Cutting The Shackles Of Mental Occupation:

Cutting the Shackles of Mental Occupation J. C. Belizaire, 2008-04 Now in Cutting the Shackles of Mental Occupation the author is advocating for a renaissance that will revolutionize the thinking process of current members of society Such revolution shall not only change us individually but it will also work for the collective betterment of humanity At the heart of this publication he covers some very pressing issues that divide humanity and colonize the thinking of specific groups He examines racial tensions between the children of Europe and those of Africa Is race psychological or biological Is there such thing as a white or a black gene What about the difference between black and white thinking What about God does he really have a color The author additionally examines some of the key issues that hinder the collective progress of black communities if we are to move forward as a tribe it is first and foremost imperative for people of African descent to stop blaming others for our collective inadequacies O*NET Dictionary of Occupational Titles J.
