Diagnostic Face Reading and Holistic Healing Roger Bezanis, 2010-01-01 *Diagnostic Face Reading and Holistic Healing with Iridology DVD* Roger Bezanis, 2009-06 **Face Reading Plain & Simple** Jonathan Dee, 2018-08-01 The face is the first thing we focus on when meeting any new person; we automatically assess a person's mood, feelings, and intentions by what we read on that person's face. We consider some people to have kind eyes or a grumpy look. This book will introduce you to the ancient Chinese art of face reading so that you can gain insight into the personalities of your loved ones and those you meet. Discover aspects of personality you never knew existed. Chinese face reading demonstrates that faces are open books and their individual features provide the keys to interpreting their message. The author explores the significance of twenty-three basic eye shapes, twenty-three eyebrow conformations, thirteen ear types, thirteen basic nose profiles, nine mouth types. Along the way, the author discusses the subtle distinctions within the cheekbones, the lips, the forehead, and facial creases.

The Face Reader Patrician McCarthy, 2007-01-01 Mien Shiang is a 3000-year-old Taoist practice that means literally face mien reading shiang. It was first used in China as a diagnostic tool for the practitioners of Traditional Chinese Medicine who could detect signs of

existing ailments as well as predispositions to illness of mind body and spirit simply by studying one's face. Soon the Taoist monks developed the art of Mien Shiang to help them evaluate the personal integrity and honesty of those doing business with the courts and officials. Mien Shiang is not about reading facial expressions or telltale ticks or shifty eyes but rather face shapes, facial features, positions and sizes and shapes of each feature, lines, shadows, moles and other facial markings. They are foolproof signs if you know how to read them, you know the art of Mien Shiang. And no one is inscrutable any more. Knowing Mien Shiang can help you to answer two perennial questions: Who Am I and Who Are You.

Patrician McCarthy is the most dynamic, brilliant, innovative and empathetic consultant my teams have worked with over the years. Ivy Ross, Executive Vice President of Design and Development, Old Navy Gap Inc. I will do anything Patrician McCarthy tells me to do. She makes not just my work better but my entire life.

Michael Edelstein, Executive Producer, *Desperate Housewives*. Patrician McCarthy always has interesting insights on how to market to the different types of people who will be interested in our products. We can't wait for her to come back again and again.
