Defiant Alvin Townley, 2024-03-26 A vivid testimony to what the human spirit can overcome For those interested in Vietnam s Band of Brothers it is a must read Jay Winik 1 New York Times bestselling author of April 1865 During the Vietnam War hundreds of American prisoners of war faced years of brutal conditions and horrific torture at the hands of North Vietnamese guards and interrogators who ruthlessly plied them for military intelligence and propaganda Determined to maintain their Code of Conduct the POWs developed a powerful underground resistance To quash it their captors singled out its eleven leaders Vietnam s own dirty dozen and banished them to an isolated jail that would become known as Alcatraz None would leave its solitary cells and interrogation rooms unscathed one would never return As these men suffered in Hanoi their wives at home launched an extraordinary campaign that would ultimately spark the nationwide POW MIA movement The members of these military families banded together and showed the courage not only to endure years of doubt about the fate of their husbands and fathers but to bravely fight for their safe return When the survivors of Alcatraz finally came home in 1973 one veteran would go on to receive the Medal of Honor another would become a US Senator and a third served in the US Congress Defiant is powerful account of survival and triumph and how eleven men held on to their courage and faith in the darkest of situations A page turner Marine Corps Times A gripping account Townley s telling of these important stories is fresh and vivid thanks to his interviews with surviving prisoners and their family members He also adds an important and often overlooked dimension to the prisoners stories that of their wives campaign at home to thrust the plight of the POWs into the national spotlight The New York Times Book Review A riveting tribute to true American heroes Senator John McCain POW 1967 73 Includes photographs      **Treason** Eric Carlton, 2019-01-15 First published in 1998 this volume is a historical and comparative study of treason whose aim is to clarify and categorize the diverse and often mixed even confused motives which underlie treason both at its conspiracy and implemental stages Its approach is to use case studies ranging from classical society to modern cases of treachery to examine this complex issue Some of the case studies will have a familiar ring but others will not be so well known as the book is not merely a popular recitation of spy stories Rather it is concerned with the nature of treason and offers some theoretical pointers to treason as a social and psychological phenomenon The text demonstrates that while in common speech the term treason has pejorative connotations it is in fact a multi faceted phenomenon which merits much closer investigation      The Ultimate Guide to G.I. Joe 1982-1994 Mark Bellomo, 2009-06-02 This guide to the guts and glory of G I Joe identifies every figure with all its weapons and gear every vehicle with all the easy to lose pieces and every accessory related to Hasbros stellar team of soldiers Use The Ultimate Guide to G I Joe to expand your knowledge about Joe and the team or Cobra and his cronies and to identify and assess the value of any of the series 350 action figures and 240 vehicles and accessories      **America** ,1916      Target: Rabaul Bruce Gamble, 2013-11-15 A history of World War II s Operation Cartwheel a major Allied operation by US Australian and New Zealand forces to take the Japanese
