*Dominica (Other Places Travel Guide)* Anna McCanse, 2011 It's hard to find a nation that dances to a friendlier more laid back tempo than Dominica. The island rises majestically out of a turquoise blue sea and provides a visually stunning backdrop to an easy going way of life. You won't find your typical Caribbean beach vacation here but what you will find is a country that begs you to discover and engage with its people, land and rich culture. With its soaring green mountains, colorful reefs, hidden beaches, natural hot springs, towering waterfalls and pristine rivers, Dominica's rugged good looks will make you weak in the knees. With candid reviews of restaurants and hotels, plus itineraries and advice for the lone adventurer or the whole family, this guide won't leave you wondering what to do next. Take advantage of the practical tips for traveling on a budget and off the beaten tourist path with all of the maps you'll need for hiking, driving or exploring on foot or by bus. Included in this book is a first of its kind comprehensive hiking guide featuring the newly developed Waitukubuli National Trail. With first hand knowledge, cultural insights and personal recommendations, this book is your key to the real Dominica. **Dominican**
