Democracy In Iran The Theories Concepts And Practices Of Democracy:

Theorising Democide M. Chou, 2013-04-23 Beginning with the premise that democracies are often deeply implicated in their own downfall The Theory of Democide challenges the conventional view of how and why democracies collapse by demonstrating that democratic collapse is often a direct result of the inherent logic of democracy itself **The Conception**

of Citizen Knowledge in Democratic Theory L. Rapeli, 2013-11-28 What according to democratic theorists should the ordinary citizen know about politics What does several decades of empirical research about citizens political knowledge tell us And why should we care This book offers a comprehensive outline of the vast literature on political knowledge and by providing an analytical framework for its studying **Hong Kong's Indigenous Democracy** Sonny Shiu Hing

Lo, 2016-04-29 This book is a unique contribution to the study of democratization in Hong Kong with chapters including the legal tradition in Hong Kong the features of Hong Kong's indigenous democracy the 2014 Umbrella Movement and the evolution of the Chief Executive election *Evolutionary Basic Democracy* J. Gagnon, 2013-05-23 No one in this world truly

understands what democracy means We operate democracy only through best guesses This uncertainty has caused and continues to cause significant political troubles This book offers a way forward It provides a new tool that will allow us to understand democracy for the entire planet and all of humanity Democracy in Iran R. Jahanbegloo, 2013-04-17

Democratic government is something that has eluded Iran despite a series of non violent revolutions aimed at establishing a system of governance that would promote both public freedom and political accountability This explores the obstacles to the growth of democracy in Iran and posits a plan for non violent action to help Iranians achieve it **Civil Society and**

Democracy in Iran Ramin Jahanbegloo, 2011-12-30 In this timely informative edited volume major Iranian scholars and civic actors address some of the most pressing questions about Iranian civil society and the process of democratization in Iran They describe the role of Iranian civil society in the process of transition to democracy in Iran and offer insight about the enduring legacy of previous social and political movements starting with the Constitutional Revolution of 1906 in the struggle for democracy in Iran Each contributor looks at different aspects of Iranian civil society to address the complex nature of the political order in Iran and the possibilities for secularization and democratization of the Iranian government Various contributors analyze the impact of religion on prevailing democratic thought discussing reformist religious movements and thinkers and the demands of religious minorities Others provide insight into the democratic implications of recent Iranian women's rights movements call for secularism within government and the pressure placed on the existing theocracy by the working class The contributors address these and related issues in all their richness and complexity and offer a set of discussions that is both accessible and illuminating for the reader **Digitalisation and Public Policy in Africa** Gedion

Onyango, Geci Karuri-Sebina, 2025-02-07 This book examines the ways in which government owned technologies GovTechs and technologies owned by civil society organisations CivicTechs can be integrated into policy processes to enhance

interactions between citizens and governments and ensure effective efficient and accountable public service delivery It takes stock of current technological innovations and assesses the ways in which they can be aligned with GovTechs and CivicTechs to improve African governments capacities in public policy and governance processes The first part of the book traces the emergence of digital technologies in public administration and assesses their benefits and challenges especially in the Global South The following chapters present case studies from across Africa and various policy sectors to show how GovTechs and CivicTechs operate They demonstrate how digital platforms can be used to protect data enhance democracy improve food systems and reduce corruption The book will appeal to all those interested in public policy public administration emerging technologies and African politics *The Iranian Political Language* Yadullah Shahibzadeh,2015-10-14 In this detailed study of modern Iran Yadullah Shahibzadeh examines changes in people s understanding of politics and democracy The book aims to overcome the shortcomings of traditional historiography by challenging the monopoly of intellectuals perspectives and demonstrating the intellectual and political agency of the ordinary people *Iran's Green Movement* Navid Pourmokhtari,2021-05-26 This book examines the emergence and development of the 2009 Green Movement in Iran The approach emphasizes the context and the local and historical specificities in which mass oppositional movements arise develop and conduct their operations Meanwhile it foregrounds an account of multiple modernities that work to transcend modernist assumptions The volume describes and analyzes the power modalities disciplinary biopolitical and sovereign employed by the Islamic Republic to governmentalize the masses Bearing a triangular methodology the book consists of six semi structured interviews with authorities and activists who participated in the pivotal events of that period discourse analysis focusing on the Iranian constitution and the relevant government policy documents and speeches and archival analysis These provide the historical background perspectives and insights required to analyze and explicate the conditions responsible for the emergence of the Green Movement and to grasp how collective action was enabled and organized Marking a particular historical phase in the development of a home grown democracy in post revolutionary Iran the Green Movement is transforming the country s political landscape This book is a key resource to students and scholars interested in comparative politics Iranian studies and the Middle East *Perspectives in Waging Conflicts Constructively* Bruce W.
