Cognitive Behavioural Treatment Of Sexual Offenders:

Cognitive Behavioural Treatment of Sexual Offenders, 1999 **Assessment and Treatment of Sexual Offenders with Intellectual Disabilities** Leam A. Craig, William R. Lindsay, Kevin D. Browne, 2010-12-03 A practical handbook for practitioners that covers the assessment treatment and management of sexual offenders with intellectual disabilities an area of growing interest within clinical forensic psychology New for the Wiley Series in Forensic Clinical Psychology a practical handbook that covers the assessment treatment and management of sexual offenders with intellectual disabilities Summarises the research literature on the characteristics and prevalence of sexual offenders with intellectual disabilities Discusses risk assessment and innovations in treatment and management Includes contributors world renowned in the field of assessment and treatment of sexual offenders with intellectual disabilities such as Tony Ward Glynis Murphy and Douglas Boer

Assessment and Treatment of Sex Offenders Anthony R. Beech, Leam A. Craig, Kevin D. Browne, 2009-03-04 A comprehensive resource for practitioners working with sexual offenders Discusses assessments and interventions as well as providing a comprehensive literature review There are around 10 000 convictions or cautions for sexual offences in the UK each year early evidence suggests that treatment programmes can halve re conviction rates Edited by a University of Birmingham team who are world leaders in researching this area the subject is of interest worldwide with strong markets in Canada and New Zealand Includes material on managing offenders with developmental disabilities and those with Dangerous and Severe Personality Disorder

Treating Sex Offenders Sarah Brown, 2013-07-04 This book aims to provide an introduction and overview of sex offender treatment programmes designed for students and practitioners coming to this field It seeks to describe the development theoretical underpinnings treatment goals and operation of cognitive behavioural and other programmes to an audience unfamiliar with this form of rehabilitation In addition it aims to examine the effectiveness of these programmes and the difficulties associated with assessing this the public response to treatment and also the effects on staff responsible for implementing them The book is concerned particularly to assess the operation of sex offender treatment programmes in the UK context considering also the issues associated with implementing programmes developed in other contexts especially the USA and Canada It will be of interest to practitioners particularly those who are beginning work on sex offender treatment programmes or others such as health workers social workers probation officers who come into contact with these programmes indirectly

Identifying and Treating Sex Offenders Robert Geffner, 2004 Identifying and Treating Sex Offenders Current Approaches Research and Techniques brings you up to date on the latest significant issues and state of the art tools involved in the evaluation and treatment of adult sex offenders Experts in the field discuss controversial topics including diagnoses classification public notification and risk assessment to help psychologists therapists and social workers better understand and work with this specialized population This book also contains accurate information about sex offender statistics and research for policymakers to use in creating policies and legal statutes that successfully

deter recidivism in known sex offenders **Sex Crimes and Sex Offenders** Donna Vandiver,Jeremy Braithwaite,2016-12-08 Sex Crimes and Sex Offenders Research and Realities provides an overview of social scientific theory and research on sex crimes and sex offenders Most other books on the market are focused on a single issue such as treatment rape pedophilia theory etc This book is unique in that it covers the most current theory and research along with individual cases of sex crimes e g Kobe Bryant Jerry Sandusky and other case studies effectively linking theory and research with the realities of sex crimes and sex offenders as well as their victims Vandiver Braithwaite and Stafford are careful to dispel myths and to focus on the heterogeneity of sex crimes and sex offenders and not on any one issue or population or theory Instead they weave a framework using a full range of theoretical concepts and research data to integrate their discussions of crimes offenders victims treatments and policy implications The result is a valuable resource for students and early stage researchers investigating sex crimes or offenders **Aggressive Offenders' Cognition** Theresa A. Gannon,Tony Ward,Anthony R. Beech,Dawn Fisher,2009-09-28 The book focuses specifically on aggressive offenders and is divided into two parts Part I deals with sexual abusers whilst Part II is concerned with violent offenders Each part discusses theory latest research and treatment related information Emphasis is placed on discussing cognition in context i e identifying the factors impacting upon and related to offenders cognition *Encyclopedia of Cognitive Behavior Therapy* Stephanie Felgoise,Arthur M. Nezu,Christine M. Nezu,Mark A. Reinecke,2006-06-18 One of the hallmarks of cognitive behavior therapy is its diversity today Since its inception over twenty five years ago this once revolutionary approach to psychotherapy has grown to encompass treatments across the full range of psychological disorders The Encyclopedia of Cognitive Behavior Therapy brings together all of the key aspects of this field distilling decades of clinical wisdom into one authoritative volume With a preface by Aaron T Beck founder of the cognitive approach the Encyclopedia features entries by noted experts including Arthur Freeman Windy Dryden Marsha Linehan Edna Foa and Thomas Ollendick to name but a few and reviews the latest empirical data on first line therapies and combination approaches to give readers both insights into clients problems and the most effective treatments available Common disorders and conditions anxiety depression OCD phobias sleep disturbance eating disorders grief anger Essential components of treatment the therapeutic relationship case formulation homework relapse prevention Treatment methods dialectical behavior therapy REBT paradoxical interventions social skills training stress inoculation play therapy CBT medicine combinations Applications of CBT with specific populations children adolescents couples dually diagnosed clients the elderly veterans refugees Emerging problems Internet addiction chronic pain narcolepsy pathological gambling jet lag All entries feature reference lists and are cross indexed The Encyclopedia of Cognitive Behavior Therapy capably fills practitioners and educators needs for an idea book teaching text or quick access to practical workable interventions **Forensic CBT** Raymond Chip Tafrate,Damon Mitchell,2013-11-11 Forensic CBT A Handbook for Clinical Practice is an edited collection that represents the first authoritative resource on the utilization of CBT

strategies and techniques for offender clients Features contributions from leaders of the major schools of CBT on the treatment of antisocial personality patterns as well as anger interpersonal violence substance abuse and sexual aggression Addresses modified CBT approaches for female juvenile and culturally diverse forensic populations Covers emerging areas of forensic practices including the integration of motivational interviewing and strength based approaches Includes an assortment of worksheets handouts and exercises for practitioners to use with their clients **Understanding the**

Management of High Risk Offenders Hazel Kemshall, 2008-09-16 This is an extremely important and timely book written by a pre eminent scholar in the field Hazel Kemshall has a proven track record not just of exceptional scholarship but equally importantly of engaging effectively with policy and practice Given the damaging synergies between media hype and public insecurities about dangerous offenders the evidence based measured and thoughtful analysis provided in this book provides a vital counterpoint to increasingly punitive and exclusionary discourses around public protection In promoting a more balanced humane and integrative approach to risk the book deserves to influence not just scholars but also policy makers and practitioners facing the complex challenges of managing risk and dangerousness Fergus McNeill Associate Fellow of the Centre for Sentencing Research Strathclyde University UK High risk offenders have attracted much media policy and practice interest in recent years New legislation and extensive multi agency partnerships have been initiated to improve the assessment and management of these offenders in the community Drawing on a wide range of cross national literature and original research by the author this timely book reviews current approaches to the community management of high risk offenders The book examines in detail a range of risk management techniques including Community protection measures such as sexual offender registration and community notification Restorative and re integrative measures such as Circles of Support and Accountability pro social modelling public health campaigns and environmental risk management approaches Hazel Kemshall argues for a blending of these two approaches to provide risk management interventions for the protective integration of high risk offenders back into the community In addition the book examines contemporary difficulties in risk assessment effective multi agency partnership working and recent policy and legislative initiatives in this challenging area of work Understanding the Management of High Risk Offenders is a vital resource for criminology and criminal justice students and stimulating reading for probation officers social workers police and prison staff among others *Managing Sex*

Offender Risk Hazel Kemshall, Gill McIvor, 2004 Based on key research into assessment treatment and recidivism this book offers practical guidance on improving intervention techniques with sex offenders The contributors explore the monitoring and surveillance strategies and cognitive behavioural techniques currently used both in prison and in the community and give clear directions for future practice Providing a detailed overview of the typologies and characteristics of offenders they suggest strategies for managing different kinds of offender including children and young people who are sexually aggressive The Sex Offenders Act and the Crime and Disorder Act emphasise the need for effective community management of the

predatory paedophile Reviewing the recent growth in multi agency approaches to this challenge the book discusses how police prisons and social work departments can share information and collaborate effectively and will be essential reading for probation officers prison staff social workers and anyone involved in the assessment and management of sex offenders

Assessing Risk in Sex Offenders Leam A. Craig, Kevin D. Browne, Anthony R. Beech, 2008-05-23 Assessing Risk in Sex Offenders A Practitioner's Guide is a handy resource for forensic practitioners responsible for assessing and managing sexual offenders at risk of recidivism It covers the risk factors associated with sexual recidivism evaluates risk assessment approaches and offers guidance on how to conduct forensic evaluations Written by an expert author team Assessing risk in Sex Offenders A Practitioner's Guide examines The characteristics of sexual offenders Methodological considerations in measuring predictive accuracy Static and dynamic factors Structured risk assessments Treatment of sexual offenders Policy and practices Assessing Risk in Sex Offenders A Practitioner's Guide is an essential resource for clinical and forensic psychologists forensic psychiatrists undergraduate and postgraduate students in forensic and clinical psychology and prison and probation officers

Offending Identities Kirsty Hudson, 2013-06-17 This book aims to explore sex offenders perspectives of the way they are treated and managed Whilst a great deal has been written about sex offenders and their treatment within the criminal justice system few studies have approached the issues through an understanding of offenders own views and perspectives on their offending behaviour and others responses to it This book aims to redress this imbalance The book is based on in depth interviews with 32 convicted male sex offenders attending three different sex offender treatment programmes the prison based Sex Offender Treatment Programme Behaviour Assessment Programme and the community led Sex Offender Groupwork Programme Through gaining an understanding of offenders perceptions of initiatives designed to both treat and control their risk of future offending Offending Identities at the same time helps us to evaluate the effectiveness of such schemes

Treatment of Sex Offenders D. Richard Laws, William O'Donohue, 2016-02-29 This rigorous survey offers a comprehensive rethinking of the assessment and treatment of sexual offenders for a bold challenge to practitioners It critiques what we understand about offenders and the mechanisms of offending behaviors and examines how this knowledge can best be used to reduce offending and relapses To this end experts weigh the efficacy of common assessment methods and interventions the value of prevention programs and the validity of the DSM s classifications of paraphilias This strengths weaknesses approach gives professional

readers a guide to the current state as well as the future of research practice and policy affecting this complex and controversial field Included in the coverage Strengths of actuarial risk assessment Risk formulation the new frontier in risk assessment and management Dynamic risk factors and offender rehabilitation a comparison of the Good Lives Model and the Risk Need Responsivity Model The best intentions flaws in sexually violent predator laws Desistance from crime toward an integrated conceptualization for intervention From a victim offender duality to a public health perspective A call to clear thought and accurate action Treatment of Sex Offenders will generate discussion and interest among forensic psychologists psychiatrists clinical psychologists and social workers

Sex Offenders Fabian M. Saleh, 2009-02-11 A comprehensive clinical resource on sexual offenders that covers the basics in diagnosis natural history risk assessment and treatment in a way that is easy to absorb and to incorporate into practice The sections on legal issues are absolutely necessary for anyone working with sexual offenders in order to understand the extensive legal framework that operates around this subtype of offender The editors and contributors are concerned to ensure public safety while at the same time maintaining medical integrity and respect for due process The book is intended for psychiatrists clinical psychologists trainees and researchers who work with sex offenders as well as attorneys members of the judiciary and policymakers

Internet Child Abuse: Current Research and Policy Julia Davidson, Petter Gottschalk, 2010-09-13 Internet Child Abuse Current Research and Policy provides a timely overview of international policy legislation and offender management and treatment practice in the area of Internet child abuse Internet use has grown considerably over the last five years and information technology now forms a core part of the formal education system in many countries There is however increasing evidence that the Internet is used by some adults to access children and young people in order to groom them for the purposes of sexual abuse as well as to produce and distribute indecent illegal images of children This book presents and assesses the most recent and current research on internet child abuse addressing its nature the behaviour and treatment of its perpetrators international policy legislation and protection and policing It will be required reading for an international audience of academics researchers policy makers and criminal justice practitioners with interests in this area

Crime and Criminality Sandie Taylor, 2015-12-22 The question of why and how certain individuals are drawn towards behaving in a way that contravenes the Law of the Land is not an easy one to address Researchers from various different fields have nevertheless attempted to develop theoretical explanations for the existence of different types of crime and why some individuals commit such acts Crime and Criminality draws on criminology sociology psychology and neuroscience to offer a balanced perspective of crime the criminal and criminality Coverage includes a comprehensive discussion of theoretical approaches to criminal behaviour including biological social and rational choice approaches an analysis of legal and social definitions of crime and how these definitions influence the way specific behaviours are labelled as criminal an examination of different types of crime and criminals from delinquents to psychopaths and sex offenders an exploration of different ways in which crime is predicted

including risk assessment and offender profiling and an overview of investigative techniques Addressing a broad range of topics and offering a synthesis of competing theoretical explanations of criminality this book is essential reading for students taking courses in criminology criminal psychology criminal behaviour forensic psychology and psychological criminology

Personality Disorder and Serious Offending Christopher Newirth, Clive Meux, Pamela Taylor, 2006-03-31 People with personality disorder who offend tend to be neglected by health services in most countries In the UK there has been renewed interest in the field since government initiatives in the end of the 1990s Government proposals themselves are controversial but there is growing recognition that it is unsafe both for the general public and fo
