For Peter the Old Testament was their Scripture. For us today the Old Testament and New Testament are our Scripture. God's messages for the faithful sojourners in the Old Testament and New Testament are the same message he has for sojourners of all generations including ours. "A"

Okoro, 2010-08-26 Every inventor writes the manual for the use of his invention. A car has an owner's manual written by the manufacturer. God the creator/inventor of the universe has written a Manual for His creation the earth. The irrefutable fact remains that people are either not reading or yielding to the Manual since as statistics indicate 80% 85% of the US population profess to be Christians. Despite the large number of believers we have a huge disconnect between the practices of people and the ethos of the dictates of the Bible. The Manual Disagreements on subjects like prayer in schools debate on the death penalty abortion homosexuality and divorce exist when the manual is clear on these subjects. This work makes the case that the reader obeys and uses the Word of God as the manual it ought to be. It is an authentic document proven by historical prophetic miracles and the life-changing spiritual facts. It also looks at the major world religions discussing how to use the manual and what not to do with it and invites people to come to life by the shed blood of Jesus.
