**Devious Divas: a Novel** Tayah Nicole Parker, 2013-09-05 From the national bestselling author of *Grown Folks Business* and *The Neighbors* comes a thrilling new series that will take avid readers through the lives of three Devious Divas who won't stop until they get what they want. YaYa Costa, Storm Lucas, and Caress Jackson are deceitful in every way, shape, and form. The clique started at age eighteen when team leader Caress concocted a plan to marry a rich millionaire and divorce him after one year. Without a Prenup, the plan worked. Now with three, four, and five ex-husbands to their names, these women are raking up the dollars while their victimious ex-husbands are paying the price. But every price has a cost, and these devious divas will soon learn what that cost is as everything comes to a screeching halt. YaYa's older real estate husband isn't willing to grant her a divorce. Unfortunately for him, YaYa has set her sights on a handsome restaurateur who has not only captured her attention but also her heart. If only she could get her oldie off her shoulder, but if she does, could it lead to a first-degree murder charge? Storm desperately wants out of her marriage to a well-known preacher's son. But there's a prenuptial agreement in place, and one of them has to break it. When Storm hires a stripper to seduce her husband, feelings that she thought she didn't have for him are now awakened. With these emerging emotions, Storm finds herself in a race against time to undo her sadistic plans in an effort to save her marriage from the hands of the person she hired to take him off her hands. Last but not least, Caress couldn't be in a better position. She's caught the eye of the new mayoral candidate running for mayor of West Xavier, and if all goes well, she'll be living it up in the mayoral mansion. But like her friends, her trail of ex-husbands have caught onto the scheme and enlist the help of WXPd Detective Lauren Westchester to bring these Devious Divas down. With time, money, and new relationships tied into the potential demise of the Devious Divas, they must decide whether they're going to fight back or risk losing it all.
