Human Rights at Work Colin Fenwick, Tonia Novitz, 2010-10-12

Concerns associated with globalisation of markets exacerbated by the credit crunch have placed pressure on many nation states to make their labour markets more flexible In so doing many states have sought to reduce labour standards and to diminish the influence of trade unions as the advocates of such standards One response to this development both nationally and internationally has been to emphasise that workers rights are fundamental human rights This collection of essays examines whether this is an appropriate or effective strategy The book begins by considering the translation of human rights discourse into labour standards namely how theory might be put into practice The remainder of the book tests hypotheses posited in the first chapter and is divided into three parts The first part investigates through a number of national case studies how in practice workers rights are treated as human rights in the domestic legal context These ten chapters cover African American Asian European and Pacific countries The second part consists of essays which analyse the operation of regional or international systems for human rights promotion and their particular relevance to the

treatment of workers rights as human rights The final part consists of chapters which explore regulatory alternatives to the traditional use of human rights law The book concludes by considering the merits of various regulatory approaches *Civil Code of Québec* Québec (Province),1991 **Civil Code of Quebec** ,1991 **Civil Code of Quebec** Québec (Province),1984 Code Civil [du] Québec Québec (Province),1976 **Civil Code of Québec** Jean-Maurice Brisson,Québec (Province),Nicholas Kasirer,1997 **Code civil du Bas Canada** Québec (Province).
