Civil Service Year Book and Official Calendar ,1904 **The English Catalogue of Books: v. [1]. 1835-1863** Sampson Low,James Douglas Stewart,1872 **Rebels in a Rotten State** Kieran Mitton,2015-01-10 The atrocities of civil wars present us with many difficult questions How do seemingly ordinary individuals come to commit such extraordinary acts of cruelty often against unarmed civilians Can we ever truly understand such acts of evil Based on a wealth of original interviews with perpetrators of violence in Sierra Leone s civil war this book provides a detailed response Moving beyond the rigid bounds of political science the author engages with sociology psychology and social psychology to provide a comprehensive picture of the complex individual motives behind seemingly senseless violence in Sierra Leone s war Highlighting the inadequacy of current explanations that centre on the anarchic nature of brutality or conversely its calculated rationality this book sheds light on the critical but hitherto neglected role played by the emotions of shame and disgust Drawing on first hand accounts of strategies employed by Sierra Leone s rebel commanders it documents the manner in which rebel recruits were systematically brutalised and came to perform horrifying acts of cruelty as routine In so doing it offers fresh insight into the causes of extreme violence that holds relevance beyond Sierra Leone to the atrocities of contemporary civil wars **History of St. Andrews, episcopal, monastic, academic, and civil; comprising the principal part of the ecclesiastical history of Scotland** C. J. Lyon,1843 Air University Library Index to Military Periodicals ,1996 *Lost Causes* Bradley R. Clampitt,2022-06-01 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat *Lost Causes* analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights Intense material shortages and images of the war s devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society Their thoughts upon homecoming turned to immediate economic survival a radically altered relationship with freedpeople and life under Yankee rule all against the backdrop of fearful uncertainty Bradley R Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern As *Lost Causes* reveals most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America The Publishers Weekly ,1928 **Publishers' circular and booksellers' record** ,1897 **Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record** ,1897 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1896 **Dictionary Catalog** Schomburg Collection of Negro Literature and History,1962
