

Winter Solstice

The time of the year with the great darkness.

Nature slumbers in quiet starkness.

The trees are bare, the earth is asleep.

The silence and stillness run truthful and deep.

Recognize that as the earth is resting,

It bestows on you its greatest blessing.

That from winter comes spring and life once again.

For the wheel of nature, spins with no end.

Take ease in these cycles, honest and true.

Have faith in the rhythm of nature for you.

Realize that harmony comes from within.

And know all is well as the new cycle begins.
