Globalistics and Globalization Studies George Modelski.,Anton L. Grinin,Valentina M. Bondarenko.,Ivan A. Aleshkovski,Alexey I. Andreev,Julia V. Zinkina,Oleg A. Alekseenko,Olga G. Leonova,David Christian,Tatyana L. Shestova,Craig G. Benjamin,Sergey V. Tsirel,William R. Thompson,Kentaro Sakuwa,Mikhail A. Kaverin,Sergey Yu. Malkov,Vladimir Maslov,Stanislav Ye. Bilyuga,Olga I. Davydova,Dmitry S. Malkov.,Lowell Gustafson,David Baker,Alexander V. Markov,Joseph Voros,Alexander D. Panov,2015-01-01 This yearbook is the fourth in the series with the title Globalistics and Globalization Studies The subtitle of the present volume is Global History Big History The point is that today our global world really demands global knowledge Thus there are a few actively developing multidisciplinary approaches and integral disciplines among which one can name Global Studies Global History and Big History They all provide a connection between the past present and future Big History with its vast and extremely heterogeneous field of research encompasses all the forms of existence and all timescales and brings together constantly updated information from the scientific disciplines and the humanities Global History is transnational or world history which examines history from a global perspective making a wide use of comparative history

and of the history of multiple cultures and nations Global Studies express the view of systemic and epistemological unity of global processes Thus one may argue that Global Studies and Globalistics can well be combined with Global History and Big History and such a multi disciplinary approach can open wide horizons for the modern university education as it helps to form a global view of various processes

Globalistics and Globalization Studies: Theories, Research & Teaching

Leonid Grinin,Ilya Ilyin,Andrey Korotayev,2013-09-30 This is the second issue of the new series titled Globalistics and Globalization Studies Globalistics may be regarded as a sort of systemic and more or less integrated core within Global Studies At present Global Studies function in two main dimensions in the research of global political economic cultural and social processes on the one hand and in the realm of teaching manifesting themselves in the creation of various Global Studies programs and courses for university students who learn to see the world in its entirety and variety The second dimension is immensely important as the contents of such programs and courses may determine how the world will be comprehended by those people who may decide its fate in a decade or two This dualistic nature of Global Studies has determined the general direction of our anthology that comprises both the theoretical dimension of Global Studies and their application to the teaching process The anthology consists of three parts presenting a wide range of views on the meaning of the contemporary epoch the past and the future of some important global processes as well as the problems and successes in the teaching process of Global Studies Part 1 Globalization in Historical Retrospective Part 2 Globalistics Global Studies and Global Processes Part 3 Teaching Global Studies In the present anthology one can find perceptions of globalization by a number of famous scholars from different countries of the world Ervin Laszlo Christopher Chase Dunn and others but one can also get to know rather peculiar visions of globalization by Russian scientists and educators
