Devil Of The Highlands Historical Highlands:

Devil of the Highlands Lynsay Sands, 2009-10-06 They call him the Devil He is the most notorious laird of Scotland fierce cold deadly and maybe even worse Yet Evelinde has just agreed to wed him Anything she thinks is better than her cruel stepmother Though Evelinde should be wary of the rumors she can't help but be drawn to this warrior for the Devil of the Highlands inspires a heat within her that is unlike anything she has ever known They may call him whatever they wish but Cullen Laird of Donnachaidh cares only for the future of his clan He must find a wife a woman to bear him sons and heed his commands He has no need for beauty or grace but one taste of his lovely bride's sweet lips and the sultry feel of her skin arouse an untamed passion Perhaps there's more to marriage than he thought

Old and New World Highland Bagpiping John Graham Gibson, 2002 Old and New World Highland Bagpiping provides a comprehensive biographical and genealogical account of pipers and piping in highland Scotland and Gaelic Cape Breton The work is the result of over thirty years of oral fieldwork among the last Gaels in Cape Breton for whom piping fitted unself consciously into community life as well as an exhaustive synthesis of Scottish archival and secondary sources Reflecting the invaluable memories of now deceased new world Gaelic lore bearers John Gibson shows that traditional community piping in both the old and new world Ghealtachlan was and for a long time remained the same exposing the distortions introduced by the tendency to interpret the written

record from the perspective of modern post eighteenth century bagpiping Following up the argument in his previous book Traditional Gaelic Bagpiping 1745 1945 Gibson traces the shift from tradition to modernism in the old world through detailed genealogies focusing on how the social function of the Scottish piper changed and step dance piping progressively disappeared Old and New World Highland Bagpiping will stir controversy and debate in the piping world while providing reminders of the value of oral history and the importance of describing cultural phenomena with great care and detail

Rim of the World Drive Roger G. Hatheway, 2007. On July 18, 1915 the Rim of the World Drive was dedicated as politicians, businessmen and local luminaries looked on. What followed is the incredible story of how a road changed the lives of San Bernardino Mountain visitors and residents alike. In a single generation the slow 19th century lifestyle that moved at the pace of horses was transformed into the streamlined and fast paced 20th century age of the automobile. By the 1930s a realigned high gear route led up the hill from San Bernardino to Crestline then along the crest to Lake Arrowhead, Running Springs and Big Bear and finally down the hill to Redlands. This fascinating evolution of Southern California's landmark Rim of the World Drive from Native American trail to state highway is showcased here in a meticulously researched presentation of rare photographs many never before published.
