Paul Holsinger,Mary Anne Schofield,1992 For Americans World War II was a good war a war that was worth fighting Even as the conflict was underway a myriad of both fictional and nonfictional books began to appear examining one or another of the raging battles These essays examine some of the best literature and popular culture of World War II Many of the studies focus on women several are about children and all concern themselves with the ways that the war changed lives While many of the contributors concern themselves with the United States there are essays about Great Britain Canada France Germany Poland Russia and Japan *Mission France* Kate Vigurs,2021-01-01 The full story of the thirty nine female SOE agents who went undercover in France Formed in 1940 Special Operations Executive was to coordinate Resistance work overseas The organization s F section sent more than four hundred agents into France thirty nine of whom were women But while some are widely known Violette Szabo Odette Sansom Noor Inayat Khan others have had their stories largely overlooked Kate Vigurs interweaves for the first time the stories of all thirty nine female agents Tracing their journeys from early recruitment to work undertaken in the field to evasion from or capture by the Gestapo Vigurs shows just how greatly missions varied Some agents were more adept at parachuting Some agents missions lasted for years others less than a few hours Some survived others were murdered By placing the women in the context of their work with the SOE and the wider war this history reveals the true extent of the differences in their abilities and attitudes while underlining how they nonetheless shared a common mission and ultimately deserve recognition **Scholar's Guide to Intelligence Literature** Georgetown University. Library,1983 **The French Secret Services** ,1993-01-01 The French secret services have a long history dating back to the ancien regime With the founding of the Third Republic 1870 1940 the famous Second Bureau was created as France s principal intelligence gathering organization After the Germans invaded France in 1940 however the services splintered and diversified with Vichy agencies and Collaborationists the Free French and the internal resistance all in contention More recently since 1944 the activities of the reorganized French secret services have extended across a surprisingly wide area sometimes with spectacular results as in the Greenpeace Affair in New Zealand in 1985 This volume deals with the French secret services according to a chronological framework which reflects the evolution of the services

which were created and transformed by both internal and external historical factors The bibliography commences with an examination of the origins and development of the French Intelligence Service from the ancien regime to 1870 It then considers the history and activities of the secret services during the following periods the Third Republic the Second World War the Fourth Republic and the Fifth Republic firstly between 1958 and 1981 and then during the 1980s and 1990s including the Greenpeace Affair This is an essential reference tool for all those interested in the history of intelligence agencies and national security in general and in the development of the French secret services in particular
