Coast A Celebration Of Britains Coastal Heritage:

Coast Christopher Somerville, 2005 Accompanying the major BBC series this stunning book provides a cultural guide to Britain's coastal heritage It is a region by region reference to places people activities natural history historic events and fascinating facts

Britain and the Sea Glen O'Hara, 2010-06-30 O'Hara presents the first general history of Britons relationship with the surrounding oceans from 1600 to the present day This all encompassing account covers individual seafarers ship borne migration warfare and the maritime economy as well as the British people's maritime ideas and self perception throughout the centuries

The Human Shore John R. Gillis, 2012-10-17 Since before recorded history people have congregated near water But as growing populations around the globe continue to flow toward the coasts on an unprecedented scale and climate change raises water levels our relationship to the sea has begun to take on new and potentially catastrophic dimensions The latest generation of coastal dwellers lives largely in ignorance of the history of those who came before them the natural environment and the need to live sustainably on the world's shores Humanity has forgotten how to live with the oceans In *The Human Shore* a magisterial account of 100 000 years of seaside civilization John R Gillis recovers the coastal experience from its origins among the people who dwelled along the African shore to the bustle and glitz of today's megacities and beach resorts He takes readers from discussion of the possible coastal location of the Garden of Eden to the ancient communities that have existed along beaches bays and bayous since the beginning of human society to the crucial role played by coasts during the age of discovery and empire An account of the mass movement of whole populations to the coasts in the last half century brings the story of coastal life into the present Along the way Gillis addresses humankind's changing relationship to the sea from an environmental perspective laying out the history of the making and remaking of coastal landscapes the creation of ports the draining of wetlands the introduction and extinction of marine animals and the invention of the beach while giving us a global understanding of our relationship to the water Learned and deeply personal *The Human Shore* is more than a history it is the story of a space that has been central to the attitudes plans and existence of those who live and dream at land's end

Walking the Bones of Britain Christopher Somerville, 2023-08-24 Somerville's infectious enthusiasm and wry humour infuse his journey from the Isle of Lewis to southern England revealing our rich geological history with vibrant local and natural history Observer A meticulous exploration of the ground beneath our feet Glorious Katharine Norbury A remarkable achievement Tom Chesshyre His writing is utterly enticing Country Walking The influence Britain's geology has had on our daily lives is profound While we may be unaware of it every aspect of our history has been affected by events that happened ten thousand a million or a thousand million years ago In *Walking the Bones of Britain* Christopher Somerville takes a journey of a thousand miles beginning in the far north at the three billion year old rocks of the Isle of Lewis formed when the world was still molten and travelling south eastwards to the furthest corner of Essex where new land is being formed Crossing bogs scaling peaks and

skirting quarry pits he unearths the stories bound up in the layers of rock beneath our feet and examines how they have influenced everything from how we farm to how we build our houses from the Industrial Revolution to the current climate crisis Told with characteristic humour and insight this gripping exploration of the British landscape and its remarkable history cannot fail to change the way you see the world beyond your door Somerville is a walker's writer Nicholas Crane

UK and Ireland Circumnavigator's Guide Sam Steele, 2011-03-15 The new circumnavigation bible Geoff Holt the first disabled sailor to sail around Britain singlehandedly A circumnavigation of the UK and Ireland is the perfect doorstep challenge for sailors and motorboaters looking for an extended cruise which doesn't take them too far from family and responsibilities and allows them to keep in touch It doesn't require extended time off work or linguistic ability if things go wrong and the coastline is beautiful This book is a practical guide and Sam gives advice on planning and preparation when to leave whether to go clockwise or anti what charts are needed how much it is likely to cost possible routes via canals or the long way what stores and equipment are needed likely pitfalls en route and what types of running maintenance might be required For the second edition she has added a 10 of the best section detailing unmissable places in a range of categories from remote bays and beautiful rivers to historic locations and anchorages UK and Ireland Circumnavigator's Guide is perfect for all those sailors and motorboaters planning as well as dreaming of one day circumnavigating Britain's beautiful islands A comprehensive guide to sailing or motor boating round Britain Sailing Today Highly Recommended Title *Ships Of Heaven* Christopher Somerville, 2019-04-11 Somerville is one of our finest gazetteers of the British countryside He brings his formidable knowledge to bear on his personal quest to explore the cathedrals in this entrancing book The Spectator Christopher Somerville author of the acclaimed *The January Man* pictured cathedrals as great unmoving bastions of tradition But as he journeys among Britain's favourites old and new he discovers buildings and communities that have been in constant upheaval for a thousand years Here are stories of the monarchs and bishops who ordered the construction of these buildings the masons whose genius brought them into being and the peasants who worked and died on the scaffolding We learn of rogue saints exploited by holy sinners the pomp and prosperity that followed these ships of stone the towns that grew up in their shadows Meeting believers and non believers architects and archaeologists the cleaner who dusts the monuments and the mason who judges stone by its taste we delve deep into the private lives and the uncertain future of these ever voyaging Ships of Heaven Somerville paints word pictures of exquisite quality Church Times **Welsh Sea Kayaking** Jim Krawiecki, Andy Biggs, 2006 A selection of fifty great sea kayak voyages around the coast of Wales From the Dee Estuary to the Bristol Channel the Welsh coastline in all its varied guises provides a fantastic playground for the sea kayaker The fifty journeys selected cover all of the interesting parts of the coast and provide easy sheltered paddles testing offshore trips for the adventurous and everything in between Illustrated with superb colour photographs and useful maps throughout this book is a practical guide to help you select and plan trips It will provide inspiration for future voyages and a

souvenir of journeys undertaken As well as providing essential information on where to start and finish distances times and tidal information the book does much to stimulate and inform our interest in the environment we are passing through It is full of facts and anecdotes about local history geology scenery seabirds and sea mammals A fascinating read and an inspirational book
