

Democracy In America Democracy In Amer

Alexis de Tocqueville

Democracy In America Democracy In Amer:

Democracy in America Alexis de Tocqueville, 2001 A French aristocrat's account of the ways in which democratic ideals were applied in America during the nineteenth century **Democracy in America** Alexis de Tocqueville, 1898

Democracy in America Alexis de Tocqueville, 2010 In 1831 Alexis de Tocqueville and his friend Gustave de Beaumont visited the United States on behalf of the French government to study American prisons In their nine months in the U S they studied not just the prison system but every aspect of American life public and private the political economic religious cultural and above all social life of the young nation From Tocqueville's copious notes of what he had seen and heard came the classic text *De la Démocratie en Amérique* published in two large volumes the first in 1835 the second in 1840 The first volume focused primarily on political society the second on civil society Tocqueville's account of the travels and adventures of the two Frenchmen aimed to get down the truth about America not only to praise the new country's strengths but also to critique its shortcomings when these were all too evident to outside eyes [Alexis de Tocqueville: Democracy in America \(LOA #147\)](#) Alexis de Tocqueville, 2004-02-09 An exclusive new translation of the most perceptive and influential book ever written about American politics and society the bible on democracy The Texas Observer This Library of America volume presents de Tocqueville's masterpiece in an entirely new translation the first to fully capture his style and provide a rigorous faithful rendering of his profound ideas and observations Alexis de Tocqueville a young aristocratic French lawyer came to the United States in 1831 to study its penitentiary systems His nine month visit and subsequent reading and reflection resulted in this landmark masterpiece of political observation and analysis In *Democracy in America* Tocqueville vividly describes the unprecedented social equality he found in America and explores its implications for European society in the emerging modern era His book provides enduring insight into the political consequences of widespread property ownership the potential dangers to liberty inherent in majority rule the vital role of religion in American life and the importance of civil institutions in an individualistic culture dominated by the pursuit of material self interest He also probes the deep differences between the free and slave states writing prophetically of racism bigotry and prejudice in the United States Brought to life by Arthur Goldhammer's clear fluid and vigorous translation this volume of *Democracy in America* is the first to fully capture Tocqueville's achievements both as an accomplished literary stylist and as a profound political thinker **Democracy In America: Volume I & II** Alexis de Tocqueville, 2014-12-16 Over the course of nine months in 1831 Alexis de Tocqueville a French political thinker accompanied by Gustave de Beaumont travelled the United States under the pretext of studying the American prison system Over the course of his travels Tocqueville also studied American society religion politics and economics undertaking what would become one of the most comprehensive studies to that time of the practice of democracy in the United States First published in 1835 *Democracy in America* continues to be considered one of the foundational works of political science *Democracy in America* Volumes I and II includes both volumes of de Tocqueville's influential work Volume

I explores the factors that contributed to the success of democracy in the United States as well as the possible future of democracy in light of the unique religion and socio economic factors that existed in the United States at that time Volume II continues Tocqueville s exploration of the nature of democracy in the United States including an analysis of American civil society HarperTorch brings great works of non fiction and the dramatic arts to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperTorch collection to build your digital library

Democracy in America? Benjamin I. Page,Martin Gilens,2020-04-02 Important and riveting The solution isn t to redistribute wealth from the have mores to the have lesses It s to redistribute political power to everyone Robert B Reich America faces daunting problems stagnant wages high health care costs neglected schools deteriorating public services How did we get here Through decades of dysfunctional government In Democracy in America veteran political observers Benjamin I Page and Martin Gilens marshal an unprecedented array of evidence to show that while other countries have responded to a rapidly changing economy by helping people who ve been left behind the United States has failed to do so Instead we have actually exacerbated inequality enriching corporations and the wealthy while leaving ordinary citizens to fend for themselves What s the solution More democracy More opportunities for citizens to shape what their government does To repair our democracy Page and Gilens argue we must change the way we choose candidates and conduct our elections reform our governing institutions and curb the power of money in politics By doing so we can reduce polarization and gridlock address pressing challenges and enact policies that truly reflect the interests of average Americans Updated with new information this book lays out a set of proposals that would boost citizen participation curb the power of money and democratize the House and Senate Brilliant indispensable and highly accessible New York Journal of Books

Democracy in America Alexis de Tocqueville,2005-05 Democracy in America (Collector's Edition) (Laminated Hardback with Jacket) Alexis de Tocqueville,2024-12-03 This insightful work examines America s democratic spirit highlighting the powerful complex influence of equality and freedom on its institutions society and civic life

Reconsidering Tocqueville's Democracy in America Abraham Seldin Eisenstadt,1988 *Democracy in America* Alexis de Tocqueville,2017-03-20 De La D mocratie en Am rique published in two volumes the first in 1835 and the second in 1840 is a classic French text by Alexis de Tocqueville Its title translates as On Democracy in America but English translations are usually simply entitled Democracy in America In the book Tocqueville examines the democratic revolution that he believed had been occurring over the previous seven hundred years

Democracy in America (100 Copy Collector's Edition) Alexis de Tocqueville,2020-08-17 Democracy in America examines the democratic revolution Tocqueville believed had been occurring over the previous several hundred years The primary focus of the book is an analysis of why republican representative democracy has succeeded in the United States while failing in so many other places Tocqueville seeks to apply the functional aspects of democracy in the United States to what he sees as the failings of democracy in his native France

Democracy in America was published in two volumes the first in 1835 and the other in 1840 It was immediately popular in both Europe and the United States while also having a profound impact on the French population By the twentieth century it had become a classic work of political science social science and history It is a commonly assigned reading for students at American universities majoring in the political or social sciences and part of the introductory political theory syllabus at Cambridge Oxford Princeton and other institutions This cloth bound book includes a Victorian inspired dust jacket and is limited to 100 copies **Democracy in America** Alexis de Tocqueville,1956-02-01 Tocqueville s monumental book is as relevant today as when it was first published in the mid nineteenth century and it remains the most comprehensive penetrating and astute picture of American life politics and morals ever written whether by an American or as in this case a foreign visitor This special edition contains the entire two volumes of Democracy in America based on the second revised and corrected text of the 1961 French edition meticulously edited by the distinguished Tocqueville scholar J P Mayer

Democracy in America - Volume 2 Alexis De Tocqueville,2013-05-31 This antiquarian book contains the second volume of Alexis de Tocqueville s seminal book Democracy in America Within this text Tocqueville analyses the living standards and social conditions of individuals and in particular their connection to the market and state in Western societies Democracy in America was published subsequent to Tocqueville s travels in the United States and is considered an early work of sociology and political science The chapters of this book include How the Americans Combat Individualism by the Principle of Self Interest Rightly Understood That The Americans Apply The Principle of Self Interest Rightly Understood to Religious Matters Of the Taste for Physical Well Being in America etcetera We are republishing this vintage book now in an affordable modern edition complete with a specially commissioned new biography of the author **Downsizing Democracy** Matthew A. Crenson,Benjamin Ginsberg,2020-03-03 Originally published in 2002 In Downsizing Democracy Matthew A Crenson and Benjamin Ginsberg describe how the once powerful idea of a collective citizenry has given way to a concept of personal autonomous democracy Today political change is effected through litigation lobbying and term limits rather than active participation in the political process resulting in narrow special interest groups dominating state and federal decision making At a time when an American s investment in the democratic process has largely been reduced to an annual contribution to a political party or organization Downsizing Democracy offers a critical reassessment of American democracy *On Capitalism* ,2007-07-12 This important interdisciplinary work suggests a number of economic as well as sociological reasons why modern capitalism is such a uniquely dynamic force **On Tocqueville** Alan Ryan,2014-08-12 Tocqueville s gifts as an observer and commentator on American life and democracy are brought to vivid life in this splendid volume In On Tocqueville Alan Ryan brilliantly illuminates the observations of the French sociologist Alexis de Tocqueville who first journeyed to the United States in 1831 and went on to catalog the unique features of the American social contract in his two volume masterpiece Democracy in America Often thought of as the father of American Exceptionalism Tocqueville sought to

observe the social conditions of emerging political equality in America a river that may be channeled but cannot be stopped in its course In choosing America he posed a central question of how a moderate stable and constitutional government is to be maintained in the wake of a revolution As a dispassionate visitor Tocqueville wanted to discover the social moral and economic arrangements that made liberty and self government possible In doing so Tocqueville made a number of prescient observations about American life whether it be the contrast between equality and liberty or Americans belief that they all belong to the middle class that remain as relevant today as when they were first written While Tocqueville is often praised by both conservatives and liberals either for his distrust of big government and fondness for decentralized power or for his concern with association and community both tend to overlook his contempt for the coarse appearance of the individual members of Congress as well as his enthusiasm for the brutal nature of our prison system Alan Ryan examines the often complicated and elusive Democracy in America tracing the influence of writers such as Rousseau Montesquieu and Guizot and explaining Tocqueville s original conceptions of equality and individualism within their historical context In Ryan s hands On Tocqueville becomes the perfect introduction and guide to Democracy in America On Tocqueville Democracy and America features a chronology of Alexis de Tocqueville s life an introduction and text by Alan Ryan that provides crucial context and cogent analysis key excerpts from Democracy in America *Alexis de Tocqueville* Alan S. Kahan,2010-01-01

Democracy in America Alexis de Tocqueville,Phillips Bradley,1976 *Democracy's Spectacle* Jennifer Greiman,2011-01-03 What is the hangman but a servant of law And what is that law but an expression of public opinion And if public opinion be brutal and thou a component part thereof art thou not the hangman s accomplice Writing in 1842 Lydia Maria Child articulates a crisis in the relationship of democracy to sovereign power that continues to occupy political theory today Is sovereignty with its reliance on singular and exceptional power fundamentally inimical to democracy Or might a more fully realized democracy distribute share and popularize sovereignty thus blunting its exceptional character and its basic violence In Democracy s Spectacle Jennifer Greiman looks to an earlier moment in the history of American democracy s vexed interpretation of sovereignty to argue that such questions about the popularization of sovereign power shaped debates about political belonging and public life in the antebellum United States In an emergent democracy that was also an expansionist slave society Greiman argues the problems that sovereignty posed were less concerned with a singular and exceptional power lodged in the state than with a power over life and death that involved all Americans intimately Drawing on Alexis de Tocqueville s analysis of the sovereignty of the people in Democracy in America along with work by Gustave de Beaumont Lydia Maria Child Nathaniel Hawthorne and Herman Melville Greiman tracks the crises of sovereign power as it migrates out of the state to become a constitutive feature of the public sphere Greiman brings together literature and political theory as well as materials on antebellum performance culture antislavery activism and penitentiary reform to argue that the antebellum public sphere transformed by its empowerment emerges as a spectacle with investments in both

punishment and entertainment
