Departure From The Script:

Departure from the Script Jae, 2014-06-30 Aspiring actress Amanda Clark and photographer Michelle Osinski are two women burned by love and not looking to test the fire again And even if they were it certainly wouldn't be with each other Amanda has never been attracted to a butch woman before and Michelle personifies the term butch Having just landed a role on a hot new TV show she's determined to focus on her career and doesn't need any complications in her life After a turbulent breakup with her starlet ex Michelle swore she would never get involved with an actress again Another high maintenance woman is the last thing she wants and her first encounter with Amanda certainly makes her appear the type But after a date that is not a date and some meddling from Amanda's grandmother they both begin to wonder if it's not time for a departure from their usual dating scripts

Scripts People Live Claude Steiner, 2007-12-01 A stimulating and thought provoking guide to help you make productive and autonomous choices toward rewriting your life Los Angeles Times We choose a life script at an early age But you can change its course Whether born into wealth or poverty into nurturing families or damaged abusers fostered by strict parents or careless and undisciplined ones each individual still has a spiritual core that exists independent of the environment and is equally crucial to his or her destiny Countering the fundamental principle of psychiatry which asserts that emotional and mental distress comes from within Claude Steiner believes that people are innately healthy but develop a pattern early in life based upon negative or positive influences of those around them Those influences can rule every detail of our lives until our death Thus children decide however unconsciously whether they will be happy or depressed winners or failures strong or dependent caring or cruel and having decided they spend the rest of their lives making that decision come true For those who choose to live by their negative script the consequences can be disastrous unless they make a conscious decision to change In *Scripts We Live* Steiner tackles the puzzle of human fate He reveals what determines our life scripts and how each person's combination of spirit and circumstance contributes to the final path that life takes And he offers hopeful advice and practical analysis so that we all can rewrite for ourselves more meaningful and fulfilling lives

Games Alcoholics Play Claude M. Steiner, Ph.D., 2011-03-09 The most lucid account of the patterns of problem drinkers ever set down in a book Drawing on soundly tested theories of transactional behavior Dr Steiner describes the three distinct types of alcoholics Drunk and Proud Lush and Wino and their games scripts and rackets Debtor Kick Cops and robbers Plastic Woman Captain Marvel Ain't it awful Schlemiel Look how hard I've tried and others His approach is the single most useful tool for dealing with alcoholism since A A and the Twelve Steps and offers the first real help and hope for problem drinkers and their families

The Discourse of Broadcast News

Martin Montgomery,2007-11-01 In this timely and important study Martin Montgomery unpicks the inside workings of what must still be considered the dominant news medium broadcast news Drawing principally on linguistics but multidisciplinary in its scope *The Discourse of Broadcast News* demonstrates that news programmes are as much about showing as telling as much about ordinary bystanders as about experts and as much about personal testimony as calling politicians to account Using close analysis of the discourse of television and radio news the book reveals how important conventions for presenting news are changing with significant consequences for the ways audiences understand its truthfulness Fully illustrated with examples and including detailed examination of the high profile case of ex BBC journalist Andrew Gilligan *The Discourse of Broadcast News* provides a comprehensive study which will challenge our current assumptions about the news *The Discourse of Broadcast News* will be a key resource for anyone researching the news whether they be students of language and linguistics media studies or communication studies

The Parthian and Early Sasanian Empires

Vesta Sarkhosh Curtis,Michael Alram,Touraj Daryaee,Elizabeth Pendleton,2016-08-30 Although much of the primary information about the Parthian period comes from coins there has been much new research undertaken over the past few decades into wider aspects of both the Parthian and Sassanian Empires including the Arsacid Parthians and their material culture Despite a change of ruling dynasty the two empires were closely connected and cannot be regarded as totally separate entities The continuation of Parthian influence particularly into the early Sasanian period cannot be disputed An historic lack of detailed information arose partly through the relative lack of excavated archaeological sites dating to the Parthian period in Iran and western scholars lack of knowledge of recent excavations and their results that are usually published in Persian coupled with the inevitable difficulties for academic research engendered by the recent political situation in the region Although an attempt has been made by several scholars in the west to place this important Iranian dynasty in its proper cultural context the traditional GrecoRoman influenced approach is still prevalent The present volume presents 15 papers covering various aspects of Parthian and early Sasanian history material culture linguistics and religion which demonstrate a rich surviving heritage and provide many new insights into ideology royal genealogy social organization military tactics linguistic developments and trading contacts

respected in his comprehensive survey of literary excellence Hollywood and the Nazis on the Eve of War Alexis Pogorelskin, 2024-07-25 This book establishes the profound significance of MGM's 1940 film *The Mortal Storm* the first major Hollywood production to depict the plight of Jews in Germany before the Holocaust Based on Phyllis Bottome's best seller also titled *The Mortal Storm* the film was made amidst the bitter debate that occurred between 1938 and 1941 over whether the United States should involve itself in another European war or remain an isolationist country as Charles Lindbergh among others urged In 1941 the film triggered the first hostile Congressional investigation of Hollywood where the studios were accused of allegedly propagandizing for war Lindbergh had secretly urged the Hollywood hearings inspired by his own growing antisemitism as his unpublished diary reveals Hollywood studios in turn regarded the growing European crisis with ambivalence They feared being accused in a film like *The Mortal Storm* of using the movies to represent the fate of Europe's imperiled Jews Louis B Mayer the head of MGM insisted the word Jew be removed from the film and non Aryan be used instead hoping to confuse American audiences about the film's real intent Jimmy Stewart who starred in the film took it on the road to urge American aid to Britain while Lindbergh prepared his own campaign to denounce American Jews for luring the country into war The book reveals how closely Hollywood and politics were entwined on the eve of war It also reveals how closely the plight of Europe's Jews and American antisemitism were entwined at the same time **New York Court of Appeals.
