Sénat, 1984 Enterprise in the Period of Fascism in Europe Harold James, 2017-07-05 The essays in this volume consider the involvement of business corporations and of individual businessmen in the politics of the 1930s and 1940s in the move away from the market and also from democracy towards state control and authoritarianism including the massive intervention of the state in property rights How far did businesses attempt to guide this intervention for their own purposes and to what extent did they succeed This debate deals centrally with the role of German business of banks of industrial corporations and of small tradesmen in the Nazi regime An older discussion of how they may have facilitated the Nazi takeover has been supplemented here by an investigation into how they made the regime s policies possible and the extent to which the profit motive drove them to participate with sometimes more sometimes less enthusiasm in the politics of inhumanity Such discussion has been given further impetus by legal action initially in the United States in the form of class action suits on behalf of the victims of Nazism What do such legal and political debates mean for business history What are the current responsibilities of business facing the consequences of historical action And what lessons should be learned concerning the ethics of business behaviour The contributions to this volume were originally presented as papers at a conference organised by the Society for European Business History in Paris in November 1998 **Nederlandsche almanak** , 1886 **Tour de France regels en statistieken** Pieter van den Akker, 2018-01-04 Sinds de eerste Tour in 1903 zijn de regels meerdere malen veranderd Renners reden individueel in landenteams regionale teams of commerci le ploegen klassementen werden toegevoegd met soms afwijkende puntentellingen en soms een trui voor de leider Dit boek laat de veranderende regels en bijbehorende statistieken zien **Asielbeleid en belangen** Jan Willem ten Doesschate, 1993 Annales parlementaires Belgium.
