Codrin Tapu:

Codrin Tapu's Psychology Codrin Tapu,2018-03-26 The most concise psychology text available Codrin Tapu's Psychology is a very brief outline of psychology and the first to integrate the presentation of mental operations their disorders and their specific biological and psychological treatments It contains essential knowledge that everybody should possess whether they seek formal training in the field or they don't However it is not written in a popular but in a scientific style Psychology is a science that everybody should be acquainted with but this does not require it to abandon the scientific language Codrin Tapu's book could be seen as a possible chapter in a virtual Textbook of everybody's science Usually introductory textbooks of psychology are packed full of research data and students having no previous knowledge of psychology find them difficult to use so this book may well serve as an introduction for those who are preparing to study college level psychology

Principles of Counseling Codrin Tapu,2015-07-15 Education and counselling are the pillars of civilization Changing the way they are performed means changing the world If you are looking for a textbook which itemizes the hows and the whys of therapeutic interventions within the direct relations framework of the counselling for being then this book might be for you

Hypostatic Personality Codrin Tapu,2001-11-16 This book presents a hypostatic model of personality The concept of hypostasis literally means sub state one of a multitude of phenomenal appearances of an underlying essence Doing and being made are two distinct aspects or hypostases of the person which the author successfully integrates into a coherent model Between the inconsistent eclecticism and the false reductionist precision which today are disputing the territory of psychology this book proposes a middle hypostatic way

Teachings on Being Codrin Tapu,2015-04-13 A quintessential religious text these original teachings are the fruit of millennia of religious thought They will surely provide valuable insight for the spiritual beings of believers and non believers alike Codrin Tapu is a pioneer that generations will follow Dr Lisa Christiansen

The Book of Being Codrin Tapu,2014-04-21 We are passing but our past never dies Hence we are alive forever When we realize that past is alive we become alive forever more and our loved ones that passed away become alive again with us Your birth is your resurrection Don't be afraid and don't be sad You are alive and that's forever Selected Contents To love What is the new faith The greatness of humans If you don't love yourself truly Write a good story of yourself Prayer for every human The cult of the living

Spiritual Education and Social Change Codrin Tapu,2014-07-10 The last decades have witnessed an increasing interest in a global ethic which proposes general guidelines of behavior applicable to all cultures and amends those spiritual interpretations and educational practices that are detrimental to personal and collective wellbeing These lecture notes are an educational resource for spiritual education moral education and counselling for secondary and university levels as well as for adult education and teacher training all within a worldwide multicultural framework Drawing from the ethical and spiritual treasure of humanity the book should help readers realize that the most idealistic and

humanistic of moral codes is also the most pragmatic and profitable for each individual who lives by it **Living With(in) Your Ends** Kevin Michael Stevenson,2023-09-15 Did you ever wonder why you see the world around you the way that you do Ever wondered why you might see everything in your world as a means to an end Why should you bother following the dictum to live within your means when you haven t even considered living with or within your ends You might ask yourself what is implied here by ends and by means and why does the latter always seem to come before the former After all how do we end anything without a means for doing so Living With in Your Ends provides a crutch for you to lean on while you ponder the means and ends within your life and the world around you It guides you on how to maintain your true identity without getting sucked into world of means where superficiality prospers Investigating human existence through a lens that values the present moment and which provides for practical consequences Kevin M Stevenson PhD provides an exploration into the deeper realms of perception and their relationships with time and identity Living With in Your Ends not only provides a conceptual map to follow for leading an authentic life it also considers some of the historical and philosophical notions that have blessed and plagued human existence Living With in Your Ends will provide you with a framework for healthy reflection and increased awareness of the intersections between yourself and the world **Guide To Relational Therapy** Codrin Tapu,2011-10-03 In this guide to relational therapy for clinicians patients and self helpers Codrin Stefan Tapu presents the main features of relational therapy from a very practical perspective This concise volume represents a step by step guide that if followed can allow a proper course to relationship improvement from families to organizations **PERSONALITY AND PHOBIC REACTION OF CHILDREN** Dr. Dattatraya Kamble,2019-06-28 Personality psychology is a branch of psychology that studies personality and individual differences Its areas of focus include Constructing a coherent picture of a person and his or her major psychological processes Investigating individual differences that is how people can differ from one another Investigating human nature that is how all people s behaviour is similar Personality can be defined as a dynamic and organized set of characteristics possessed by a person that uniquely influences his or her cognitions motivations and behaviors in various situations The word personality originates from the Latin persona which means mask Significantly in the theatre of the ancient Latin speaking world the mask was not used as a plot device to disguise the identity of a character but rather was a convention employed to represent or typify that character The Complete Guide To Relational Therapy Codrin Stefan Tapu,2011-09 Many conflicts and relationship problems arise from the fact that we act to please or harm others and we feel pleased or harmed by others actions If we act to inform or change others at a rational level and assess rationally instead of emotionally the actions of others then we can avoid much of our minor or serious relational problems and breakups It s more natural to be upset by the fact that the other does not value me positively as I feel that from his body language than to be saddened that he did something wrong to me For the latter I should have no feelings but rather think and do something about it **Revista română de sociologie** ,1999 Bibliografia națională Română ,2007

Bibliografia națională română ,2001 **Bibliografia națională română** ,2003 *Bibliografia nationala româna* ,2002 *Bibliografia națională a României* ,2002 **Limba română** ,2004 **Enseignements sur l'Être** Codrin Stefan Tapu,2014-12-08 Chaque religion a son histoire écrite ou orale Codrin Stefan Tapu recherche l'histoire au del de toute religion particulière c'est la quete de l'être Un livre spirituel par excellence ces enseignements originaux sont le fruit de millnaires de pensée et de pratique religieuse Alors que certains croyants présents ou futurs pourraient ne pas être d'accord avec tous les enseignements seront certainement très utiles pour les très spirituels des croyants et non croyants Il n'y a qu'une seule religion la religion de paix d'amour d'espoir et de bonne volonté La religion du coup de main Codrin Stefan Tapu
