Demons are Subject To Us Isidore Agoha, 2007-01-30 This religious and spiritual self help guide is a systematic exposition of biblical demonology to help readers understand demonic possession and the ministry of deliverance Moving Jesus Beyond the Pulpit Dr. Sunday J. I. Etsekhume, 2014-05-29 Moving Jesus beyond the Pulpit Doing It the Community Way Can Help Church Growth describes the challenges facing Christianity and the church Although these challenges are very significant they help to boost the efforts of the present disciples of Christ to be good ambassadors to the world What prompted the writing of this book is that author Sunday J I Etsekhume clamored for a dramatic change in the way some churches do outreach Some churches only prefer to do outreach from the pulpit but ignored the practice in the community where they are situated The book also describes various ways in which the church can show love and care which indicates the various ways that can portray the church healthiness For I was hungry and you gave Me food I was thirsty and you gave Me drink I was a stranger and you took Me in I was naked and you clothed Me I was sick and you visited Me I was in prison and you came to Me Matthew 25 35 36 The book also argues against the idea that church leaders would not compromise their positions as spiritual leaders due to financial insufficiencies in order to become fleshly leaders The arguments further center on how the church can do evangelism without jeopardizing church principles and some of the Christian rules of conduct Finally the book focuses on the pulpit where sermons are preached without the preachers practicing what they preached hypocrisy Dr Etsekhume has written an insightful thoughtful and thought provoking rationale for getting back to basics in terms of the way the Church approaches ministry Moving from pulpit to pew from leadership to follow ship and from minister to member Dr Etsekhume identifies the spiritual organizational and interpersonal challenges facing the Church and recommends Scriptural principles for addressing them By turns compassionate and passionate Moving Jesus Beyond the Pulpit is a wonderful reminder of the restorative renewing and revitalizing power of Christ both in the congregation and in the community at large Minister Sonja A West Associate Minister Mariners Temple Baptist Church New York NY Dr Sunday Etsekhume analyzes some of the issues that address the Church both from inside the institutional church and issues in the context that hinder the mission of the Church In this book one finds thoughtful and pragmatic methods for addressing some of the problems of the church and the larger community Moving Jesus Beyond the Pulpit is an important work that will be beneficial both to the church and the academy I highly recommend this work Dr Cleotha Robertson Ph D Assistant Professor Department of Old Testament at Alliance Theological Seminary New York City and the Senior Pastor Sound View Presbyterian Church Bronx New York **POWER OVER ALL DEVILS AND EVIL** GODSWORD GODSWILL ONU,

softcover from Hendrickson *Why Do the Nations Rage?* David A. Ritchie, 2021-12-28 What if we understood nationalism as a religion instead of an ideology What if nationalism is more spiritual than it is political Several Christian thinkers have rightly recognized nationalism as a form of idolatry However in *Why Do the Nations Rage* David A Ritchie argues that nationalism is inherently demonic as well Through an interdisciplinary analysis of scholarship on nationalism and the biblical theology behind Paul s doctrine of powers Ritchie uncovers how the impulse behind nationalism is as ancient as the tower of Babel and as demonic as the worship of Baal Moreover when compared to Christianity Ritchie shows that nationalism is best understood as a rival religion that bears its own distinctive and demonically inspired false gospel which seeks to both imitate and distort the Christian gospel *Feasting on the Gospels--Luke, Volume 1* Cynthia A.
