Should you choose to make use of the information without first consulting a doctor you are prescribing for yourself which is your constitutional and divine right. However Felicity Corbin Wheeler takes no responsibility for any possible consequences you may have in following such changes in your diet and lifestyle. You must by law consult qualified medical practitioner before making any health changes. Choose one who understands wellness the immune system and nutrition and is prepared to spend time listening to you. Remember God's ordained our diet in Genesis 1:29 and 30.
