Movidas Inteligentes en Gestión / Smart Moves Management (Spanish Edition) John Thedford, 2025-01-07. Un plan sencillo y fácil de seguir explicado a través de una serie de SMART moves para dirigir una empresa con éxito que se aplica a empresas de cualquier tamaño. SMART Moves Management ofrece una aplicación paso a paso de los consejos en ocasiones algo complicados de los gurús empresariales expresados en una prosa de fácil lectura. Para ello John Thedford se basa en las teorías de algunos de los mayores pensadores empresariales del mundo como Marcus Buckingham, Jim Collins, Stephen Covey y Peter Drucker. Aplicando sus consejos y su propia experiencia, Thedford nos muestra que el éxito empresarial no se basa en un modelo sino que siempre viene determinado por una ecuación de compatibilidad y química entre empleados, clientes e inversionistas. Mucho de lo que se escribe en los libros de negocios solo se aplica a organizaciones muy grandes, pero las técnicas de Thedford se aplican a gerentes y directores ejecutivos de empresas de cualquier tamaño o en cualquier industria. SMART Moves Management nos enseña hitos clave entre ellos: cómo contratar adecuadamente desde el principio, cómo capacitar mejor a los miembros del equipo y cómo crear una coherencia de rendimiento en toda la empresa. Cada hito se desglosa en una serie de SMART moves que ofrecen pautas viables, como por ejemplo pagar salarios altos para reducir costos, calcular el rendimiento a partir de la contratación y medir la solidez de una empresa. John Thedford ha utilizado los métodos expuestos en este libro para crear empresas de clase mundial que producen resultados de primera categoría. Thedford convirtió una cadena de tres tiendas Value Pawn Jewelry en 1994 en la increíblemente exitosa Value Financial Services, una cadena con 70 locales y más de 700 empleados. La siguiente empresa que fundó Rent Rite fue nombrada por Inc Magazine como la 4ª empresa de más rápido crecimiento de los Estados Unidos en 2003.

Leadership Trust: Build It, Keep It (Spanish Castilian) Christopher Evans, 2018-02-02. Trust is a mechanism of people's decision-making processes that mediates nearly every interaction in their lives. Identifying and discussing the specific issues or behaviors that increase or decrease one's willingness to trust to be vulnerable to the actions of others helps leaders increase their comfort in dealing with today's volatile, uncertain, complex, and ambiguous world. Developing fluency in initiating trust conversations helps both leaders and their colleagues open up to the possibility of creating greater responsibility throughout their relationships, teams, and business units.

[Seven Keys to Successful Mentoring \(Spanish for Latin America\)](#) E. Wayne Hart, 2018-03-29. Both mentors and mentees realize many benefits from mentoring as do organizations that encourage structure and support mentoring. Effective mentors develop the leadership capacity of their mentees while increasing their own skills. They transfer their knowledge and expertise back into their organizations. They nurture the alignment between employee aspirations and organizational imperatives and they create depth and loyalty within their organizations. Leaders who take mentoring seriously and handle it effectively have a profound impact.
