Better Living through TV Steven A. Benko, 2022-03-25 Watching television need not be a passive activity or simply for entertainment purposes Television can be the site of important identity work and moral reflection Audiences can learn about themselves what matters to them and how to relate to others by thinking about the implicit and explicit moral messages in

the shows they watch Better Living through TV Contemporary TV and Moral Identity Formation analyzes the possibility of identifying and adopting moral values from television shows that aired during the latest Golden Era of television and Peak TV The diversity of shows and approaches to moral becoming demonstrate how television during these eras took advantage of new technologies to become more film like in both production quality and content The increased depth of characterization and explosion of content across streaming and broadcast channels gave viewers a diversity of worlds and moral values to explore The possibility of finding a moral in the stories told on popular shows such as The Sopranos Breaking Bad The Wire and The Good Place as well as lesser known shows such as Letterkenny and The Unicorn are explored in a way that centers television viewing as a site for moral identity formation HBO's Original Voices Victoria McCollum, Giuliana

Jessica Balanzategui, Naja Later, 2020-12-17 This book examines how the iconic character Hannibal Lecter has been revised

and redeveloped across different screen media texts Hannibal The Cannibal Lecter has become one of Western culture's most influential and enduring models of monstrosity since his emergence in 1981 in Red Dragon Thomas Harris first Lecter book Lecter is now at the centre of an extensive cross mediated mythology the most recent incarnation of which is Bryan Fuller's television program Hannibal NBC 2013-2015 This acclaimed series is the focus of Hannibal Lecter's Forms Formulations and Transformations which examines how Fuller's program harnesses the iconic character to experiment with traditional boundaries of genre medium taste and narrative form Featuring chapters from established and emerging screen and popular culture scholars from around the world the book outlines how the show operates as a striking experiment with televisual form and formula The book also explores how this experimentation is embodied by the boundary defying character the savage cannibalistic serial killer practicing psychiatrist and cultured art enthusiast Hannibal Lecter The chapters in this book were originally published as a special issue of the journal Quarterly Review of Film and Video

Gender in Post-9/11 American Apocalyptic TV Eve Bennett, 2019-01-10 In the years following 9/11 American TV developed a preoccupation with apocalypse Science fiction and fantasy shows ranging from Firefly to Heroes from the rebooted Battlestar Galactica to Lost envisaged scenarios in which world changing disasters were either threatened or actually took place During the same period numerous commentators observed that the American media's representation of gender had undergone a marked regression possibly it was suggested as a consequence of the 9/11 attacks and the feelings of weakness and insecurity they engendered in the nation's men Eve Bennett investigates whether the same impulse to return to traditional images of masculinity and femininity can be found in the contemporary cycle of apocalyptic series programmes which like 9/11 itself present plenty of opportunity for narratives of damsels in distress and heroic male rescuers However as this book shows whether such narratives play out in the expected manner is another matter

Netflix, Dark Fantastic Genres and Intergenerational Viewing Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including Stranger Things A Series of Unfortunate Events The Dark Crystal Age of Resistance and even Squid Game The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates

graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies *The Aesthetics of Nostalgia TV* Alex Bevan,2019-02-07 *The Aesthetics of Nostalgia TV* explores the aesthetic politics of nostalgia for 1950s and 60s America on contemporary television Specifically it looks at how nostalgic TV production design shapes and is shaped by larger historical discourses on gender and technological change and America's perceived decline as a global power Alex Bevan argues that the aesthetics of nostalgic TV tell stories of their own about historical decline and progress and the place of the baby boomer television suburb in American national memory She contests theories on nostalgia that see it as stagnating regressive or a reversion to outdated gender and racial politics and the technophobic longing for a bygone era and instead argues nostalgia is an important form of historical memory and vehicle for negotiating periods of historical transition The book addresses how and why the shows construct the boomer era as a placeholder for gender racial technological and declensionist discourses of the present The book uses *Mad Men* AMC 2007 2015 *Ugly Betty* ABC 2006 2010 *Desperate Housewives* ABC 2004 2012 and film remakes of 1950s and 60s family sitcoms as primary case studies

Social TV Cory Barker,2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The *trumproast* initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life **The New Audience for Old TV** Alexander H. Beare,2024-11-18 In 2020 21 the classic HBO show *The Sopranos* 1999 2007 saw a rapid increase in viewership and was proclaimed to be one of the hottest shows of lockdown by outlets like *The Guardian* and *GQ* This resurgent popularity of *The Sopranos* raises important analytical

questions for media scholars how do audiences understand a complex text like The Sopranos in a radically different televisual and cultural context Did they adapt the show to fit the particularities of the present moment or was it simply a nostalgic escape from the bleak conditions of the pandemic Perhaps most importantly though did the distinct televisual environment of the 2020s bring with it markedly new ways for audiences to understand old shows The New Audience for Old TV is the first book to investigate how audiences re read and re interpret resurgent shows when watching in new cultural contexts Based on a series of original research interviews with young fans it considers how new contexts of interpretation including the COVID 19 pandemic Subscription Video on Demand SVOD and post MeToo gender politics informed the unique experience of watching Using the metaphor of the anamorphic painting it introduces the analytical framework of a retrospective reading to reveal the new meanings that are being made available for old TV Ultimately The New Audience for Old TV uncovers fresh insights into audiences experiences with prestige TV and the new avenues of meaning making in the age of streaming

Robert S. Rycroft, 2017-05-12 What is the American Dream This book's author argues that contrary to what many believe it is not achieving the wealth necessary to enter the top one percent but rather becoming members of the great middle class by dint of hard work and self discipline Americans of all classes consider themselves to be middle class There are Americans who by any objective standard should be considered poor who would insist they are middle class just as other Americans who should be considered wealthy also insist they are middle class Thinking of yourself and being thought of by others as middle class is the American Dream for tens of millions of people But an enduring problem of the American middle class is the worry that the Dream is coming apart that forces are lurking in the shadows waiting to steal their progress and throw them back into poverty This thought provoking reference explores a disparate multitude of issues associated with being middle class in America It addresses a range of questions and subtopics including the meaning of the term middle class how middle class status is expressed by both the majority and the various minorities that make up the American mosaic what economic pressures are bearing down on the middle class and how economists and others attempt to make sense of the economic issues of the day Readers will also better understand how political institutions and public policies are shaping the way the middle class views the world how labor housing education and crime related issues have influenced the development and growth of the middle class the norms of the middle class versus those of other classes in society and the role of culture and media in shaping how members of the middle class view themselves and how they are viewed by others This two volume set provides a comprehensive look at the American middle class that supports student research in economics social studies cultural studies and political history The content supports teachers in their development of lesson plans and assignments that directly align with the Common Core State Standards and the recommendations of the National Curriculum Standards for Social Studies NCSS with respect to all ten NCSS themes **Television Series as Mirrors of Contemporary Life** Ion Piso, 2019-05-16 This study sheds light on the impressive work done by writers of television series highlighting their sources of inspiration and their exceptional talent for maintaining interest and mirroring changes in mentalities in lifestyle It offers

numerous original interpretations of various categories of such television shows and explores the ways in which older series have been developed and what has been maintained and changed in more modern TV series

The Antihero in American Television Margrethe Bruun Vaage, 2015-10-14 The antihero prevails in recent American drama television series Characters such as mobster kingpin Tony Soprano The Sopranos meth cook and gangster in the making Walter White Breaking Bad and serial killer Dexter Morgan Dexter are not morally good so how do these television series make us engage in these morally bad main characters And what does this tell us about our moral psychological make up and more specifically about the moral psychology of fiction Vaage argues that the fictional status of these series deactivates rational deliberate moral evaluation making the spectator rely on moral emotions and intuitions that are relatively easy to manipulate with narrative strategies Nevertheless she also argues that these series regularly encourage reactivation of deliberate moral evaluation In so doing these fictional series can teach us something about ourselves as moral beings what our moral intuitions and emotions are and how these might differ from deliberate moral evaluation
