## **Ephesians Leonard Huneke:**

**Ephesians** Leonard Huneke, 2015-11-23 The main focus of this work is to view Paul's letter to the Ephesians in its entirety to see how each section fits into the total correspondence and to understand the logical sequence of topics. Dividing chapters into groups of 7 Greek sentences produces some surprising topical breaks. Much Bible study and discussion focuses on Bible verses which typically are neither complete sentences in English nor in Greek. Topical units are often viewed to coincide with Bible chapters or with text breaks identified by translator inserted subtitles. The current text of Ephesians is presented in such a way that Greek sentences are easy to recognize. Also topical units have 7 Greek sentences each which happens to produce logical topics. Leonard discovered the pattern of 7's in about 1973 but did not publish. Chiasmus is a balance of words or phrases in which the beginning is balanced by the ending and the middle parts balance each other making patterns like ABBA and ABCCBA. The chiasmi in the present work are all referred to as patterns of 7 ABCDCBA. Chiasmi occur frequently in the Bible both Old Testament and New Testament. Sometimes they disappear in our English translations e.g. John 1:1b reads "and the word was with God and the word was God." The Greek word order is "and the word was with God and God was the word." This pattern of 7 is broken down into 3 areas: beginning with people who live their lives without a clear identity, are in spite of accomplishments never satisfied. Often they feel driven to accomplish more and more. Sometimes these people find relational niches based on their accomplishments but the ties are often weak. People who don't know who they are and lack accomplishments are often prey for all sorts of weird relationships in which they either are victims or victimizers. Ephesians has it right: who I am, what I do, and where I fit, and in the right order. **Ephesians** Leonard Griffith, 1975 Life Lessons from Ephesians Max Lucado, 2018-07-10 OVER 2 MILLION SOLD IN THE LIFE LESSONS SERIES. Is there anything more elegant than a wedding? Candles bathe a chapel in gold. Groomsmen and bridesmaids descend the aisles with bouquets of newness. And the groom stands at the front, longing for that moment his bride will appear and step toward him to start their new life together. In Ephesians Paul reminds us that Jesus is also longing for the day he will be united with the church, his bride, in all her beauty. Paul's letter celebrates the beauty of the church and gives us wonderful examples and overviews of a Christian life. Paul shows us how to walk worthy of Christ as we live our life for God. His focus on the beauty of the church reminds us that through salvation we become a part of God's family, a place where we can experience true belonging. As you read, study, journal, and discuss the book of Ephesians, watch for these key themes that Max will unpack throughout the book. We have many spiritual blessings through Christ. Each believer is gifted through the Spirit of God. Our faith should work its way into all of our relationships. Our spiritual strength comes from God through his Word and our faith. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes an opening reflection on the Bible book you're studying, background information to deepen your understanding of the cultural and historical setting.

An excerpt of the text from the NIV and the NKJV Exploration questions with plenty of room to write your own thoughts and notes Inspirational thoughts from Max as well as a closing takeaway for further reflection The Life Lessons series is ideal for use in both a small group setting or for individual study
