**But Children Matter** Kenneth G. Warren, John S. Knox, 2020-02-14 Often a disconnect exists between the way pastors children s ministry volunteers and churches describe the health and impact of children s ministry volunteers and the overall functioning of an ongoing children s ministry The volunteer dysfunction that is evident in many churches goes beyond the building scenario or the current strategy that leadership is pursuing If one asks the pastor of just about any local church how the children s ministry is going most pastors will respond positively However if speaking with a children s ministry volunteer one is likely to hear I am burned out but I feel obligated to serve here because we have such a

shortage of volunteers and I do love these kids Too often there is no program in place to monitor the health of the ministry Official training is lacking church vision is blurred and many children s ministry volunteers feel like they are nothing more than large group unpaid babysitters This book analyzes these problems and provides pragmatic systematic steps to a healthier more robust children s ministry Pastor Unique Lavern E. Brown, Gordon E. Penfold, Gary J. Westra, 2016-07-27
