DISCOVERY

The background of the entire image is a deep blue. A large, glowing DNA double helix structure is the central focus. A yellow, stylized human figure stands on the lower part of the helix. From the base of the figure, a bright white and yellow light emanates, creating a large, glowing sphere. Radiating from this sphere are numerous blue lines that spread outwards, resembling a starburst or a signal. The overall theme is scientific discovery, specifically related to genetics or DNA.
