Creation in Contemporary Experience

David Moffett-Moore, 2014-04-16

Do the things we believe about God as creator make any difference in the way we act in the world Yes what we believe about God as creator impacts our theology and action in many ways In this book Dr David Moffett Moore will examine some of these implications by looking at topics as diverse as quantum physics and chaos theory hermeneutics ethics and how we tell stories of faith Can one accept the major theories of science including evolution and still be a faithful believer What do these findings of science mean for the way we do theology in the 21st century Dr Moffett Moore not only believes that we can accept the findings of science and still be faithful Christians he believes that discoveries in fields such as physics and biology can help us talk about God in a more relevant and compelling way than we ever have before When we talk about God in this new way we will also find a new call to live in a way that is faithful both to the wonders of the physical Creation and also to scripture This study is designed for individual reading and study Though it does not include questions and other traditional elements of a study guide it would still be an excellent guide for small group study on these topics **Mission and Development**

Gardner,1991-06-14 Richard B Gardner invites readers to explore the dramatic story of Jesus which Matthew tells He connects that story to the first century world of its author and early readers The commentary then shows how Matthew has shaped the church and still speaks to the life of the Christian community Gardner probes each section for its meaning in the wider biblical context and in the life of the church Thus readers are prepared to wrestle with Jesus gospel and mission starting small but for all nations Ends with essays an extensive bibliography and a list of select resources [The Catholic Bible, Personal Study Edition](#) Jean Marie Hiesberger,2006-12 The essential resource for Scripture students Cover [One Unfolding Story](#) Michael Perham,2018-06-07 Michael Perham was an influential liturgist and priest who shaped the worship of the Church of England as we know it today This collection brings together the very best of his unpublished writings to offer inspiring reflections on the seasons of the Christian year From Advent to Christ the King Michael Perham shares his passion for the worship and its ability to draw us into God s presence He explores how celebrating the life death and resurrection of Jesus opens us to growth and to change This collection includes the last address Michael Perham gave on Ash Wednesday shortly before his death Rachel Treweek the succeeding Bishop of Gloucester provides an introduction [A Message for Our Times](#) William Doyle,2013-12-18 In this message the author draws on his life long ministerial experience to convey the realities of where we are on our journey through this life to where it is we are going The book reflects the treasure of shared knowledge and reveals what the author terms the unconscious unreality which draws people away from the conscious realities that would otherwise enrich their lives It is directed to all Gods people both Christians and non Christians These spiritual messages come at a time when the world is set on a course that is causing much consternation and answers many perplexing problems facing individuals The author takes church leaders to task for allowing much of what is changing the face of a civil society This book is not for idle curiosity Each chapter is at times sad at times joyful and at times soul searching There is strong emphasis on the lure of easy borrowing and sensationalism one of the plagues of modern times that mask the face of lasting values diminishing the hunger for the spiritual life and depleting the soul of contentment This book offers a clear and unshakeable understanding of the truth of God and clarifies scriptural text about the end times it speaks about you **New-York Observer** ,1910 [The Churches the Apostles Left Behind](#) Raymond Edward Brown,1984 This book is a study of seven very different churches in the New Testament period after the death of the apostles [Living Liturgy](#) Joyce Ann Zimmerman,Christopher W. Lawson, 2008 Drawing on an extensive experience as a pastor evangelist and administrator his knowledge of the teachings of the Word of God and his ability to present those teachings in a systematic readable manner Pastor David Lawson has written this book in order to address the question Why be a Seventh Day Adventist back cover Presbyterian Banner, 1907 *Parables for Our Time* Tania Oldenbake, 2010-04-10 Over the centuries New Testament texts have often been read in ways that reflect and encourage anti-Semitism For example the parable of the wicked husbandmen who kill the son of their landlord in order to seize the land has been used to blame the Jews for the death of Christ Since the Holocaust Christian scholars have increasingly recognized and rejected this inheritance In *Parables for Our Time* Tania Oldenbake seeks to fashion a biblical hermeneutics that consciously works with memories of the Holocaust New Testament scholars have not directly confronted the horror of Nazi crimes Oldenbake argues but their work has nonetheless been deeply affected by the events of the Holocaust By placing twentieth century biblical scholarship within its specific historical and cultural contexts she is able to trace the process by which the Holocaust gradually moved into the collective consciousness of New Testament scholars both in Germany and in the United States Her focus is on the scholarly interpretation of the parables of Jesus She sets the stage with the work of Wolfgang Harnisch who exemplifies the problems surrounding Holocaust remembrance in the Germany of the 1980s and 1990s She then turns to Joachim Jeremias's eminent work on the parables first published in 1947 Jeremias's anti-Jewish rhetoric she argues should be understood not only as a perpetuation of an age-old interpretive pattern but as representative of German difficulties in responding to the Holocaust immediately after the war Oldenbake goes on to explore the way in which Jeremias's approach was challenged by biblical scholars in the U.S. during the 1970s In particular she examines the turn to literature and literary theory exemplified in the works of John Dominic Crossan and Paul Ricoeur Nazi atrocities became part of the cultural reservoir from which Crossan and Ricoeur drew she shows although they never engaged with the historical facts of the Holocaust In conclusion Oldenbake offers her own reading of the parable of the wicked husbandmen demonstrating how the turn from historical to literary criticism opens up the text to interpretation in light of the Holocaust If the parables are to be meaningful in our time she contends we must take account of the troubling resonances between these ancient Christian stories and the atrocities of Auschwitz **LIFE**, 1966-03-11 LIFE Magazine is
