Warren had a plan Together with her husband Rick Warren author of the megaseller The Purpose Driven Life she planned that after her kids were grown she d travel the world teaching and encouraging couples in ministry It was a good plan But it wasn t what God had in mind for her In her own startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God s call and then to surrender herself to God She cried out to God Why are you bothering me with this There s nothing I can do about it I m just an ordinary person What could one person do about such a gigantic problem But God had grabbed her attention and wouldn t let go If you ve ever struggled with knowing and doing God s will this book is for you With raw honesty Kay goes straight to the heart of the matter the bottom line is surrender Will you say yes to God Along the way she ll introduce you to others people like you who have said yes to God and have made a difference in the world Using their skills energy faith and a willingness to take risks they became powerful instruments of change and tools in God s hands Giving in to God isn t easy It s not for cowards It s the boldest riskiest step you ll ever take This dangerous surrender can bring both joy and pain both heartache and ecstasy but it enables you to know God in a far deeper way than ever before I had to make a conscious decision Would I retreat to my comfortable life and to my settled plans Or would I surrender to God s call and let my heart engage with the cause to which he called me one that I was pretty sure would include buckets of pain and sorrow I felt like I was standing on the edge of a giant precipice I couldn t go back and yet the way forward looked like stepping into a void Kay Warren took that step choosing to say yes to God That decision transformed her life and reshaped her future She invites you to do the same You ll benefit most by discussing this book with others A Readers Group Discussion Guide is provided in the back of the book Additional help can be found at [www.kaywarren.com](http://www.kaywarren.com) [Rules for Radical Christians](#) Nelson R Foster,2019-10-04 This book is a brutal expose of religion s failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth **After the Wrath of God** Anthony Michael Petro,2015 After the Wrath of God is the first book to

**Driving out Fear with Hope** Rebecca Renkema, 2022-12-05 While doing two years Bible research for finding how our bodies are made in very similar fashion to principles seen in the Bible I started getting more and more interested in the verses related to hope I started to write a daily devotional book on hope but then started to see more and more verses that did not have the word hope in them but spoke to me on important principles of hope I also started to notice different verses that discussed different types of fear what we are to fear and what we shouldn't fear With this I saw just how much fear is on the other side of hope I also saw just how much God wants to give us hope through Him The writing of this book was a truly evolving process I wanted to combine my paintings with these verses so that people might notice the verses more when highlighted by color starting with just a verse of the day My family led me to write more about why I picked the verses I picked so the second part of this process turned into me writing about what I saw in these verses turning into a starting point for journaling I want this book to be a starting point to help people journal as they see these verses and what I felt reading them able to add what they see Beyond this I want it to be a starting point for people to want to look more into the Bible and what is put in there for us Each time I read some of my favorite passages I'm able to see more and learn more I want each reader to enjoy the same opportunities of this journey of walking with God through His Word This last three years has taken a toll on a lot of people I want this book to help encourage people to not give up to hold on to what God offers us even when things get tough and confusing All pictures in this book are my paintings and I'm hoping they will be a way to help people stay interested in all the verses on hope and how to drive out fear

**The Preacher's Wife** Kate Bowler, 2020-09-15 Although most evangelical traditions bar women from ordained ministry many women have carved out unofficial positions of power in their husbands spiritual empires or their own ministries The biggest stars write bestselling books grab high ratings on Christian television and even preach Bowler offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male dominated faiths And black celebrity preachers wives carry a special burden of respectability A compelling account of women's search for spiritual authority in the age of celebrity adapted from jacket

*Turning Controversy into Church Ministry* William P. Campbell, 2010-09-21 One of the most volatile issues facing the Western Church is also one of the least discussed homosexuality Many pastors church members and congregations have become tired of the debate surrounding this topic but do not really understand the issues Pulling away from this controversy doesn't seem to help it keeps cropping up Ninety percent of pastors are aware of members or visitors to their churches who struggle with homosexual tendencies and the same percentage of churchgoers know a relative or friend who wrestles with this concern The media school systems and nearly every sector of society will challenge Christians to give a reasoned response to the escalating gay agenda For twenty five years W P Campbell has studied and debated this topic as it relates to Christ's Church He has come to the conclusion that it will not go away in our

generation but it can be coaxed to find its proper place in any congregation when it is tackled with a firm but loving grip

Homosexuality in the Church is a guidebook to help Christians and whole congregations do just that It faces the heart of the controversy with the love and compassion of Christ and turns it into effective ministry Framed by the most significant biblical passages related to homosexuality and supported by science psychology and sociology each of the five parts of the book unfold a unique aspect of God s person and purpose As our Creator he has made us to be whole as our King he has provided laws and guidelines to help us remain that way as our Redeemer his power can save us from sin as our Guide his light will guide us out as our Strength he will make our ministry effective As a resource for the church today this book will Provide readers with a comprehensive overview of the biblical data about homosexuality Inform readers about current scientific psychological and cultural findings related to same sex practice Teach readers Christ like responses to gay rights activists in the Church and help them to know how to avoid extreme stances about homosexuals and the Church that result in alienating others or in supporting sexual sin Offer guidelines and tools to church leaders for mobilizing a congregation to study this topic and to engage in ministry to recovering homosexuals
