Developing Practice Competencies A Foundation For Generalist Practice:

Developing Practice Competencies D. Mark Ragg, 2011-04-18 Designed for the generalist practice course this book uses students own experiences rather than abstract discussion to build competency and professional identity Full of rich case examples and exercises the book lets students visualize and carry out skills in an applied experimental way It breaks down each practice skill into subcomponents allowing students to consciously build up their capabilities as part of a lifelong learning process Social work students will benefit from this presentation of the core knowledge techniques and values essential to the effective practice of social work

Social Work Live Carol Dorr, 2014-09-05 Social Work Live accesses multiple approaches to student learning experiential visual and auditory Carol Dorr emphasizes the important role of self reflection and critical thinking in social work practice by paying special attention to process recordings and observing how the social worker reflects on her own reactions in the moment with the client Students also can appreciate the important role of reflecting on their own interventions with clients after their sessions acknowledging what went well and what could have been done better Social Work Live encourages a constructivist perspective to practice that calls attention to the many possible interpretations and approaches to working with clients The classroom provides an ideal opportunity for students to explore with each other different ways of making meaning out of clients stories and intervening with them

Learning and Development Effectiveness in Organisations Thomas N. Garavan, Fergal O'Brien, James Duggan, Claire Gubbins, Yanqing Lai, Ronan Carbery, Sinead Heneghan, Ronnie Lannon, Maura Sheehan, Kirsteen Grant, 2020-07-29 This book offers an integrated and contextualised framework for learning and development L however there is some ambiguity concerning the effectiveness of these activities and it largely remains unclear how they can be best implemented This book seeks to address this gap in the literature The authors propose a framework for L D effectiveness based on key findings from reviews empirical research and meta analyses as well as previously established theoretical frameworks within the field Combining theory and practice the new framework this book offers provides key guidance for L D practitioners and researchers interested in the area
