## **Cabbages And Kings A Kids Guide To Tallinn Estonia:**

**Cabbages and Kings--A Kid's Guide to Tallinn, Estoni** Penelope Dyan,2011-06-01 The first traces of human settlement found in Tallinn s city center by archeologists are about 5000 years old The comb ceramic pottery found on the site dates to about 3000 BC and corded ware pottery c 2500 BC Then in 1154 a town called Qlwn or Qalaven was put on the world map of the Almoravid by the cartographer Muhammad al Idrisi who described it as a small town like a large castle among the towns of Astlanda John D Weigand and Penelope Dyan went to the town of Tallinn Estonia and would agree the cartographer s description is very accurate when it comes to this town because it is exactly like stepping into a castle province and you can imagine it exactly as it once was a place of cabbages and kings This is a place for a child to fire up the imagination inside to hear music to eat candied almonds sold in little bags on the street to watch archers with bows take aim at targets and to walk among green paths cobblestones and flowers **Guide to Tallinn** ,1929
