Daniel Mastering The Old Testament Vol 19:

The Antichrist and the Second Coming , The Antichrist and the Second Coming Duncan W. McKenzie, 2009-08 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North and the man of lawlessness McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years While he was raised on the popular prophecy teachers of the 70s and 80s his studies since that time have taken him in a very different direction Mastering the Books of the Bible Robert Allen Armstrong, 1916 It is the object of this book to aid those who would like to master a book of the Bible as they master a secular classic to get at its great message and at the same time enjoy its wonderful literature The author will attempt to give this aid by showing the value significance and beauty of Bible literature by furnishing materials out of which the student may construct the proper setting atmosphere and background for his reading by presenting and explaining a fruitful method of study and by giving many type studies to illustrate the application of this method Preface *Subject Guide to Books in Print* , 1997 **Mastering the Discipline of Bible Study** Jenai J. Rasmussen Ed.D., 2022-07-22 This work along with the other volumes in the Foundational Knowledge of the Bible series can help those who are young in the faith to seek a Christian relationship with God All who choose to enter into the new covenant must concurrently embrace a new perceptual field By heeding God s call to service believers embark upon a Christian journey to become wise from the application of spiritual knowledge This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God which is the source of all spiritual truth in this world The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment be equipped with sound doctrine and grow together in all things according to Christ s authoritative leadership Eph 4 15 By becoming covenant Christians set apart by God for his particular use we can be diligent by precisely and accurately handling the word of truth 2 Tim 2 15 This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life s pressing spiritual questions whether general or specific Accordingly Christ s disciples need to comprehend the questions before the answers can have real meaning No greater reason can be given for studying the Bible Therefore the people of God are duty bound to master this Christian discipline The first volume in this series is divided into three phases of Bible study

Why addresses the importance of knowing God's word study motivations conditions for discipleship Christian distinctions and the attributes needed to study biblical truth How covers preliminary actions Bible versions principles study considerations and necessary skills What offers a unique sevenfold framework for understanding the Bible Divine power can move the Scriptures to be more than words on a page It can become a life changing force for good in the world To that end this resource directs the reader on how to inquire search and ask diligently concerning godly truth Invaluable information accessible resources clear educational materials and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth To be sure wisdom is the result of applying biblical knowledge to our lives By speaking divine truth in love believers can grow together in Christ as fellow workers who labor in the word of God There is no greater work in this world than to share this life saving truth with others The obligation of receiving divine knowledge requires that it be shared Truly giving the hope and joy that is found in Jesus Christ and the message he brought from the Father is the greatest privilege of a human life Amen and amen How to Know the Bible Robert Allen Armstrong, 1922

A Guide to Biblical Commentaries and Reference Works, 11th Edition John F. Evans, 2025-01-21 A Guide to Biblical Commentaries and Reference Works 11th Edition by John F. Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its usefulness for biblical interpretation The easy to use book provides analysis in canonical order and includes helpful appendices for compiling a personal research library A Guide to Biblical Commentaries and Reference Works 11th Edition is a key reference tool for any student of the Bible pastors laity and scholars alike *The Abomination of Desolation in Matthew 24.15* Michael P.

Theophilus, 2012-02-23 A new understanding of the term Abomination of Desolation in Matthew's gospel is given shedding light on the term Son of Man as well *Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today* Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned

themselves to be agents of eschatology in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church

Theology of Work Bible Commentary, 1-volume edition Theology of Work Project, Inc., 2021-10-05 This Theology of Work Bible Commentary is an in depth Bible study tool put together by a group of biblical scholars pastors and workplace Christians to help you discover what the whole Bible from Genesis to Revelation says about work Business education law service industries medicine government wherever you work in whatever capacity the Scriptures have something to say about it Previously released in a boxed set 5 volume edition this version contains the complete content from that set in a single hardcover volume **Satan, the Heavenly Adversary of Man** Cato Gulaker, 2020-12-10 Cato Gulaker employs narrative

criticism to explore where the depiction of Satan found in the Book of Revelation is positioned on the axis of two divergent roles The literary character of Satan is commonly perceived to gradually evolve from the first divine agents in the Hebrew Bible representing the darker sides of the divine governing of affairs Job 1 2 Zech 3 1 Chr 21 1 Num 22 22 32 to the full blown enemy of God of the post biblical era However Gulaker posits that texts referring to Satan in between these two poles are not uniform and diverge considerably This book argues for a new way of perceiving Satan in Revelation that provides a more probable reading as it creates less narrative dissonance than the alternative of the ancient combat myth cosmic conflict between Satan and God From this reading emerges a subdued Satan more akin to its Hebrew Bible hypotexts and Second Temple Judaism parallels one that fits seamlessly with the theology cosmology and the overarching plot of the narrative itself Gulaker explores the functions of Satan in a text written relatively late compared to the rest of the New Testament but with strong affinities to the Hebrew Bible concluding that Satan is characterized more as the leash rod and sifting device in the hand of God than as his enemy *Publishers' Trade List Annual, 1991* Bowker Editorial Staff, 1991-09 *The Art Collector*

Alfred Trumble,1893 **Kingdom Stories** Vaughan S. Roberts,2020-04-30 Stories are at the heart of how God's kingdom is revealed both in scripture and in contemporary church ministry This volume draws on these kingdom stories to extend the conversation between practical theology and contemporary organizational studies Responding to the huge increase in interest in leadership and organisational theory as a means to understanding ministry Vaughan S Roberts shows how a more qualitative story led approach to thinking about leadership can offer a valuable perspective on ministry for both individuals and churches A New Dictionary of the English Language Charles Richardson,1867 **The Nation** ,1874 **David Griffiths and the Missionary "History of Madagascar"** Gwyn Campbell,2012-04-03 In 1838 William Ellis of the LMS published a History of Madagascar considered a key primary source for nineteenth century Malagasy history Four years later David Griffiths longest serving member of the Madagascar Mission published Hanes Madagascar History of Madagascar in Welsh Campbell's study explores the intriguing relationship between these works and their authors It analyses the role of Griffiths presents evidence that much of Ellis History derived from Griffiths research and presents the first ever translation of Hanes Madagascar with extensive annotations This study suggests that the tensions arising from the different cultural perceptions of Welsh and English missionaries moulded the destiny of the Madagascar mission It will hopefully inspire re evaluation of other missions and their relationship to British imperial policy
