Snow-Storm in August Jefferson Morley,2012-07-03 A gripping narrative history of the explosive events that drew together Francis Scott Key Andrew Jackson and an 18 year old slave on trial for attempted murder In 1835 the city of Washington pulsed with change As newly freed African Americans from the South poured in free blacks outnumbered slaves for the first time Radical notions of abolishing slavery circulated on the city s streets and white residents were forced to confront new ideas of what the nation s future might look like On the night of August 4th Arthur Bowen an eighteen year old slave stumbled into the bedroom where his owner Anna Thornton slept He had an ax in the crook of his arm An alarm was raised and he ran away Word of the incident spread rapidly and within days Washington s first race riot exploded as whites fearing a slave rebellion attacked the property of the free blacks Residents dubbed the event the Snow Storm in reference to the central role of Beverly Snow a flamboyant former slave turned successful restaurateur who became the target of the mob s rage In the wake of the riot came two sensational criminal trials that gripped the city Prosecuting both cases was none other than Francis Scott Key a politically ambitious attorney famous for writing the lyrics to The Star Spangled Banner who few now remember served as the city s district attorney for eight years Key defended slavery until the twilight s last gleaming and pandered to racial fears by seeking capital punishment for Arthur Bowen But in a surprise twist his prosecution was thwarted by Arthur s ostensible victim Anna Thornton a respected socialite who sought the help of President Andrew Jackson Ranging beyond the familiar confines of the White House and the Capitol Snow Storm in August delivers readers into an unknown chapter of American history with a textured and absorbing account of the racial secrets and contradictions that coursed beneath the freewheeling capital of a rising world power Snow Storm in August is the sort of book I most love to read history so fresh it feels alive yet introducing me to a time and place that I had little known or utterly misunderstood
