Pollock).* James Samuel Pollock,1870 **Private and Domestic Devotion in Early Modern Britain** Alec Ryrie,2016-04-15

Scholars increasingly recognise that understanding the history of religion means understanding worship and devotion as well as doctrines and polemics Early modern Christianity consisted of its lived experience This collection and its companion volume *Worship and the Parish Church in Early Modern Britain* ed Natalie Mears and Alec Ryrie bring together an interdisciplinary range of scholars to discuss what that lived experience comprised and what it meant Private and domestic devotion how early modern men and women practised their religion when they were not in church is a vital and largely hidden subject Here historical literary and theological scholars examine piety of conformist non conformist and Catholic early modern Christians in a range of private and domestic settings in both England and Scotland The subjects under analysis include Bible reading the composition of prayers the use of the psalms the use of physical props for prayers the pious interpretation of dreams and the troubling question of what counted as religious solitude The collection as a whole broadens and deepens our understanding of the patterns of early modern devotion and of their meanings for early modern culture as a whole **Letters of Faith Through the Seasons: December-May** James M. Houston,2006 If you want to follow a daily discipline of devotional reading but want to be challenged daily to grow in faith and knowledge of the Lord and want that knowledge to have heart too welcome to daily doses of wisdom from the greatest minds in Christian history These letters help reorient readers from generalizations to particulars from conventions to specific actions from theory to practice and from the profession of faith to the pulsating living inner and intimate expressions and experiences of walking with God and indeed of being open before God Features and Benefits A rare collection of devotional nuggets that will challenge the mature believer Letters are from great Christians throughout history such as Augustine Leo the Great John Newton and C S Lewis Each letter concludes with a Scripture Meditation Thought for the Day and Prayer **The New City Catechism Devotional** Crossway,Collin Hansen,2017-04-13 In centuries past the church has used catechisms to teach foundational Christian doctrines Today this communal practice of learning basic beliefs via questions and answers has largely been lost Seeking to restore this ancient method of teaching to the regular life of the church The New City Catechism Devotional is a gospel centered modern day resource that not only summarizes important Christian beliefs through 52 questions and answers but also helps readers meditate on and be transformed by those doctrines Each question features devotional commentary written by leading contemporary and historical figures such as John Piper Timothy Keller Kevin DeYoung D A Carson Alistair Begg Mark Dever Augustine John Calvin Jonathan Edwards John Owen Martin Luther and many others Each

question also includes a relevant Scripture reading and short prayer Designed for use in a variety of contexts including with families churches and small groups The New City Catechism Devotional stands as a valuable resources for helping adults and children alike learn the key doctrines that stand at the heart of the Christian faith **The Prayer book interleaved with historical illustrations and explanatory notes arranged parallel to the text, by W.M. Campion and W.J. Beamont** William Magan Campion,1868 **Keeping the Ten Commandments** J. I. Packer,2008-01-07 They re often mistakenly considered God s rules his outdated list of do s and don ts that add up to a guilt ridden legalistic way of life But as beloved author and Bible scholar J I Packer probes the purpose and true meaning of the Ten Commandments you ll discover that these precepts can aptly be called God s blueprint for the best life possible They contain the wisdom and priorities everyone needs for relational spiritual and societal blessing and it s all coming from a loving heavenly Father who wants the best for his children Not only does Packer deliver these truths in brief readable segments but he includes discussion questions and ideas for further study at the end of each chapter This book will challenge you to view the commandments with new eyes and help you to understand perhaps for the first time the health hope and heritage you re offered there *Manual of Devotion* Nathan Covington Brooks,1852
