Codependence Or The Dance Of Wounded Souls:

Codependence The Dance of Wounded Souls Robert Burney, 2012-01-18 This is the sixth printing of a Joyously inspirational book has been called one of the truly transformational works of our time Author Robert Burney has been referred to as a metaphysical Stephen Hawking and his work has been compared to John Bradshaw s except much more spiritual and described as taking inner child healing to a new level In Codependence The Dance of Wounded Souls he combines Twelve Step Recovery Principles Ancient and New Age Metaphysical Truth and Native American Spirituality with quantum physics and molecular biology in sharing a perspective of the human experience that can lead to a life changing Spiritual Awakening by reminding you of who you Truly are and why you are here in human body at this very special time in human history Some feedback about The Dance of Wounded Souls I just read your wonderful book thank you for writing it I have been a spiritual teacher since childhood however your book let me organize my thoughts a new way a new perspective I now have a much deeper understanding and am still learning from it Dance is one of the truly transformational works of our time When I found your book I found myself I am a 52 year old psychotherapist and have struggled with codependency all my life Up until tonight I have been disappointed in the literature and treatment of codependency Your work is brilliant I can t find words to express my appreciation with the depth I am feeling I finished your book you are a rock star Already had a friend order it She wanted to borrow mine and I told her I d sooner give her my hand I truly believe that I have made more progress on a personal level in the few weeks I have had Robert s book than in the preceding eight plus years when I first found out what codependency was After years of analysis and reading many self help books on other subjects to try to find out the answers about my struggles in my life I had always been under the impression that the subject of codependency was a term referring to people who enable alcoholics or drug dependent people so I never even thought to read up on it Now after reading your writings a miraculous door of insight has opened up for me and many pieces of the puzzle are finally falling into place I can t thank you enough for the very profound spiritual healing your book has provided to me I cannot express in words that which I feel as a result of having truly heard your message of self love and spiritual awakening Your message has forever changed my path in this lifetime Thank you so much for sharing your perceptions and experiences in your book I have read and studied many authors on this healing journey of mine but you really relate to all of my issues like no one else I have read over 300 books in the past few years but you explain everything in simple but yet so enlightening truths God bless you and you are making a difference to many Oprah needs to read your work I love the fact that you are able to clearly bridge and tie in Christian teachings and so called New Age philosophies in a clear and concise way for so many to hear at the same time Thank you Mr Burney Your book saved me from the depths of my despair and my life has new direction and purpose now I can never thank you enough I ve read your book at least 20 times Your a brilliant inspiring writer You have made a great difference in my outlook Just finished your book wow it s truly an amazing act of grace when the right

information comes at just the right time Thank you for writing this book Thank You for sharing your journey through your work Dance of The Wounded Souls is a spiritual masterpiece Before I discovered your book I was in a very dark place emotionally so much so that i really thought I was never going to come through it I was drinking every night and was so ill i couldn t even move from the house thank god i found you

Codependency Recovery: Wounded Souls Dancing in the Light Robert Burney,2011-07-23 This was a process level how to book about the inner child healing approach discovered by Robert Burney in his recovery from codependency It is a follow up to his book Codependence The Dance of Wounded Souls which has been described as one of the most transformational books of our times and as taking inner child healing to a new level This compilation of writings from his website is about healing It contains tools techniques and insights into the healing process that work in a powerful effective way to change the quality of the individuals life experience for the better They work because they help the individual to align with the way life really works instead of expecting it to be something which it is not The approach to healing detailed on these pages is one which has evolved in his personal recovery since January 3 1984 and in his counseling practice since 1990 He was guided to discover and develop an approach to inner child healing that offers a powerful life changing formula for integrating Love Spiritual Truth and intellectual knowledge of healthy behavior into one s emotional experience of life a blueprint for individuals to transform their core relationship with self and life The approach to inner child emotional healing shared herein is the missing piece the missing perspective of the puzzle of life that so many people have been seeking This formula is the key to learning how to be more Loving to your self and to turning life into an adventure to be experienced instead of an ordeal of suffering to be endured It is possible to feel the feelings without being the victim of them or victimizing others with them It is possible to change the way you think so that your mind is no longer your worst enemy It is possible to become empowered to have choices in life at the same time you are letting go of trying to be in control Life can be an exciting enjoyable adventure if you stop reacting to it out of your childhood emotional wounds and attitudes The tools and techniques insights and beliefs set out in this book work They work to support the idea that each and every one of us is Lovable and worthy They work to help change life from an unbearable ordeal to a often enjoyable adventure Try it you might find it works for you also

Transcending Abuse & Betrayal - A Journey to Healing & Selfhood Sasha Samy,2012-10 Conscious Choices Conscious Life Transcending Abuse Betrayal is an inspirational book that celebrates the triumph of dignity courage and self empowerment over the brutality and denigration of abuse and betrayal The book depicts the life experiences of four women

Stacy Miriam Tessa and Jasareen with much of the focus on Stacy's personal journey to healing and selfhood. By sharing the stories of healing and the transformational power of conscious choices and forgiveness, Sasha Samy hopes that others may garner the courage to confront and transcend their experiences. With poignant personal anecdotes, penetrating insights, psychological research, and spiritual teachings, Samy integrates a practical and holistic approach to healing and transformation in her book. The book, which is divided into three parts, also discusses what constitutes abuse and its effects, why the targeted do not leave their abusive partners, what is lacking in dysfunctional relationships, how our erroneous thoughts, attitudes, and belief systems create self-sabotaging and self-destructive behavioral patterns, why shadow and inner works are essential to understanding the self, techniques and tools to embrace the healing process. www.sashasamy.com

The Munchausen Complex Richard L. Matteoli, 2011-03. First Conquer Thyself. Socialization of violence and abuse is often highly structured through the Munchausen Complex. Munchausen Syndrome occurs when an individual harms themselves for attention and self-glorification. Munchausen Syndrome by Proxy is when an individual harms another, usually under their care. Attention and self-glorification are achieved through their victim's subsequent medical treatment. Munchausen Syndrome by Proxy is a crime with a victim. Violence and abuse are often common in families passed down from one generation to the next and may be termed Transgenerational Munchausen Syndrome as these families expand and their habits are introduced into society. Munchausen Syndrome in Collective Transmission occurs when such practices become an acceptable part of society, often eventuating into full acculturation. In this way, societies attach themselves to self-glorification with various explanations of justification. A Mandated Report is required to be filed by health care, legal, social service, and educational professionals who suspect child abuse, as well as developers of film. As socialized beings, we are often unaware why we think what we think and why we do what we do. Exploring beneath the surface, we may discover we are not who we imagine we are. Are our subtle perversions and aberrations so different from those of the ancients or other cultures we label primitive? The author was under military orders not to discuss the subjects presented in this part's Mandated Report on child abuse to the social body for the last six years of his U.S. Navy career. Censorship is strong when one questions social norms, folkways, and rituals that address issues of identity. Internal, interpersonal, and professional conflicts arise. *Energizing Love* Phil Cheney, 2015-09-25. A Philosopher of Love, science, art, community, non-judgment, wonder, mystery, and joy. Welcome to the paradigm of Universal Intentional Love Energy, which has the fortunate acronym of UILE, an ancient Irish word for All or Whole. Energy is what the entire universe is made from, and Philosopher identifies UILE as the source of all intentional motivation, intuition, love, compassion, creativity, etc. This book by Phil Philosopher Cheney initially explains how modern science and psychology help us understand our true nature and then shows practical ways to mine the message streams to dig, using them to get to the diamond inside each one of us and to shine again. *Energizing Love* shows how UILE can be found both in science and each of the major religions and how important it is for us to return to the community of universal Love.
