historical figures from Socrates to Don Quixote to Napoleon to Custer to Rambo Epic in scope and free of academic jargon *From Chivalry to Terrorism* is a masterwork of scholarship that is both accessible and breathtakingly ambitious Echoes of War Michael C.C. Adams,2021-10-21 Americans are often accused of not appreciating history but this charge belies the real popular interest in

the past Historical reenactments draw thousands of spectators popular histories fill the bestseller lists PBS A and Hollywood war movies become blockbusters Though historians worry that these popular representations sacrifice authenticity for broad appeal Michael C C Adams argues that living history even if it is an incomplete depiction of the past plays a vital role in stimulating the historical imagination In *Echoes of War* he examines how one of the most popular fields of history is portrayed embraced and shaped by mainstream culture Adams argues that symbols of war are of intrinsic military significance and help people to articulate ideas and values We still return to the knight as a symbol of noble striving the bowman appeals as a rebel against unjust privilege Though Custer may not have been the Army s most accomplished fighter he achieved the status of cultural icon The public memory of the redcoated British regular soldier shaped American attitudes toward governments and gun laws The 1863 attack on Fort Wagner by the black Fifty fourth Massachusetts regiment was lost to public view until racial equality became important in the late twentieth century *Echoes of War* is a unique look at how a thousand years of military history are remembered in popular culture through images ranging from the medieval knight to the horror of U S involvement in the My Lai massacre *Billy Heath* Vincent J. Genovese, 2010-10-29 In this controversial book Genovese provides compelling proof that at least one member of the Seventh Cavalry a man named William Heath survived Custer s Last Stand Illustrations throughout *A Companion to Custer and the Little Bighorn Campaign* Brad D. Lookingbill, 2019-09-18 An accessible and authoritative overview of the scholarship that has shaped our understanding of one of the most iconic battles in the history of the American West Combines contributions from an array of respected scholars historians and battlefield scientists Outlines the political and cultural conditions that laid the foundation for the Centennial Campaign and examines how George Armstrong Custer became its figurehead Provides a detailed analysis of the battle maneuverings at Little Bighorn paying special attention to Indian testimony from the battlefield Concludes with a section examining how the Battle of Little Bighorn has been mythologized and its pervading influence on American culture

Touched by Fire Louise Barnett, 2006-10-01 A comprehensive and balanced biography of the controversial George Armstrong Custer *Elizabeth Bacon Custer and the Making of a Myth* , 1998-09-01 Georger Armstrong Custer s death in 1876 at the Battle of the Little Big Horn left Elizabeth Bacon Custer a thirty four year old widow who was deeply in debt By the time she died fifty seven years later she had achieved economic security recognition as an author and lecturer and the respect of numerous public figures She had built the Custer legend an idealized image of her husband as a brilliant military commander and a family man without personal failings In *Elizabeth Bacon Custer and the Making of a Myth* Shirley A Leckie explores the life of Libbie a frontier army wife who willingly adhered to the social and religious restrictions of her day yet used her authority as model wife and widow to influence events and ideology far beyond the private sphere *Fascinating Facts from American History* Bill Lawrence, 1995 Provides telling insights into American history through scores of personality profiles anecdotes advertisements and more Includes sources and references for use in independent study *The Military*

and United States Indian Policy 1865-1903 Robert Wooster, 1995-01-01 A model of analytical history In spare cogent prose Wooster delineates military strategy against the western tribes places the political influence of the Gilded Age military establishment in solid perspective gives an able survey of the institutional structure of the postwar army briefly describes key Indian campaigns and presents pithy characterizations of leading western military personalities Wooster s book places events in a national and in military terms international context In so doing he has made a major contribution to frontier and military scholarship Paul Andrew Hutton American Historical Review A superior and important book Wooster succinctly identifies and illumines significant truths about the military establishment and its role in the final stages of confrontation and conflict along the western Indian frontier Robert M Utey Journal of American History A provocative example of the new historiography Students of the Indian wars have frequently suffered from a form of myopia until now no one has undertaken so comprehensive or critical a look at the army s role in formulating and implementing Indian policy Bruce Dinges New Mexico Historical Review Robert Wooster an associate professor of history at Texas A M University Corpus Christi is the author of Nelson A Miles and the Twilight of the Frontier Army Nebraska 1993
