Daniel Oconnell Patriot Classic Reprint:

Daniel O'Connell, the Irish Patriot Wendell Phillips, 1884 *Daniel O'Connell, the Irish Patriot (Classic Reprint)* Wendell Phillips, 2015-07-12 Excerpt from Daniel O'Connell the Irish Patriot A Hundred Years ago to day Daniel O'Connell was born The Irish race wherever scattered over the globe assembles to night to pay fitting tribute to his memory one of the most eloquent men one of the most devoted patriots and the most successful statesman which that race has given to history We of other races may well join you in that tribute since the cause of constitutional government owes more to O'Connell than to any other political leader of the last two centuries The English speaking race to find his equal among its statesmen must pass by Chatham and Walpole and go back to Oliver Cromwell or the able men who held up the throne of Queen Elizabeth If to put the civil and social elements of your day into successful action and plant the seeds of continued strength and progress for coming times if this is to be a statesman then most emphatically was O'Connell one To exert this control and secure this progress while and because ample means lie ready for use under your hand does not rob Walpole and Colbert Chatham and Richelieu of their title to be considered statesmen About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Ireland in Official Print Culture, 1800-1850* Niall Ó Ciosáin, 2014-02-27 The decades after 1800 saw a fundamental redefinition of the role of the state in Ireland Many of the most pervasive and enduring forms of official intervention and regulation date from this period such as a permanent centralised police force a system of elementary education a network of small courts and a national system of poor relief Many of these were preceded by large scale official investigations whose results were published as parliamentary reports another novel aspect of state activity The book analyses the construction and dissemination of an official image of Irish society in those reports It takes as its principal example a state inquiry into poverty the largest social survey of Ireland lasting from 1833 to 1836 running to thousands of pages and offering a unique insight into pre famine society and official perceptions of it This volume also illuminates two other contemporary aspects of the development of the state The 1820s saw the beginning in Ireland of a comprehensive engagement with the parliamentary process by the population at large with the appearance of the first mass electoral organisation in Europe the Catholic Association Finally the Union of 1801 meant that Irish legislation was now discussed and enacted in Britain rather than in Ireland and by a parliament and public newly informed by official reports on Ireland This was therefore a crucial period in the construction of the public understanding of Ireland in both Britain and Ireland a process in which the state and its publications played a fundamental role
