*Coach the Kid, Build the Boy, Mold the Man* Carolyn J. Ellison, 2007-07-03 When football coach Tiger Ellison was faced with his first losing season ever he had to muster all the creative will he had acquired since childhood to turn the season around In doing so he invented the most wide open productive fan pleasing scheme of aerial football the game had ever seen He shared his philosophy with the coaching world in 1965 by writing a book called Run and Shoot Football Offense of the Future His dramatic offense changed the way football has been played ever since all the way from the Little Leagues to the NFL But this story transcends football taking place during the social turbulence of the 20th Century As educator and coach Tiger dedicated his life to tapping into the fighting spirit of each of his youngsters regardless of race creed or social status He challenged each to build the character confidence and courage to pursue a noble cause in the classroom on the gridiron of American football and in life It is a poignant reminder of the power each of us has within us to become a real winner Tiger Ellison had a passion for life country and sport that were absolutely contagious for those around him When you read his story you may laugh a little you may learn some things about football strategy but I am certain you will love Tiger as we players did and see why his positive philosophy of life influenced all of us in a very special way Dr Rex Kern President MSB Financial United Midwest Savings Bank 1968 Buckeye National Championship Quarterback and 1969 Rose Bowl MVP Member of The Rose Bowl Hall of Fame This is one football story that is not about power and money rather a powerful and creative mind that left its imprint forever on players coaches and modern offensive football At a time when football has become big business Tigers philosophy will remind us all why we love the game what we can learn from it and who we can become by it Earle Bruce Former Head Football Coach The Ohio State University A real masterpiece Every teacher coach and mothers son should have and use this material Rocko Joslin Retired Director of Operations Armco Inc Ashland Kentucky Former Captain Ohio State Buckeyes 1953 Visit [www.tigerellison.com](http://www.tigerellison.com)

**The Power Playbook: Coaching American Football** Phil Locke, The pursuit of victory in American football requires more than just talent it demands strategic brilliance unwavering discipline and a relentless pursuit of excellence This book The Power Playbook aims to equip coaches at all levels with the tools and insights necessary to build championship caliber teams We'll move beyond the superficial delving deep into the

strategic intricacies of the game exploring both offensive and defensive strategies in detail Modern football is a data driven landscape and we will examine how analytics can inform your decision making process from play calling to player development But strategy alone isn't enough Winning teams are built on a foundation of strong leadership effective communication and an unwavering commitment to team unity We will explore methods to cultivate a winning mentality and foster strong player coach relationships addressing the critical aspects of team building and leadership The science of athletic performance is paramount Therefore we will discuss effective strength and conditioning programs designed to maximize player performance while simultaneously minimizing the risk of injury We'll examine nutrition and hydration strategies player fatigue monitoring and injury prevention and rehabilitation protocols This isn't just about winning games it's about building a sustainable program that fosters player growth both on and off the field Ultimately The Power Playbook is a comprehensive guide designed to empower you to lead your team to success fostering a winning culture that extends beyond the gridiron and shapes young athletes into well rounded individuals Prepare to unlock the potential within your team and embark on a journey toward consistent victory
