Chaber, 2020-05-04 Samson Hercules Carter is a little man with a big name who has fallen obsessively in love with a diamond The Tavernier Blue is only a little smaller than a golf ball and worth a fortune To insurance investigator Milo March the hunk of carbon doesn't seem as attractive as the equivalent in cash but he can see why the little man might want to put it in his pocket and take a walk But the problem is Carter has also shot a man to death in the process The insurance company sends Milo to track down the murderer and recover the stolen diamond a task made all the more urgent because he's got competition Some of the world's top jewel thieves would also like to get their hands on the diamond from sinister professionals to a beautiful seductress In one of Milo's wildest adventures ever the chase takes him from New York to Lisbon and Madrid where the thief a mild mannered accountant has transformed himself into a new identity as a cultured gentleman an alternate personality that he has secretly developed for years Getting the thief back to America for prosecution is challenge enough but where the hell did the little man hide the diamond The Man Inside was made into an English film of the same name in 1958 directed by John Gilling and starring Jack Palance and Anita Eckberg

*Rudolph Schevill Cervantes collection*, 1891 *Catalogue of Superior Second-hand Books ...*, 1857 *The Cervantean Heritage* J. A. Garrido Ardila, 2017-12-02 Many critics regard Cervantes's *Don Quixote* as the most influential literary book on British literature Indeed the impact on British authors was immense as can be seen from 17th century plays by Fletcher Massinger and Beaumont through the great 18th century novels of Fielding Smollett Sterne and Lennox and on into more modern and contemporary novelists 20th century critics fascinated by Cervantes were moved to write what we now see as the classical works of Cervantes scholarship Through their previous publications the eminent contributors to this volume have helped to determine the reception of Cervantes in Britain Together they now offer a comprehensive and innovative picture of this topic discussing the English translations of Cervantes's works the literary genres which developed under his shadow and the best

known authors who consciously emulated him Cervantes's influence upon British literature emerges as decidedly the deepest of any writer outside of English and very possibly of any writer since the Renaissance      **Catalogues No. 111-114, 137, 141, 147, 148, 151** Bernard Quaritch (Firm),1891      A Catalogue of Books ... offered for sale by B.
