The “after seventeenth century modernity spectaculum”

The global development in the sense of modernization as per seventeenth century has given the world no more than decaying senses which has been accompanied by perverted human roles, with concentration of hatred and aversion between human kind and between them and the environment.

The known good deeds were integrated into intensive definitions incorporated in evil, human contempt, vile as well as inconsiderable. Despite this, the irony is that what used to be good became shunned while the scramble of the vices introduced, became significantly rampant. Long-living practices began to be viewed as being mundane and the short-lived practices accompanied by threats and fears completely replaced the good-old world.

As the sense of independent and development sunk in people's mind, the aspect of communism disintegrated and in its place individualism and the sense of “I” was adopted that is embraced world-wide. As a result, man's life was affected, as the bond between people gradually melted and in its place a trench evolved.

This has put man's life in a solitary situation, bringing with it massive poverty, nasty living style, brutish undertakings whose combination has shortened the life of human being. This has made the man race to indulge into daily conflicting activities, pertaining competition, diffidence and glory as state of nature. This has created one of man's rule which entails that Thomas Hobbes (215) states that “every man has to endeavor peace, as far as he has hopes for obtaining it. If he cannot obtain it, he can use all helps and advantage of war.”

In addition, human beings have been assumed as having right of everything even to one another's body. What does this bring to the race of human being? It only gives a room to the stronger in having their ways right which means that the life of the majority-minorities depend on the mercy of the few powerful. In other words, it became the
