Develop Study Skill Guide:

The Complete Study Skills Guide Catherine Dawson, 2011-01-28 Successful study is dependent on effective study skills. Yet many students are never taught how to study and many are anxious about their ability to develop the necessary skills required to complete their course. All students can learn how to study. It is not a skill reserved for the select few. With a little information, guidance, and advice, all students can discover how to study and improve the marks on their course. This book is aimed at students at almost every level, including college and university adult learners and students on correspondence and distance learning courses. It includes preparing for taking and passing examinations, how to read for study efficiently and effectively, how to hypothesise, theorise, critique, and analyse, improving your mathematical and scientific skills, completing projects and assignments, how to get the most out of lectures, tutorials, classes, and seminars, time management, organising yourself, and building motivation. Ways you can improve your marks. Quotations, case studies, exercises, and useful tips are also included, along with information about study skills websites, software, and online tools.

The Everything Guide to Study Skills Cynthia C Muchnick, 2011-06-18 Here's something worth learning. Studying doesn't have to be a chore. This fun and accessible resource provides the tools you need to develop better study habits, boost your grades, and position yourself for academic success. Educational consultant Cynthia Clumeck Muchnick uses a wide range of ideas taken from hundreds of students to help you find a unique, effective method suited for your individual learning style. You'll improve transcripts for college applications, ace standardized tests, and become a better student at any level of education. This indispensable guide shows you how to get the most out of class time. Use the best strategies for note taking and memorizing. Improve writing skills. Prepare completely for tests. Safely and effectively conduct online research. Use Skype, iChat, or social media to form study groups. With this guide in your backpack, you'll be able to balance school and activities, avoid pre-test panic, and achieve consistently better results.
