Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments

Karthik Muralidharan

Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments:

Coalition Politics and Economic Development Irfan Nooruddin, 2011 *Coalition Politics and Economic Development* challenges the conventional wisdom that coalition government hinders necessary policy reform in developing countries Irfan Nooruddin presents a fresh theory that institutionalized gridlock by reducing policy volatility and stabilizing investor expectations is actually good for economic growth Successful national economic performance he argues is the consequence of having the right configuration of national political institutions Countries in which leaders must compromise to form policy are better able to commit credibly to investors and therefore enjoy higher and more stable rates of economic development Quantitative analysis of business surveys and national economic data together with historical case studies of five countries provide evidence for these claims This is an original analysis of the relationship between political institutions and national economic performance in the developing world and will appeal to scholars and advanced students of political economy economic development and comparative politics

Coalition Politics and Economic Development Irfan Nooruddin, 2010-12-02 *Coalition Politics and Economic Development* challenges the conventional wisdom that coalition government hinders necessary policy reform in developing countries Irfan Nooruddin presents a fresh theory that institutionalized gridlock by reducing policy volatility and stabilizing investor expectations is actually good for economic growth Successful national economic performance he argues is the consequence of having the right configuration of national political institutions Countries in which leaders must compromise to form policy are better able to commit credibly to investors and therefore enjoy higher and more stable rates of economic development Quantitative analysis of business surveys and national economic data together with historical case studies of five countries provide evidence for these claims This is an original analysis of the relationship between political institutions and national economic performance in the developing world and will appeal to scholars and advanced students of political economy economic development and comparative politics

Institutions, Partisanship and Credibility in Global Financial Markets Hye Jee Cho, 2017-07-28 Increasingly integrated global financial markets have been shaken by a series of severe shocks in recent decades from Mexico's Tequila crisis to the upheavals in the Eurozone These crises have demonstrated that signs of uncertain local economic and political conditions can result in market fluctuations which in turn cause economic social and political instability Such instability is particularly severe for developing countries that rely heavily on international financial markets for their financial needs Building credibility in these markets is therefore important for national governments who wish to prevent market panic and capital flight and ultimately to achieve stable economic growth Earlier studies have argued that institutional arrangements that constrain governments and commit them to protecting private property rights and market friendly policies can send a strong positive signal to the markets about a given country's sovereign credibility This book argues however that the market perception of such credibility building institutions is significantly contingent on which

party governs the country Formal institutions confer significant credibility building effects on left wing governments whereas less or no significant effects are enjoyed by right wing governments And beyond that any significant changes in a country s institutional landscape such as a breakdown of democracy or joining an international organization that can influence domestic politics have particularly strong impact on the credibility of left wing governments This argument is supported by a quantitative analysis of sovereign credit ratings data collected from around 90 developing countries from 1980 to 2007 by case studies from South Asia Eastern Europe and Latin America and by face to face interviews with 24 financial market experts based in Hong Kong Seoul and Paris

Governing Abroad Sibel Oktay,2022-07-19 From Austria to New Zealand coalition governments often pave the road to foreign policy In Western Europe nearly 90 percent of postwar governments include two or more political parties Israel the Middle East s only consolidated democracy according to many has never experienced single party rule in its history Even the United Kingdom known for its long streak of single party rule now navigates multiparty cabinets Coalitions are everywhere but we still have little understanding of how they act in foreign affairs History shows that coalitions can sometime engage in powerful international commitments such as participating in military operations but at other times they postpone their decisions water down their policy positions or promise to do less than they otherwise would What explains these differences in behavior Governing Abroad unpacks the little known world of coalition governments to find out Oktay argues that the specific constellation of parties in government explains why some coalitions can make more assertive foreign policy decisions than others Building on the rich literature in political science on coalitions legislatures and voting behavior the book weaves together sophisticated statistical analyses of foreign policy events across thirty European countries alongside in depth case studies from Denmark the Netherlands and Finland It brings political parties back into the study of foreign policy demonstrating that the size of the coalition the ideological proximity of the governing parties and their relationship with the parliamentary opposition together influence the government s ability to act in the international arena This book challenges our existing perceptions about the constraints and weaknesses of coalition governments It sheds new light on the conditions that allow them to act decisively abroad

Encyclopedia of Asian Politics Alexander C. Tan,Dennis Quilala,2023-12-11 This state of the art Encyclopedia provides a detailed snapshot study of politics in Asia Curated by two internationally recognized scholars entries offer key insights and critical reference points in order to navigate the vastness diversity and dynamism of Asian politics

Accelerating India's Development Karthik Muralidharan,2024-03-28 Seventy five years after Independence India has much to be proud of We are both the world s biggest democracy and fastest growing large economy Yet we face profound challenges that hinder both individual well being and aggregate growth including education and skills health and nutrition public safety justice social protection and jobs This seminal book systematically analyses India s governance challenges especially in delivering essential public services and highlights how these are limiting India s development Drawing on a wealth of research and practical insights it

provides actionable evidence based strategies emphasizing state level reforms as critical for India's advancement Accelerating India's Development is addressed to all Indians leaders officials entrepreneurs teachers students citizens and civil society and provides an urgent call to action It argues that building an effective state is the great unfinished task of Indian democracy because quality public services are key to translating the political equality of One Person One Vote into greater equality of opportunity for all Indians Every chapter showcases the author's dedication to bridging the gap between scholarly research public understanding and actionable governance This book is a testament to cautious optimism and the belief that with the right public systems in place India's next twenty five years can be a period of unprecedented growth and societal enrichment

The Politics of Technological Progress Joel W. Simmons, 2016-12-15 Why are some countries richer than others and why do some economies grow more rapidly The Politics of Technological Progress answers these vital questions by highlighting the importance of technological progress for sustained economic development The author also explains why some countries exhibit faster technological progress than others Armed with a wealth of cross national empirical evidence Professor Simmons stresses the importance of properly constructed political parties for establishing an environment conducive to technological progress Well institutionalized ruling parties are essential for technological progress he argues because only in such parties are time horizons long enough for governments to accept the deferred returns that are an inherent feature of government efforts to encourage innovation and technology adoption in the economy

Theorizing Indian Foreign Policy Mischa Hansel, Raphaëlle Khan, Mélissa Levaillant, 2017-04-21 Examined from a non Western lens the standard International Relations IR and Foreign Policy Analysis FPA approaches are ill adapted because of some Eurocentric and conceptual biases These biases partly stem from first the dearth of analyses focusing on non Western cases second the primacy of Western born concepts and method in the two disciplines That is what this book seeks to redress Theorizing Indian Foreign Policy draws together the study of contemporary Indian foreign policy and the methods and theories used by FPA and IR while simultaneously contributing to a growing reflection on how to theorise a non Western case Its chapters offer a refreshing perspective by combining different sets of theories empirical analyses historical perspectives and insights from area studies Empirically chapters deal with different issues as well as varied bilateral relations and institutional settings Conceptually however they ask similar questions about what is unique about Indian foreign policy and how to study it The chapters also compel us to reconsider the meaning and boundary conditions of concepts e.g coalition government strategic culture and sovereignty in a non Western context This book will appeal to both specialists and students of Indian foreign policy and International Relations Theory

Caste, Class, and Capital Kanta Murali, 2017-02-02 For millions of poor people in the developing world economic growth offers prospects for improved well being But what are the political and social conditions conducive to growth oriented policies in poor democracies This book addresses this highly consequential question by focusing on a specific empirical puzzle policy variation across Indian states in the competition for

private industrial investment a phenomenon that came to the fore after the country adopted market reforms in 1991 Through the analysis of investment policies this book offers a novel explanation which links social identity class and economic policy outcomes Its main findings highlight a link between pro business policies and exclusionary political trends in India s high growth phase and offer a sobering perspective on the current model of growth in the country The book adds to our understanding of Indian political economy as well as to the dynamics of economic development in poor democracies

Productive Capacities, Economic Vulnerability and Growth Volatility in Sub-Saharan Africa Aminou Yaya,2024-08-02 Sub Saharan Africa SSA countries like most developing countries face major challenges to achieve strong sustainable and inclusive growth with the view to reduce significantly persistent poverty and inequality Many of these challenges results from a high level of economic vulnerability due to simultaneous shocks notably the Covid 19 pandemic climate change and the multiplicity of armed conflicts Hence the need to study policies and means of strengthening economic resilience to shocks This paper analyzes the effects of productive capacities on the volatility of economic growth in SSA countries when faced with significant vulnerability The study covers the period 2000 2018 for 43 SSA countries Using Generalized Method of Moments GMM the results show that economic vulnerability contributes to growth volatility in SSA However this effect varies according to the performance of productive capacities Countries with high productive capacities have greater opportunities to mitigate the effect of economic vulnerability on growth volatility Some specific dimensions of productive capacities Institutions ICT seem to matter more than others The results of this study provide important recommendations to policy makers

When Ideas Matter Bilal A. Baloch,2021-10-07 A study of ideas their substance origins and salience in government decision making during credibility crises in India and developing democracies

Development after Statism Adnan Naseemullah,2017 The Acquisition of Finance Labor Management Appendix B List of Interviews References Index

Ideology and Identity Pradeep K. Chhibber,Rahul Verma,2018-08-24 Indian party politics commonly viewed as chaotic clientelistic and corrupt is nevertheless a model for deepening democracy and accommodating diversity Historically though observers have argued that Indian politics is non ideological in nature In contrast Pradeep Chhibber and Rahul Verma contend that the Western European paradigm of ideology is not applicable to many contemporary multiethnic countries In these more diverse states the most important ideological debates center on statism the extent to which the state should dominate and regulate society and recognition whether and how the state should accommodate various marginalized groups and protect minority rights from majorities Using survey data from the Indian National Election Studies and evidence from the Constituent Assembly debates they show how education the media and religious practice transmit the competing ideas that lie at the heart of ideological debates in India

Globalizing India Aseema Sinha,2016-04-28 This book explores India s rise on the global economic stage from the perspective of both international and domestic interests and activities Sinha argues that the impact of globalization on India since 1990 needs to be understood not just in terms of national policy but

also in terms of changing trade capacities and private sector reform

Decentralized Governance and Accountability

Jonathan A. Rodden, Erik Wibbels, 2019-02-28 Reviews recent lessons about decentralized governance and implications for future development programs and policies

Elections in Hard Times

Thomas Edward Flores, Irfan Nooruddin, 2016-09

Demonstrates why elections fail to promote democracy when countries lack democratic experience and are held during civil conflict

Research Design in Political Science

Dimitar Toshkov, 2016-02-10

This is a comprehensive introduction to research design for university students at all levels across the whole range of political science including international relations and public administration. It covers the key steps in the research process and explains the logic and detail of a variety of classic and cutting edge methods. Based on a pluralistic approach, the text endorses both quantitative and qualitative research methodologies and outlines the strengths and limitations of different designs for addressing particular research goals. Giving accessible and practical advice without use of mathematical formulas or formalized notation, this clear and engaging book features many examples of real political science research and will enable readers to design their own research projects as well as to critically evaluate existing research in the social sciences.

The Political Economy of

Pension Policy Reversal in Post-Communist Countries Sarah Wilson Sokhey, 2017-10-26 This book examines how and why policies are reversed by focusing on post communist backtracking on pension privatization

Developmental States

beyond East Asia Jewellord T. Nem Singh, Jesse Salah Ovadia, 2020-05-21 This comprehensive volume reviews recent scholarship regarding the role of the state in economic development. With a wide range of case studies of both successful and failed state led development, the authors push the analysis of the developmental state beyond its original limitations and into the 21st century. New policies, institutional configurations and state market relations are emerging outside of East Asia as new developmental states move beyond the historical experience of East Asian development. The authors argue for the continued relevance of the developmental state and for understanding globalization and structural transformation through the lens of this approach. They further this concept by applying it to analyses of China, Latin America and Africa as well as to new frontiers of state led development in Japan and the East Asian developmental states. This book expands the scope of research on state led development to encompass new theoretical and methodological innovations and new topics such as governance, institution building, industrial policy and the role of extractive industries. This book was originally published as a special issue of the journal *Third World Quarterly*.

Volatile States in International Politics Eleonora Mattiacci, 2022-12-19

An in depth account of why countries' treacherous foreign policies often have harmless origins, how this predicament shapes international politics and what to do about it. The increasing unpredictability of state behavior in recent world politics is a surprising development. The uncertainty that results intensifies conflict and stifles trust. In *Volatile States in International Politics*, Eleonora Mattiacci offers the first account of this issue that investigates which states have been volatile and why. Leveraging statistical techniques and archival data in a probing analysis of rivals and allies since the end of World War II, she

rejects attempts at dismissing volatility as reflecting mercurial leaders or intractable issues. Instead, Mattiacci explains that a state acts in a volatile manner when its clashing domestic interests leverage power to achieve their goals on the international arena. In demonstrating states' potential for volatile behaviors, she asks us to reconsider how much we really know about change and instability in international politics. When properly understood, she shows, volatile behavior can become less confusing for observers and potentially less dangerous. This book offers novel, evidence-based tools to cope with volatility in the global arena.

Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However,

the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Coalition Politics And Economic

Development Credibility And The Strength Of Weak Governments any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments is one of the best book in our library for free trial. We provide copy of Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments. Where to download Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments online for free? Are you looking for Coalition Politics And Economic Development Credibility And The Strength Of Weak Governments PDF? This is definitely going to save you time and cash in something you should think about.
