## **Demystifying Islam Tackling The Tough Questions:**

*Demystifying Islam* Harris Zafar, 2014 *Demystifying Islam* is a concise guide to what Islam really teaches about provocative topics from the burqa to Shariah law After a short introduction to basic beliefs and practices each chapter boldly tackles a challenging topic about Islam today The book is forthright about issues where Muslims disagree and provides a single engaging source where readers can turn for answers to these important topics *Demystifying Islam* Harris Zafar, 2023-06-14 A welcome correction to the politically tortured conceptions of Islam so prevalent today An important original new examination of Islam Kirkus Reviews Despite heightened interest in the study of the Muslim faith for many people Islam remains shrouded in mystery and confusion What really is Shariah law How is a Muslim to understand Jihad Does Islam oppose Western values such as free speech or freedom of religion What place do women have according to Islam Understanding that this confusion has as much to do with the behavior and words of Muslims as it does with allegations made by anti Islam activists *Demystifying Islam* offers refreshingly bold answers to provocative questions about Islam today Author Harris Zafar lecturer writer teacher and national spokesperson for Ahmadiyya Muslim Community USA is forthright about issues where Muslims disagree and he digs into history through vast research and scholarship to track the origins of differing beliefs From the burqa to the role of Jesus in Islam *Demystifying Islam* is an essential resource and concise guide to understanding the fastest growing religion in the world This book is less of a spiritual introduction than it is a cultural one and an excellent starting point for people navigating interfaith relationships or working to improve understanding and representation in organizations and public discussion Publishers Weekly A significant contribution to the global conversation on peace freedom and justice in a world mystified and threatened by geopolitical and religious tensions Paul Louis Metzger author of *Connecting Christ* **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J.

Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find

the one source accurately and with ease      Islam in America Craig Considine,2019-10-25 A valuable resource for readers interested in the role of Islam in contemporary U S politics and society this first of its kind reference synthesizes Islamic teachings the example of Prophet Muhammad and the vision of the Founding Fathers Islam is the most misunderstood and misrepresented religious tradition in the United States depicted as an oppressive and violent political system and its followers as backward and un American The stereotypes about Islam and Muslims in the U S calls for a new sociological understanding that confronts the menacing bigotry and racism rising in the U S today Through an overview essay chronology and roughly 50 alphabetically arranged entries this reference explores the intersection of Islam Muslims and American national identity The primary focus is contemporary issues and developments relating to Islam in the U S but the entries also incorporate a fuller picture of Islam in general and Muslims worldwide Included are entries on history race and ethnicity interfaith commonalities politics discrimination and hate and national identity The entries cite works for further reading and the book closes with an annotated bibliography of the most important resources      **DEMYSTIFYING ISLAM.** HARRIS. ZAFAR,2015      The Qur'anic Dilemma Abba Hasan,2022-12-01 This book focuses on reconnecting with the lost rich humanitarian content of the Qur an through a hermeneutical investigation of al Khidr s story Through an active engagement with primary and secondary sources the book provides a new analytic reading of this puzzling Qur anic story By reinvestigating the largely overlooked pluralistic message in the Qur an the book debunks an Islamic fundamentalism which often uses the text as a justification for ill informed choices that can be easily seen to drag the Qur anic text in unexpected directions It introduces current academic controversies over proper addressing of critical issues in Islamic heritage and goes beyond mystic romanticization to clarify blind spots in reading al Khidr s story Through rethinking al Khidr s story the book addresses the exegetical classical and modern attempts to reconcile the Qur anic unconditional endorsement of the right to life for everyone regardless of their faith with the perplexing reference to infidelity as a justification for killing found in chapter 18 The Qur anic Dilemma will be of interest to all scholars of Islamic Studies or those interested in Qur anic interpretation Muslim ethics or comparative theology      **Gender** Linda L. Lindsey,2020-12-17 A landmark publication in the social sciences Linda Lindsey s Gender is the most comprehensive textbook to explore gender sociologically as a critical and fundamental dimension of a person s identity interactions development and role and status in society Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race ethnicity culture sexuality class and religion Arriving at a time of enormous social change the new seventh edition extends its rigorous theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result Recent and emerging topics that are investigated include the MeToo and LGBTQ rights movements political misogyny in the Trump era norms of masculinity

marriage and family formation resurgent feminist activism and praxis the gendered workplace and profound consequences of neoliberal globalization Enriching its sociological approach with interdisciplinary insight from feminist biological psychological historical and anthropological perspectives the new edition of Gender provides a balanced and broad approach with readable dynamic content that furthers student understanding both of the importance of gender and how it shapes individual trajectories and social processes in the U S and across the globe Love in a Time of Fear Cassie J. E. H.

Trentaz,2018-08-29 How do we love people who we are afraid of The political climate of the US in recent years has revealed significant divisions in our nation and our neighborhoods divisions often fueled by fear For those who follow a call and commitment to love our neighbors how do we love in the midst of this fear In this book Cassie Trentaz looks that question in the eyes and asks her friends and neighbors in four communities currently facing pressure and often viewed with suspicion immigrants Muslim Americans LGBTQ people and young African American men what feels like love to them and alternatively what does not Trentaz brings their honest heartfelt responses in their own words helping us to know people we might not know and bringing us powerful stories of offerings of love that were received as love as well as stories of good intentions that missed their mark She then offers us tools to help us act on what we hear This book is both an invitation and a toolbox for listening It takes love from a good idea to a concrete force that can speak to our fears reach across divisions and just might heal our world

**The Humanity of Muhammad** Craig Considine,2020-09-01 What makes an American Catholic of Irish and Italian descent one of the leading global voices in admiration of Prophet Muhammad In this overview of Muhammad s life and legacy prominent scholar Craig Considine provides a sociological analysis of Muhammad s teachings and example Considine shows how the Prophet embraced religious pluralism envisioned a civic nation stood for anti racism advocated for seeking knowledge initiated women s rights and followed the Golden Rule Considine sheds light on the side of Prophet Muhammad that is often forgotten in mainstream depictions and media narratives The Humanity of Muhammad is Considine s contribution to the growing body of literature on one of history s most important human beings **Surviving the Cross**

Christopher D. Banks,John S. Knox,2025-01-09 For Christians the crucifixion and resurrection of Jesus Christ are quintessential subjects as Jesus died on the cross and rose on the third day Unfortunately even after reading about the life of Jesus in the Bible and all that he has done and promised to do in the coming age many people choose to dispute the traditional story of Jesus Christ These skeptics have embraced other heterodox theories concerning the crucifixion such as the Swoon Theory which warrant a response Their interpretation whether it be based on genuine unfamiliarity or a lack of belief in who Jesus is cries out for clarification and correction This book seeks to help guide those towards the truth of Scripture that Jesus physically died on the cross and miraculously arose just three days afterward Therefore by investigating the circumstances surrounding the events of the crucifixion detailing what is medically plausible and observing what is historically recorded this book sheds greater light on the truths that Scripture asserts on the resurrection of Christ
