**Working to Laugh** James M. Thomas, 2015-01-21 For decades stand up comedy has been central to the imbrication of popular culture and political discourse reshaping the margins of political critique and often within the contexts of urban nightlife entertainment In Working to Laugh Assembling Difference in American Stand Up Comedy Venues James M Thomas JT provides an ethnographic analysis of urban nightlife sites where this popular form of entertainment occurs Examining the relationship between the performance the venue and the social actors who participate in these scenes JT demonstrates how stand up venues function as both enablers and constrainers of social difference including race class gender and

heteronormativity within the larger urban nightlife environment JT's analysis of a professional comedy club and a sub cultural bar that hosts a weekly comedy show illuminates the full range of stand up comedy in the American cultural milieu from the highly organized routinized and predictable format of the professional venue to the more unpredictable and in some cases cutting edge format of the amateur show

**The Hungry Cowboy** Karla A. Erickson, 2010-07-07 At a Tex Mex restaurant in a Minneapolis suburb customers send Christmas and Hanukkah cards to the restaurant bring in home baked treats for the staff and attend the annual employee party One customer even posts in the entryway a sign commemorating the life of his dog Diners and servers alike use the Hungry Cowboy as a place to gather celebrate relax and even mourn Moments such as these fascinate Karla A Erickson who worked for the restaurant and they make up her new book *The Hungry Cowboy* Weaving together narratives from servers customers and managers Erickson explores a type of service work that is deeply embedded in personal relationships and community Feelings play and emotions are inseparable from the market transactions within the restaurant Based on extensive interviews and two years of working as a waitress Erickson provides insights into the ways that people make contact in our society and how they build on the fleeting connections in the service exchange to form more intimate relationships Written for readers scholars and students interested in American culture consumerism and community *The Hungry Cowboy* offers a case study in how consumers and producers in the marketplace perform and how dignity meaning and community can all be built at work

*The Victim of Rape* Lynda Lytle Holmstrom, 2017-09-29 This unprecedented in depth account of how our major institutions respond to the crime of rape is the first empirical study of rape victims in the United States as they come into contact with those who staff our police stations hospitals and courthouses As this engrossing study makes clear rape does not end with the assailant's departure the profound suffering of the victim can be diminished or heightened by the response of these institutions The authors provide direct on the scene reports of how rape victims confront and endure the often devastating effects of institutional processing Their work is based on first hand observations personal interviews and case histories that document the rape victim's plight and includes tables that present all research findings in easy to grasp numerical terms The authors note changes now taking place and argue that further institutional changes must be made to delegitimize rape in our society The new introductory essay locates *The Victim of Rape* within the context of four lines of research studies looking at the criminal justice system processing of such cases the connection of rape to everyday life social structural and ideological support for rape and strategies for prevention
