

A photograph of a protest or demonstration. In the foreground, several large red flags are being held up by people, partially obscuring the view. The background features a multi-story red brick building with many windows. The sky is blue with some clouds. The word "DEMOS" is written in large, bold, white letters across the bottom of the image. The name "GEORGE GISSING" is written in a smaller, gold, serif font at the top of the image.

Demos George Gissing,1897      **Demos; A Story of English Socialism, by George Gissing** George Gissing,1897

Demos George Gissing,2014-04-10 Stanbury Hill remote but two hours walk from a region blasted with mine and factory and furnace shelters with its western slope a fair green valley a land of meadows and orchard untouched by poisonous breath At its foot lies the village of Wanley The opposite side of the hollow is clad with native wood skirting for more than a mile the bank of a shallow stream a tributary of the Severn Wanley consists in the main of one long street the houses are stone built with mullioned windows here and there showing a picturesque gable or a quaint old chimney The oldest buildings are four cottages which stand at the end of the street once upon a time they formed the country residence of the abbots of Belwick The abbey of that name still claims for its ruined self a portion of earth s surface but as it had the misfortune to be erected above the thickest coal seam in England its walls are blackened with the fume of collieries and shaken by the strain of mighty engines Climb Stanbury Hill at nightfall and looking eastward you behold far off a dusky ruddiness in the sky like the last of an angry sunset with a glass you can catch glimpses of little tongues of flame leaping and quivering on the horizon That is Belwick The good abbots who were wont to come out in the summer time to Wanley would be at a loss to recognise their consecrated home in those sooty relics Belwick with its hundred and fifty fire vomiting blast furnaces would to their eyes more nearly resemble a certain igneous realm of which they thought much in their sojourn upon earth and which we may assure ourselves they dream not of in the quietness of their last long sleep      **Demos Illustrated** George Gissing,2020-11-17 Reproduction of the original *Demos* by George Gissing      *Demos* George George Gissing,Editorial International,2015-05-13 It tells the story of a young lower class Radical working man Richard Mutimer who unexpectedly inherits a large fortune He becomes the leader of a socialist movement and decides to use his inheritance to set up a cooperative factory However his new wealth and power serve to highlight the defects of character that he brings from his working class origin and he begins to treat his workers harshly as well as abandoning the girl of his own station to whom he had been engaged Later in life Mutimer marries an upper middle class woman who does not love him and stands for Parliament However his downfall begins when his wife Adela finds a later version of the will that had enriched Mutimer As this could deprive him of his inheritance he wants to destroy it but Adela will not permit this and the money goes to the rightful heir The cooperative factory is shut down and the couple move to London to live in relative poverty Mutimer starts another populist movement but is killed by a stone thrown at him by a demonstrator during a meeting at which his followers turn against him      Demos George Gissing,2016-05-02 *Demos* A Story of English Socialism is a novel by the English author George Gissing It was written between late 1885 and March 1886 and first published in April 1886 It tells the story of a young lower class Radical working man Richard Mutimer who unexpectedly inherits a large fortune He becomes the leader of a socialist movement and decides to use his inheritance to set up a cooperative factory However his new wealth and power

serve to highlight the defects of character that he brings from his working class origin and he begins to treat his workers harshly as well as abandoning the girl of his own station to whom he had been engaged Later in life Mutimer marries an upper middle class woman who does not love him and stands for Parliament However his downfall begins when his wife Adela finds a later version of the will that had enriched Mutimer As this could deprive him of his inheritance he wants to destroy it but Adela will not permit this and the money goes to the rightful heir The cooperative factory is shut down and the couple move to London to live in relative poverty Mutimer starts another populist movement but is killed by a stone thrown at him by a demonstrator during a meeting at which his followers turn against him **Demos by George Gissing, Fiction,**
