Representations of Femininity in American Genre Cinema David Greven,2011-04-25 The theme of female transformation informs the Hollywood representation of femininity from the studio era to the present Whether it occurs physically emotionally or on some other level transformation allows female protagonists to negotiate their own complex desires and to resist the compulsory marriage plot A sweeping study of Hollywood from *Now Voyager* *The Heiress* and *Flamingo Road* to *Carrie* the *Alien* films *The Brave One* and the slasher horror genre this book boldly unsettles commonplace understandings of genre film female sexuality and Freudian theory as it makes a strong new case for the queer relevance of female representation **She Damn Near Ran the Studio** Jacqueline R. Braitman,2020-10-19 Best known as the woman who ran MGM Ida R Koverman 1876 1954 served as talent scout mentor executive secretary and confidant to American movie mogul Louis B Mayer for twenty five years *She Damn Near Ran the Studio* *The Extraordinary Lives of Ida R Koverman* is the first

full account of Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era. For nearly a century Koverman's legacy has largely rested on a mythical narrative while her more fascinating true life story has remained an enduring mystery until now. This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York where she created a new identity and became a leader among a community of women. Her second incarnation came in California where she established herself as a hardcore political operative challenging the state's progressive impulse. During the Roaring Twenties she was a key architect of the Southland's conservative female-centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House. As the political boss of Los Angeles County she was the premiere matchmaker in the courtship between Hollywood and national partisan politics which as Mayer's executive secretary was epitomized by her third incarnation as one of the most formidable women in Hollywood whose unparalleled power emanated from her unique perch inside the executive suite of Metro Goldwyn Mayer. Free to adapt her managerial skills and political know-how on behalf of the studio she quickly drew upon her artistic sensibilities as a talent scout expanding MGM's catalog of stars and her own influence on American popular culture. Recognized as one of the invisible power centers in both MGM and the city of Los Angeles she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them. As the lioness of MGM royalty Ida Koverman was not just a naturalized citizen of the Hollywood kingdom at times during her long reign she damn near ran the studio.

From Los Angeles Times bestselling author Mallory O'Meara the exhilarating story of America's first professional stuntwoman Helen Gibson who worked during a time when women ruled Hollywood. Helen Gibson was willing to do anything to give audiences a thrill. Advertised as The Most Daring Actress in Pictures Helen emerged in the early days of the twentieth-century silent film scene as a rodeo rider producer performer and stunt double for iconic stars of the era. Her exploits were as dangerous as they were glamorous featured in hundreds of films and serials yet her legacy was quickly overshadowed by the increasingly hypermasculine and male-dominated evolution of action films in the decades that would follow her. In this fast-paced and feminist biography award-winning author Mallory O'Meara presents Helen's life and career in exhilarating detail including Helen's rise to fame in *The Hazards of Helen* the longest running serial in history. How Helen became the first ever stuntwoman in American film. The pivotal and overlooked role of Helen's contemporaries including female directors stars and stuntwomen who shaped the making of narrative film. Through the page-turning story of Helen's pioneering legacy Mallory O'Meara gives readers a glimpse of the Golden Age of Hollywood that could have been an industry where women call the shots.

I'd Just As Soon Kiss a Wookiee Greg Carter, 2025

In a dedicated study of the Star Wars trilogies spanning from 1977 to 2019 Greg Carter contextualizes the popular franchise and its fandom through a critical mixed-race studies framework. The project primarily examines the five-decade Star Wars phenomenon historically since as Carter states the films mirror the

dominant beliefs in American society Just as many have assumed the movies lack racial issues some have claimed that the United States has reached a post racial state where racial difference is irrelevant I d Just as Soon Kiss a Wookiee applies theoretical frameworks posited by Stuart Hall and bell hooks to this analysis of Star Wars as a portrait of post civil rights era race relations in the United States Though the franchise has perpetuated toxicity racism and sexism each of which have roots in longstanding currents of American thinking Carter showcases the perspectives of minority fans intellectuals and performances at a time when many recognize their centrality in the meaning of Americanness With the surplus of spinoffs in the Star Wars franchise Carter limits his study to the three trilogies of the Skywalker Saga In the original trilogy Carter looks at the racial ambiguity present in Darth Vader s cyborg body as well as the whiteness inherent to Princess Leia and the tropes incorporated in her narrative While examining how the prequel trilogy built the Star Wars world the study hones in on the family narrative structure in addition to the actors of color introduced The chapters that focus on the sequel trilogy rely on a variety of minority geek voices to reveal their underappreciated perspectives using these perspectives to understand the fandom ships and the amplified animosity after The Last Jedi 2017 The author conducts this analysis all while asking what is the story of Star Wars especially for those outside of the white cis male audience

Lawrence Larkin, 2019-04-02 In Search of Marie Antoinette in the 1930s follows Austrian biographer Stefan Zweig American producer Irving Thalberg and Canadian American actress Norma Shearer as they attempt to uncover personal aspects of Marie Antoinette s life at the French court in the late eighteenth century and to dramatize them in biography cinema and performance for public consumption during the 1930s The first chapter establishes the core subject as an inquiry into the respective contributions of Zweig Thalberg and Shearer in formulating an objective or authentic image of Marie Antoinette The three chapters that follow examine in some detail how Zweig pursued research and drafted the psychological biography at his Salzburg home Thalberg acquired film rights to the best selling book and fought the censors to preserve the more sensational aspects of the screenplay at the Culver City studio and Shearer worked closely with a new producer to give the

Charles Baudelaire's flâneur as described in his 1863 essay *The Painter of Modern Life* remains central to understandings of gender space and the gaze in late nineteenth century Paris despite misgivings by some scholars Baudelaire's privileged and leisurely figure at home on the boulevards underlies theorizations of bourgeois masculinity and by implication bourgeois femininity whereby men gaze and roam urban spaces unreservedly while women lacking the freedom to either gaze or roam are wedded to domesticity In challenging this tired paradigm and offering fresh ways to consider how gender space and the gaze were constructed this book attends to several neglected elements of visual and written culture the ubiquitous male beggar as the true denizen of the boulevard the abundant depictions of well to do women looking sometimes at men the popularity of windows and balconies as viewing perches and the overwhelming emphasis given by both male and female artists to domestic scenes The book's premise that gender space and the gaze have been too narrowly conceived by a scholarly embrace of Baudelaire's flâneur is supported across the cultural spectrum by period sources that include art criticism high and low visual culture newspapers novels prescriptive and travel literature architectural practices interior design trends and fashion journals *Siren Queen* Nghi Vo, 2022-05-10

Self Definition Teodros Kiros,2019-10-10 *Self Definition* argues that sex gender and race are constructions by the ineffable self as it seeks to define its possibilities free of domination The self s embodiments are themselves performances of self definition Teodros Kiros supports his argument by a careful reading of the literature from both the Global South and Global North that spans figures works and eras from antiquity to our late modern present These readings demonstrate that race gender and sex are performed in the Global South radically differently from in the Global North These three notions as markers of identity are fluid open and expansive and Kiros brilliantly shows this

through inquiry into thought rooted in Egypt Ethiopia India and China By the time that the Global North forges possibilities of the self in the modern period race gender and sex become fixed Biology and anatomy become understood as destinies and the possibilities of the self are deeply constrained This book approaches case studies of key figures and movements chronologically and thematically and in doing so Kiros highlights the tensions between the openness of the Global South and the rigidity of the Global North through which human possibilities as exercises of self definition become clear under conditions of freedom Our views of self definition will forever be transformed after reading this important text
