## Caesars Women Masters Of Rome:

*Caesar's Women* Colleen McCullough, 2020-04-07 New York Times bestselling author Colleen McCullough re creates an extraordinary epoch before the mighty Republic belonged to Julius Caesar when Rome's noblewomen were his greatest conquest. His victories were legend in battle and bedchamber alike. Love was a political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum. Genius general patrician Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold hearted mistress he could never dare trust. Caesar's women all knew and feared his power. He adored them, used them, destroyed them on his irresistible rise to prominence. And one of them would seal his fate.

**Caesar's Women** Colleen McCullough, 1998-04 His victories were legend in battle and bedchamber alike. Love was a political weapon he wielded cunningly and ruthlessly in his private war against enemies in the forum. Genius general patrician Gaius Julius Caesar was history. His wives bought him influence. He sacrificed his beloved daughter on the altar of ambition. He burned for the cold hearted mistress he could never dare trust. Caesar's women all knew and feared his power. He adored them, used them, destroyed them on his irresistible rise to prominence. And one of them would seal his fate.

The Independence of Miss Mary Bennet Colleen McCullough, 2013-12-03 Colleen McCullough's sparkling romantic sequel to Jane Austen's *Pride and Prejudice*.

**Colleen McCullough** Mary J. Demarr, 1996-06-10 Although best known for *The Thorn Birds*, her blockbuster family saga set in her native Australia, Colleen McCullough is a versatile novelist who has written in a variety of genres. This is the first full length examination of her work. It highlights her versatility and her refusal to be confined to any one genre or type of writing, even though that refusal has lost her part of the wide readership she gained with *The Thorn Birds*. R DeMarr discusses, analyzes and evaluates each of McCullough's eight novels in turn, relates it to the genre to which it belongs and compares it to her other work. This study also features a biographical chapter and a chapter which discusses the variety of genres in which McCullough has written. DeMarr shows how McCullough's romances *Tim* and *The Ladies of Missaloughi* and her other novels which make heavy use of romance elements *The Thorn Birds* and *An Indecent Obsession* differ dramatically from each other. She also compares McCullough's novels of ideas *A Creed for the Third Millennium* and the three recent historical novels set in ancient Rome *The Masters of Rome* series. Each novel or series is discussed in a separate chapter which contains sections on plot development and structure, character development, setting, style and themes. Each novel is also examined from an alternate critical approach such as feminist, allegorical, anti-generic and deconstructionist criticism to widen the reader's perspective. A complete bibliography of McCullough's work, general criticism and listings of reviews of each novel complete the work. This work will be of particular interest to public and school libraries.

Servilia and her Family Susan Treggiari, 2019-01-03 *Servilia* is often cited as one of the most influential women of the late Roman Republic. Though she was a high born patrician, her grandfather died disgraced and her controversial father was killed before he could stand for the

consulship she herself married twice but both husbands were mediocre Nevertheless her position in the ruling class still afforded her significant social and political power and it is likely that she masterminded the distinguished marriages of her one son Brutus and her three daughters During her second marriage she began an affair with Iulius Caesar which probably lasted for the rest of his life and is further indicative of the force of her charm and her exceptional intelligence The patchiness of the sources means that a full biography is impossible though in suggesting connections between the available evidence and the speculative possibilities open to women of Servilia's status this volume aims to offer an insightful reconstruction of her life and position both as a member of the senatorial nobility and within her extended and nuclear family The best attested period of Servilia's life for which the chief source is Cicero's letters follows the murder of Caesar by her son and her son in law Cassius who were leaders among the crowd of conspirators in the Senate House on the Ides of March in 44 BC We find her energetically working to protect the assassins interests also defending her grandchildren by the Caesarian Lepidus when he was declared a public enemy and his property threatened with confiscation Exploring the role she played during these turbulent years of the late Republic reveals much about the ways in which Romans of both sexes exerted influence and sought to control outcomes as well as about the place of women in high society allowing us to conclude that Servilia wielded her social and political power effectively though with discretion and within conventional limits

**Social Sciences and Philology** Andreas Sofroniou, 2015-07 This tome consists of three books which deal with Social Sciences Philology and their various branches pertaining to the study of human society and social relationships The disciplines encompassed are anthropology demography economics geography political science psychology sociology philology epistemology and philosophy In the case of philology the book includes the literary contributions of the main European countries from the ancient times through to the current geographical and political divisions The countries included in the write up are Portugal Spain France Britain Germany Italy and Greece Also included in this write up are the subjects of history education and law as these disciplines are regarded by many as social sciences

**Contextualizing Classics** John Peradotto, 1999 This collection of original essays examines innovations in both the theory and practice of classical philology The chapters address interdisciplinary methods in a variety of ways Some apply theoretical insights derived from other disciplines such as folklore studies performance theory feminist criticism and the like to classical texts Others examine the relationships between classics and cultural studies popular literature film art history and other related disciplines Others again look to the evolution of theoretical methods within the discipline of classics Taken together the essays offer a spectrum of new approaches in the classics and their place within the profession

The Year of Julius and Caesar Stefan G. Chrissanthos, 2019-05-21 How Caesar's attack on Bibulus marked the beginning of the end of the Roman free state and the descent of the Republic into violence and civil war The year 59 BC when Gaius Julius Caesar and Marcus Calpurnius Bibulus served as joint consuls marked a major turning point in the history of the Roman Republic It was a dramatic and momentous

time of political intrigue bloodshed and murder one that boasted some of the most famous personalities ever to grace the Roman historical stage Arguing that this pivotal year demands extended study Stefan G Chrissanthos's *The Year of Julius and Caesar* is the first focused investigation of the period Chrissanthos uses a single event as his centerpiece the violent attack orchestrated by Caesar and the First Triumvirate on Bibulus and his followers in the Forum on April 4 Before that day he reveals 59 had been a typical year one that provides valuable insight into Roman government and political gamesmanship But the assault on Bibulus changed everything the consul retired to his house for the rest of the year allowing Caesar and his allies to pass legislation that eventually enabled Caesar to take complete control of the Roman state This detailed reconstruction draws on archeological and literary evidence to describe a watershed year in the history of the late Roman Republic establish an accurate chronology and answer many of the important historical questions surrounding the year 59 Written in an engaging and accessible style *The Year of Julius and Caesar* will appeal to undergraduates and scholars alike and to anyone interested in contemporary politics owing to the parallels between the Roman and American Republics *The Roman Republic, History, Myths, Politics, and Novelistic Historiography* Miguel A. Faria, Jr., 2025-06-09 The history of the Roman Republic has been shrouded in myth assailed by gaps in historical knowledge and even immersed in political biases But in this book the author has succeeded in penetrating the mist using both ancient and modern sources as well as numismatic information and other illustrative materials and artforms He narrates the history of ancient Rome from its beginnings with the legendary seven kings of Rome the founding and struggles of the Republic the wars of conquests and civil wars to the collapse of the Republic and the inception of the Roman Empire with Augustus Peace is finally established and the Augustan Renaissance and the Pax Romana followed hinting at the course of Western civilization One lesson is learned Liberty and civic duties are too valuable to be forsaken for the material safety of bread and circuses because in the end citizens so partaking may end up with neither liberty nor safety **Library Journal**, 1917 [Caesar: a Sketch](#) James Anthony Froude, 1894 *PHILOLOGY, CONCEPTS OF EUROPEAN LITERATURE* Andreas Sofroniou, 2013-07-17

**Augustus** Jonathan Edmondson, 2014-03-24 This book presents a selection of the most important scholarship on Augustus and the contribution he made to the development of the Roman state in the early imperial period **In Between** Margit Grieb, Yves-Antoine Clemmen, Will Lehman, 2019 The essays in this anthology probe and comment on the space time issue between in aesthetic or linguistic productions in a variety of cultures For over three decades the Southeast Conference on Foreign Languages Literatures and Film SCFLLF which convenes biennially has been and continues to be a showcase for scholarship in the Humanities with a special emphasis on non English language area studies In 2018 at the 23rd SCFLLF fifty three national and international scholars presented their research on linguistics literature film culture and language pedagogy The essays we selected to showcase all probe and comment on the space time issue between in aesthetic or linguistic productions in a variety of cultures We have organized these contributions in three parts entitled Part I Between
