Cnn Live Stream Online:

Social TV Mike Proulx, Stacey Shepatin, 2012-01-26 The Internet didn't kill TV. It has become its best friend. Americans are watching more television than ever before and we're engaging online at the same time we're tuning in. Social media has created a new and powerful backchannel fueling the renaissance of live broadcasts. Mobile and tablet devices allow us to watch and experience television whenever and wherever we want. And connected TVs blend web and television content into a unified big screen experience bringing us back into our living rooms. Social TV examines the changing and complex television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities. Social TV topics include: Leveraging the second screen to drive synched and deeper brand engagement. Using social ratings analytics tools to find and target lean forward audiences. Aligning brand messaging to content as it travels time shifted across devices. Determining the best strategy to approach marketing via connected TVs. Employing addressable TV advertising to maximize content relevancy. Testing and learning from the most cutting edge emerging TV innovations. The rise of one technology doesn't always mean the end of another. Discover how this convergence has created new marketing opportunities for your brand.

The Live-Streaming Handbook Peter Stewart, 2017-11-22 The Live Streaming Handbook will teach you how to present live video shows from your phone and stream them straight to Facebook and Twitter. With this book and your favourite social media apps you will be able to run your own TV station for your home or work. Peter Stewart, an experienced TV and radio presenter, producer and author, now shares the training he's given to professional broadcasters with you. From structuring and developing a show to establishing an effective online persona and getting more people to watch you. The book includes dozens of tried and tested formats for your live video show alongside case studies highlighting how businesses and professionals are using live streaming in their brand and marketing strategies. Also included are a foreword by Al Roker, NBC's *The Today Show*, practical steps for using popular live streaming apps such as Facebook Live and Twitter, nearly 80 colour images of live streaming events, screenshots and gadgets, a detailed walk through of how to successfully present and produce your live streaming show, advice on analysing and exploiting viewer metrics to increase followers, more than 130 quotes of real world advice from expert producers of online media content, over 700 links to online case studies, articles, research and background reading. With this extensive manual you will gain a competitive edge in the world of online live streaming. This book is invaluable to entrepreneurs, professionals and students working in journalism, public relations, marketing and digital media as well as general readers interested in live streaming at home.

Online Access, 1995-07 **Paid, Owned, Earned** Nick Burcher, 2012-03-03 The complexity of media that now sees multiple channels accessed through multiple devices has created major challenges for today's marketing and advertising professionals. Consumer time is split between TVs, laptops, iPads, X-Boxes and smartphones, with traditional media, websites, videos, social networks and apps all competing for attention, meaning it's difficult for brands to decide how best to reach and engage their audiences. Paid, Owned, Earned.
