## **Democrats Do The Dumbest Things:**

**Democrats do the Dumbest Things** Bill Crawford, 2011-04-01 If you think you've heard every dumb thing they've said or done think again. Outrageous, indulgent and downright dumb. That's right, we're talking about the words and deeds committed by politicians, our favorite and least favorite people in the whole world. In this hilarious collection, it's the Democrats who step up to the mike, open their mouths and insert their collective feet. Democrats do the dumbest things. Just ask any Republican who might wonder how Senator Ted Kennedy, whose legacy may have as much to do with his partying as with his party affiliation, kept his pants on long enough to serve the public. When Ted was photographed atop a twenty-two year old woman on a speed boat, a fellow senator quipped, "Well, Teddy, I see you've changed your position on offshore drilling." You'll howl with laughter and wince in pain at the misguided actions, bizarre statements and embarrassing moments of notable Democrats including Hillary Clinton, Jimmy Carter, Rev. Al B. Sharpton, Ed Koch, Gary Hart, Rev. Jesse Jackson, Jerry Brown, Lyndon Johnson, and of course Bill Clinton. Find out the latest from the presidential campaign 2000, namely what are Al Gore and local Democratic loonies doing to keep the dumb hall of fame from running out of members. Highlights include: After the Chicago Bulls won their sixth NBA championship in 1998, Vice President Al Gore gushed, "I tell you that Michael Jackson is unbelievable." Isn't he? John F. Kennedy had this to say about aging: "There are two naked girls in the room, but I'm sitting here reading The Wall Street Journal." Does that mean I'm getting old? Washington, D.C. mayor Marion Barry once said, "Outside of the killing, we have one of the lowest crime rates in the country." These funny, edgy examinations of crazy political antics are sure to be as controversial as they are entertaining. Democrats will hate them, Republicans will love them. And everyone will want to read more.

**Republicans Do the Dumbest Things** Bill Crawford, 2000-05-05 Bill Crawford follows up his hit books *Rock Stars do the Dumbest Things* and *Movie Stars do the Dumbest Things* with a volume that reinforces what we've known all along: Republicans do the Dumbest Things. From George Bush barfing on the Japanese prime minister to Ronald Reagan's announcement of nuclear war, *Republicans do the Dumbest Things* is the first book to celebrate and catalogue the hilarious heritage of the GOP. This collection includes all the misguided actions, bizarre statements and embarrassing moments of notable GOP members including Bob Dole, Helen Chenoweth, Pat Buchanan, George W. Bush, David Duke, Gerald Ford, Ronald Reagan, Rudolph Giuliani, Jesse Helms, Strom Thurmond, Richard Nixon, and Dan Quayle. *Republicans do the Dumbest Things* is the perfect book for Election 2000, a funny, edgy examination of Republican antics, this is sure to be as controversial as it is entertaining. Democrats will love it, Republicans will hate it. And everyone will want it.

**The World According To Al Gore** Joseph Kaufmann, 2005-06-25 For many years Al Gore has been an influential figure in national politics. **Political Consultants and Campaigns** Jason Johnson, 2018-04-19 Political Consultants and Campaigns One Day to Sell examines the differences between how political science theory suggests campaigns should be run and how political consultants actually run campaigns

In the wake of consultants who effortlessly move from campaigners to policymakers the dearth of knowledge about the attitudes beliefs and strategies of the consultants themselves is still a glaring absence in the analysis of American politics How can we purport to know what is happening in American political campaigns if we don't know what is on the minds of the men and women who run them This book provides a clearer understanding of modern day political campaigns by revealing what is on the minds of the people who run them With original data from consultants campaign managers and professional campaign schools author Jason Johnson examines consultant behavior on message formation policy positioning candidate recruitment Internet strategy and negative advertising and compares these practices to existing political science theory This groundbreaking research makes *Political Consultants and Campaigns One Day to Sell* a must have resource for all students of American politics campaign managers or anyone interested in how political campaigns in America are run

*White Power* Terol, 2022-08-30 In his provocative new memoir Terol recounts the racist history of the United States of America interrogating the fraught socio political climate of the last eighty years Beginning with his parents in 1943 and exploring his own experiences during the Vietnam War Terol exposes the seeds of racism inherent to the American state and the ongoing influence of racism on foreign policy and military expansionism Oscillating between America's domestic and foreign affairs Terol demonstrates the interconnectedness between injustice at home and abroad In an impressive survey of post war history Terol shows the continued importance of race as a tool for mobilizing the populace to divest itself of its racist past His memoirs serve as poignant evidence that mythologizing present
