The Army will replace the Army Physical Fitness Test (APFT) with the Army Combat Fitness Test (ACFT) as the physical fitness test of record beginning in FY21. To accomplish this, the ACFT will be implemented in three phases. Phase 1: Initial Operating Capability (IOC) includes a limited user Field Test with approximately 60 battalion-sized units from across all components of the Army. While the ACFT is backed by thorough scientific research and has undergone several revisions, there are still details that have not been finalized. The ACFT requires a testing site with a two-mile run course and a flat field space approximately 40 x 40 meters. The field space should be grass, well-maintained, and cut, or artificial turf that is generally flat and free of debris. While maintaining testing standards and requirements, commanders will make adjustments.

Subcommittee on Department of Defense,2010 Department of Defense Appropriations United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,2003 Enduring the Freedom Sean M. Maloney,2014-05-14 Within hours of the September 11 attacks Sean M Maloney deciphered that Osama bin Laden and al Qaeda were the aggressors behind the despicable act A war in Afghanistan then was inevitable As a military historian Maloney was determined to go there to study and record the events for posterity if for no other reason than the education of his future students at Canada s Royal Military College What resulted is an in depth and up close look at the planning stages deployment and aftermath of Operation Enduring Freedom in Afghanistan In Enduring the Freedom Maloney presents a rare on the spot view from such important locations as Kabul Bagram and Kandahar He describes the American led intervention in Afghanistan and the conduct of the war through early 2003 then discusses the events of 2003 from the three locales in detail Some critics contend that the war in Afghanistan is another Vietnam Maloney rebuts that appraisal pointing out that as opposed to the vague language of the Vietnam era American objectives were clearly stated for Afghanistan Those objectives were to destroy al Qaeda s networks training camps resources and communication systems to destroy any governmental entity providing support or sanctuary to al Qaeda and to undertake reconstruction efforts to ensure international terrorists can never again use the country as a base The first objective has more or less been achieved How to accomplish the last two is still widely debated and Maloney offers some insightful thoughts and opinions Finally he offers educated advice going forward in the hopeful completion of Operation Enduring Freedom Department of Defense Appropriations for Fiscal Year 2004 United States. Hanagan,2019-09-01 When the North Atlantic Treaty Organization NATO became involved in security operations during the War in Afghanistan it faced a range of complex challenges including a highly motivated Afghan insurgency that changed over time and repeatedly defied assumptions Conflicts within NATO also posed challenges The alliance brought together a quarter of the world s nations each with its own goals and interests in an effort to stabilize an agrarian country that posed no immediate security threat For more than a decade through changes in leadership and strategy the nations experienced bitter disagreements resentments and a conflict that escalated to a level of violence and uncertainty few had anticipated In NATO in the Crucible Deborah Lynn Hanagan

analyzes these challenges and explains how the alliance maintained cohesion despite them She examines why NATO succeeded in Afghanistan when history suggests most coalitions fracture under such intense pressure In the end she argues member nations summoned the political will and organizational capacity to cooperate and endure And they agreed above all that failure in Afghanistan would be catastrophic both for NATO and for the world Armor ,2011 Czech Approach toward Counterinsurgency Iveta Hlouchová,2018-01-01 Tato kniha poskytuje nov vhléd do problematiky asti esk republiky na mnohon rodn ch operac ch veden ch NATO v zahrani pl nov n obrann politiky a potenci lu jak m R disponuje pro poskytov n p sp vk do takov ch operac S vyu it m kvalitativn anal zy rozhovor s civiln mi a vojensk mi experty dopln n o obsahov anal zy relevantn ch politick ch a vojensk ch dokument autorka zkoum hlavn charakteristiky specifick atributy stejn jako probl my se kter mi se R doposud musela vypo dat b hem adaptace na nov bezpe nostn prost ed ve 21 stolet Kniha p edstavuje v bec prvn p padovou studii implementace protipovstaleck doktr ny NATO st tem kter nen supervelmoc v geopolitick m ekonomick m nebo vojensk m smyslu slova a kter m pouze omezen p m zku enosti s um n m zen konflikt kter mu dnes k me protipovstalectv
