Democratic Politics In A European Union Under Stress:

Democratic Politics in a European Union Under Stress Olaf Cramme, Sara Binzer Hobolt, 2015 This book offers the first comprehensive political analysis of the Euro crisis that erupted in Greece in 2010 and subsequently threatened the very survival of the Euro area It has left a profound mark on democratic politics all over Europe changing public attitudes and voting preferences institutional and societal norms and deeply anchored political traditions The contributors to this volume reveal the extent to which policymakers are torn between the pressures emanating from financial markets and the demands put forward by their own constituents how they struggle to reconcile national preferences with wider European interests and how a polarized and politicized Union seeks to maintain some degree of cohesion The emerging picture is that of a European Union under serious stress transformed by new governance structures and a shifting balance of power In response the authors evaluate the prospects of a more legitimate and democratic Europe They provide a rich and pluralist set of new analyses and proposals aimed at understanding and navigating the myriad tensions which surround the EU in the aftermath of the crisis If the European project is to regain the trust of its citizens such considerations must take a central place in public debate

Routledge Handbook of European Politics José Magone, 2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics [Rethinking the European Union and its global role from the 20th to the 21st Century](#) Jean-Michel De Waele, Anne Weyembergh, Giovanni

Grevi, 2019-08-06 Discover the various scientific debates that Mario Tel has been involved This edited volume which has been drafted in honour of Professor Tel s research career offers the reader an overview of the various scientific debates that he has been involved in throughout his distinguished career The aim was to highlight contextualise and build on his most innovative contributions to each of these debates This book revolves around four thematic areas each of which brings together a number of contributions that offer timely reflections on a given question or challenge covered by Professor Tel s research EXTRACT We wanted to have a personality of international calibre espousing different political systems across the world But we also wanted to bring a good teacher into the fold filling students with enthusiasm able to lead them to develop

their study projects to establish their vocation as researchers and even to train personalities active in every day life in fact to promote a European conscientiousness We know that Mario Tel has perfectly fulfilled these many wishes in particular through his commitments towards his colleagues as well as his very active role as member and President of the Institut d'Etudes européennes Institute of European Studies IEE ULB but also through the support that he has given numerous researchers who have completed brilliant doctoral theses under his supervision It is difficult to pay him tribute however as Mario Tel has engaged in and still engages in multiple and international academic activities We have lost count of the number of foreign invitations that have been extended to him as well as his numerous speeches to defend and to explain the need for a European area Mario Tel knows better than anyone that European values still need to be defended that European studies cover several aspects not just the political integration process in Europe but also the analysis of the behaviour of actors decision makers and citizens We know that the EU acquis is often temporary and several times the work has to be redone as the difficulties of functioning with twenty eight member states and soon to be twenty seven member states show The European Union does not always respond to the democratic deficit the political integration approach needs to show the usefulness and expected benefits of European cooperation essential to its existence in a very tense global context The energy of Mario Tel his creativity his international engagement his academic openness will always be essential to the ULB A member of the Académie Royale de Belgique Royal Academy of Belgium in the Classe des Lettres et des Sciences morales et politiques section of letters and moral and political sciences Mario Tel will always find the opportunity to express his analyses and proposals to get through the currently very troubled time of Europe's and the world's evolution

Governance and Politics in the Post-Crisis European Union Ramona Coman, Amandine Crespy, Vivien A. Schmidt, 2020-08-27 The European Union of today cannot be studied as it once was This original new textbook provides a much needed update on how the EU's policies and institutions have changed in light of the multiple crises and transformations since 2010 An international team of leading scholars offer systematic accounts on the EU's institutional regime policies and its community of people and states Each chapter is structured to explain the relevant historical developments and institutional framework presenting the key actors the current controversies and discussing a paradigmatic case study Each chapter also provides ideas for group discussions and individual research topics Moving away from the typical neutral account of the functioning of the EU this textbook will stimulate readers critical thinking towards the EU as it is today It will serve as a core text for undergraduate and graduate students of politics and European studies taking courses on the politics of the EU and those taking courses in comparative politics and international organizations including the EU

Social policy in the European Union: state of play 2015 David Natali (OSE), Bart Vanhercke (OSE), 2015-09-23 The sixteenth edition of Social policy in the European Union state of play has a triple ambition First it provides easily accessible information to a wide audience about recent developments in both EU and domestic social policymaking Second the volume provides a more analytical reading

embedding the key developments of the year 2014 in the most recent academic discourses Third the forward looking perspective of the book aims to provide stakeholders and policymakers with specific tools that allow them to discern new opportunities to influence policymaking In this 2015 edition of Social policy in the European Union state of play the authors tackle the topics of the state of EU politics after the parliamentary elections the socialisation of the European Semester methods of political protest the Juncker investment plan the EU s contradictory education investment the EU s contested influence on national healthcare reforms and the neoliberal Trojan Horse of the Transatlantic Trade and Investment Partnership TTIP

The Palgrave Handbook of EU Crises Marianne Riddervold, Jarle Trondal, Akasemi

Newsome, 2020-12-21 This handbook comprehensively explores the European Union s institutional and policy responses to crises across policy domains and institutions including the Euro crisis Brexit the Ukraine crisis the refugee crisis as well as the global health crisis resulting from COVID 19 It contributes to our understanding of how crisis affects institutional change and continuity decision making behavior and processes and public policy making It offers a systematic discussion of how the existing repertoire of theories understand crisis and how well they capture times of unrest and events of disintegration More generally the handbook looks at how public organizations cope with crises and thus probes how sustainable and resilient public organizations are in times of crisis and unrest

Euroscepticism and the Future of European Integration Catherine E. De Vries, 2018-01-26 The European Union EU is facing one of the rockiest periods in its existence No time in its history has it looked so economically fragile so insecure about how to protect its borders so divided over how to tackle the crisis of legitimacy facing its institutions and so under assault of Eurosceptic parties The unprecedented levels of integration in recent decades have led to increased public contestation yet at the same the EU is more reliant on public support for its continued legitimacy than ever before This book examines the role of public opinion in the European integration process It develops a novel theory of public opinion that stresses the deep interconnectedness between people s views about European and national politics and suggests that public opinion cannot simply be characterized as either Eurosceptic or not but rather consists of different types This is important because these types coincide with fundamentally different views about the way the EU should be reformed and which policy priorities should be pursued These types also have very different consequences for behaviour in elections and referenda Euroscepticism is such a diverse phenomenon because the Eurozone crisis has exacerbated the structural imbalances within the EU As the economic and political fates of member states diverged people s experiences with and evaluations of the EU and national political systems also grew further apart The heterogeneity in public preferences that this book has uncovered makes a one size fits all approach to addressing Euroscepticism unlikely to be successful

Beyond the Crisis Mark Dawson, Henrik Enderlein, Christian Joerges, 2015-12-10 In the wake of the euro crisis the European Union has been transformed in many ways Is it now on the right track The euro crisis the steps taken to manage it and the resulting transformations have triggered a necessary process of reconsidering economic governance in the

European Union This volume the third in a series of annual editions tackling different aspects of governance examines the long list of open political legal and economic questions related to the functioning and fundamental structure of the Union as a whole and the economic and monetary union in particular Organised in three main sections the contributions to this collection bring the perspectives of different academic disciplines to bear on the functional aspects of economic governance the institutional transformations that have taken place and their implications for the Union's legitimacy A separate chapter looks at inequalities in perceptions of economic conditions and well being within the European Union to identify trends particularly during the eurozone crisis In doing so the chapters in this volume take stock of the current situation shed light on the dilemmas and challenges that must be recognised and addressed and explore various options for the way ahead The collection's ultimate goal is to assess whether the recent transformations lead EU governance in the right direction or require further adjustment

European Identity Revisited Viktoria Kaina,Ireneusz Pawel Karolewski,Sebastian Kuhn,2015-12-14 It has been argued that the emergence of a European collective identity would help overcome growing disparity caused by the increasing diversity of today's European Union with 28 member states and more than 500 million people Research on European integration is facing the pressing question of what holds Europe together in times of crisis growing distributional conflict and instability in its neighbourhood This book departs from the ideas of group cohesion in the EU and reflects on the newest dynamics and practices of European identity Whilst applying innovative qualitative quantitative and experimental research methods and an interdisciplinary approach this volume looks at a variety of issues such as European citizenship mobility of European citizens space based identities dual identities student identity and value sharing In doing so this volume presents new perspectives on this complex and dynamic subject and points to potential solutions both in the academic discourse and the political practice of the EU This text will be of key interest to scholars and students of European integration European studies international relations citizenship studies political sociology as well as more broadly in the social sciences

National and Regional Parliaments in the EU-Legislative Procedure Post-Lisbon Anna Jonsson Cornell,Marco Goldoni,2017-01-12 Much has changed in European constitutional law after the Lisbon Treaty not least the efforts to increase democratic legitimacy by engaging national legislatures and introducing a stricter subsidiary review process namely the Early Warning Mechanism EWM This collection looks at how national parliaments have adapted to their new roles and looks at how the new system has impacted on relations between the EU legislative bodies and national parliaments A team of experts from across Europe explore the effect of the EWM on the national constitutional orders analyse the regional impact of EWM and evaluate the new system of scrutiny

Europe Reset Richard Youngs,2017-10-24 In the last decade the EU has been hit by a series of crises most recently the UK's decision to leave the union following the Brexit referendum In light of this questions have been raised about the need to reform the whole model of European integration with the aim of making the union more flexible and more accountable In this book Richard Youngs proposes an

alternative vision of European co operation and shows how the EU must re invent itself if it is to survive He argues that citizens should play a greater role in European decision making that there should be radically more flexibility in the process of integration and that Europe needs to take a new more coherent approach to questions of defence and security In proposing this model for a reset version of Europe Youngs reinvigorates the debate around the future of Europe and puts forward a new agenda for the future of the EU

The Governance Report 2015 The Hertie School of Governance,2015-04-02 The promise of an ever closer union that has guided Europe from the Treaty of Rome to the present time rests on the evolution of democratic governance to meet the many challenges that European communities face Now after years of managing the financial and fiscal crises the European Union has to take stock and focus on the issues that will fundamentally shape its long term prospects The Governance Report 2015 takes an interdisciplinary approach examining what is needed to achieve stability in the Eurozone and the full integration of the European single market how decision making has changed and how crisis management has affected the Union s democratic legitimacy A set of governance indicators will trace how European states have become more alike or more different over time Ultimately the Report seeks answers to the question of what can make Europe succeed fail or muddle through from a governance perspective

Europe's Crisis of Legitimacy Vivien A. Schmidt,2020-05-23 This volume examines the interrelationship between democratic legitimacy at the European level and the ongoing Eurozone crisis that began in 2010 Europe s crisis of legitimacy stems from governing by rules and ruling by numbers in the sovereign debt crisis which played havoc with the eurozone economy while fueling political discontent Using the lens of democratic theory the book assesses the legitimacy of EU governing activities first in terms of their procedural quality throughput by charting EU actors different pathways to legitimacy and then evaluates their policy effectiveness output and political responsiveness input In addition to an engaging and distinctive analysis of Eurozone crisis governance and its impact on democratic legitimacy the book offers a number of theoretical insights into the broader question of the functioning of the EU and supranational governance more generally It concludes with proposals for how to remedy the EU s problems of legitimacy reinvigorate its national democracies and rethink its future

The Impact of European Integration on West European Politics Luca Carrieri,2020-10-27 This book analyses emerging trends in the politicisation of EU conflicts in Western Europe between 2006 and 2019 evaluating the transformative effects arising from multiple crises the Euro crisis the migration crisis and the Brexit Referendum It describes how EU issues have been increasingly emphasised and polarised by various political parties both the mainstream pro EU and anti EU protest parties and have been transformed into more meaningful determinants of voting The respective chapters investigate the fluctuations in EU issue entrepreneurship and EU issue voting identifying which party types have been more likely to benefit from their EU issue proximity to voters and assessing the growing politicisation of the EU conflict in both South European and North Western countries This book will be of particular interest to students and scholars of political

parties European politics Euroscepticism and voting behaviour European Integration in Times of Crisis Demosthenes Ioannou, Patrick Leblond, Arne Niemann, 2017-10-02 Few events over the past few decades have given rise to an amount of debate and speculation concerning the state of the European Union EU and the future of European integration as the economic and financial crisis that began in 2007 In spite of substantial media policy making and academic attention the fundamental questions of why and how the euro area EA has remained not only intact but also expanded and integrated further during the crisis require deeper theoretical investigation One needs to understand not only the economics but also the politics and institutions of the crisis A lack of such an understanding is the reason why a number of observers at least initially had a hard time making sense of policy makers decisions and pace thereof including why the EA did not implode as some predicted Economic theories provide a certain perspective for why the crisis occurred and what economic policies were and are needed to resolve it however they fail to capture the deeper roots and management of the crisis In order to improve our understanding of a discussion that has oscillated between fears of EA disintegration on the one hand and the concrete advancement of integration during the crisis on the other this special collection brings together leading scholars of European integration who apply key theoretical approaches from liberal intergovernmentalism and neofunctionalism to other prominent theoretical accounts that have been applied to European integration such as historical institutionalism critical political economy normative theory and a public opinion approach to the economic and financial crisis The contributions seek to analyse understand and or explain the events that occurred and the re actions to them in order to draw conclusions concerning the applicability and usefulness of their respective theoretical perspectives This book was published as a special issue of the Journal of European Public Policy *Fiscal Consolidation in the Euro Crisis* Kai Guthmann, 2020-09-12 This book sheds new light on if and why between 2009 and 2015 European governments succeeded or failed in initiating and actually realizing some of the farthest reaching austerity plans in modern history The author analyzes the economic and political context and the underlying causes of austerity and economic adjustment packages during the Euro crisis In doing so he shows that austerity has its roots in an institutional mismatch between capitalist diversity in the Eurozone on the one hand and an ill conceived common economic regime on the other In this context austerity trumped politics and even democracy itself The book will appeal to scholars of political science and comparative political economy as well as governmental policymakers and practitioners in the finance sector *National Parliaments after the Lisbon Treaty and the Euro Crisis* Davor Jancic, 2017-04-05 A critical assessment by eminent legal and political science experts in the field this book examines the two key factors which have deeply affected the position of national parliaments in European integration the entry into force of the Lisbon Treaty and the sovereign debt crisis in the Eurozone Structured in three parts the book will address the question Do national parliaments exhibit resilience or resignation in these changed politico legal and socio economic circumstances in the EU Part I investigates the impact of the aforementioned factors against the theoretical concepts of

constitutionalism and democratic legitimacy Part II evaluates the changing nature of parliamentary functions and Part III appraises the evolving relationships between national parliaments and national governments national courts and EU institutions in addition to surveying the emerging patterns of interparliamentary cooperation This interdisciplinary collection yields novel insights into how the deepening of the Economic and Monetary Union and the pursuance of new initiatives for parliamentary action impact the shape and nature of EU democracy The Impact of Populism on European Institutions and Civil Society Carlo Ruzza, Carlo Berti, Paolo Cossarini, 2021-07-30 What is the impact of populism on the EU How did the EU institutions and civil society react to the recent rise of populist parties To answer such relevant questions and understand populism in terms of ideas political outcomes and social dynamics academia needs to engage with institutional actors civil society organizations and policy makers By bringing together academics members of European institutions and agencies and leaders of civil society organizations this edited volume bridges the gap between research and practice It explores how populism impacted on European institutions and civil society and investigates their reactions and strategies to overcome the challenges posed by populists This collection is organized into three main sections i e general European governance European Parliament and Commission European organized civil society Overall the volume unveils how the populist threat was perceived within the EU institutions and NGOs and discusses the strategies they devised to react and how these were implemented in institutional and public communication The Impact of the Economic Crisis on European Environmental Policy Charlotte Burns, Paul Tobin, Sebastian Sewerin, 2019 This collection brings together leading environmental policy scholars to analyse whether the economic crisis has affected EU environmental policy ambition in Europe Substantive Accountability in Europe's New Economic Governance Mark Dawson, 2023-12-07 The EU has become an increasingly powerful economic actor but we lack research on how EU economic decision makers can be held to account This book argues that the EU suffers from important substantive accountability deficits I e while numerous procedures exist to hold institutions like the Commission and ECB to account there are few mechanisms to contest the merit and impact of economic decisions The book combines detailed empirical research on how accountability practices are evolving across different fields of EU economic governance with a novel conceptual framework to assess where accountability deficits lie and how they might be addressed Combining leading research in law and political science this book will be of interest to scholars with an interest in the questions of accountability and economic governance arising from the budgets central banks and financial institutions of the European Union This title is Open Access

The Top Books of the Year Democratic Politics In A European Union Under Stress The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Democratic Politics In A European Union Under Stress Introduction

In today's digital age, the availability of Democratic Politics In A European Union Under Stress books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Democratic Politics In A European Union Under Stress books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Democratic Politics In A European Union Under Stress books and manuals for download is the cost-saving

aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Democratic Politics In A European Union Under Stress versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Democratic Politics In A European Union Under Stress books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Democratic Politics In A European Union Under Stress books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Democratic Politics In A European Union Under Stress books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Democratic Politics In A European Union Under Stress books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Democratic Politics In A European Union Under Stress books

and manuals for download and embark on your journey of knowledge?

FAQs About Democratic Politics In A European Union Under Stress Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
